### Meet Our Students...Hannah

*I chose SBC&GS because it was uncompromising in following Biblical principles. My time here has encouraged me to deepen my faith and grow closer to the Lord. As an online student who also works full time, it can be overwhelming at times but the professors are incredibly helpful and supportive, and it's very easy to communicate with them.*

*My time at SBC&GS has helped me to enjoy the process of learning and to grow and improve in many areas.*
