

# ASSOCIATE OF ARTS EARLY CHILDHOOD EDUCATION

## AFFORDABLE

Competitively priced at \$375 a unit. Financial Aid options include PELL and CAL Grants, Veteran's Benefits, Federal Student Loans, AWANA Citation, Homeschool and various other scholarships.

## ACSI APPROVED

Approved for Certification to teach in ACSI accredited schools worldwide. While many states recognize National Accreditation, this degree does not lead to CA state credentialing.

## ON CAMPUS OR ONLINE

Benefit from the interaction of on campus courses or conveniently take courses online. Have the flexibility to study without relocating yourself or your family.

## SMALL CLASS SIZES

Thrive in small classroom sizes with a 6:1 student to faculty ratio. Get to know your professors and other students in a more personal way.

# PREPARE FOR MINISTRY PREPARE FOR LIFE

*Develop a personal philosophy of education that reflects a strong Biblical worldview integrated with a solid academic understanding of Early Childhood Education.*

*Program is 67 units and can be completed in 24 months.*

SBC&GS is approved by the California Bureau of Private Postsecondary Education.

### Meet Our Students...Abigail

*God gave me a vision to work with children and showed the importance of early childhood education, especially in my home country of Myanmar. I attended training conducted by the government and obtained a certificate of Early Child Care and Development but in my ministry I faced some challenges since I didn't have proper education about Biblical child psychology so I decided to come to Shasta Bible College & Graduate School. My experience here has been remarkable because I can see Godly men and women in this college. I have learned so many things from the teachers and also from the students. I know this is how God has opened my way for His own glory. To God be the glory.*
