## A WORD . . .

### FROM PRESIDENT DAVID R. NICHOLAS

Since 1971, Shasta Bible College and Graduate School has been educating and equipping Christian servant-leaders to impact the world for Christ. While some have come to prepare for life, others have come to prepare for ministry. But the vast majority of SBC&GS alumni will testify to the fellowship they enjoyed, the lasting friendships they have established with fellow-students and the personal care and concern extended to them by their professors and administrators. SBC&GS is unique on today's higher educational scene in that we believe true education involves more than the assimilation of facts and the accumulation of knowledge. It must prepare students for living, not only in the affective and cognitive domains of learning, but also in the spiritual and practical dimensions of life. Why? Because the Scriptures were given, not just to increase our knowledge, but to change our lives - to paraphrase pastor/evangelist, Dwight L. Moody.

You see, at Shasta Bible College and Graduate School, we are committed to helping each student realize his/her maximum potential to become dedicated representatives of our Lord and Savior, Jesus Christ. The Apostle Paul puts it this way in 2 Corinthians 5:20-21:

Now then we are ambassadors for Christ, as though God were pleading through us: We implore you on Christ's behalf, be reconciled to God. For He made Him who knew no sin *to be* sin for us, that we might become the righteousness of God in Him. (NKJV)

As we begin the 2019-20 academic year, both our nation and the world are in ideological and religious turmoil. Isaiah the prophet's words of warning to Israel: "*Woe unto those who call evil good and good evil; who substitute light for darkness ... Woe to those who are wise in their own eyes, and clever in their own sight*" (Isaiah 5:20-21), are increasingly relevant to our time. The consequences of leaving behind the Biblical and spiritual dimensions education are sadly evident in many of our nation's secular institutions. Many were founded on Scriptural principles and for the original purpose of heralding God's truth, but now have sacrificed critical thinking on the altar of liberal/socialistic indoctrination, free speech on the altar of violent intolerance and Biblical absolutes on the altar of hedonism.

Thankfully, God has preserved Shasta Bible College and Graduate School over the past fifty-one years to be an oasis of truth, sanity and common sense for such a time as this. Why? Because we take Biblical precepts seriously and subscribe to the inspired words of King Solomon: "*The fear of the Lord is the beginning of wisdom, and the knowledge of the Holy one is insight.*" To this precept the Psalmist adds: "*all those who practice it have good understanding, His praise endures forever*" (Prov. 9:10, Ps. 111:10 ESV).

If you're looking for a Christ-centered, Biblically based institution of higher education where political correctness does not rule, safe spaces are not needed, critical thinking is encouraged and common sense is respected, **check us out!** Our mission is: "*To educate and equip Biblically committed Christians who will impact the world for Jesus Christ.*" May God bless and guide you as you seek His direction for your future.

### **Immigration and Naturalization Service**

Shasta Bible College and Graduate School is authorized under Federal law to enroll nonimmigrant students.

### **Association of Christian Schools International**

Shasta Bible College and Graduate School holds membership in ACSI and is approved to offer both classes and programs leading to ACSI Teacher Certification and Recertification for Christian school teachers and administrators.

## **HISTORY AND DEVELOPMENT**

Equipping committed, qualified Christian leaders for Christ's service in the 21st century is the mission of Shasta Bible College and Graduate School. The institution's origins date back to 1970 when God laid it upon the heart of Dr. Royal D. Blue to investigate the possibility of initiating an evening Bible institute extension from Multnomah School of the Bible, utilizing the facilities of North Valley Baptist Church. While speaking at Multnomah's Spiritual Life Conference, Dr. Blue met with Dr. John Mitchell, Dr. Willard Aldrich and Mr. John Grunland (director of the evening school) concerning the possibility of bringing an extension program to Redding. Several weeks later, Dr. Aldrich and Mr. Grunland flew to Redding to meet with Dr. Blue and other pastors in the Redding area who were burdened to make Bible institute courses available in the Northern California area. The need for such a program was evidenced by the increasing demand on North Valley Baptist Church to supply young pastors to minister in area churches which lacked qualified leadership, thus an extension program was initiated which subsequently developed into the Northern California Bible Institute (NCBI) with Rev. Hubert Garland as its first part-time Executive Director.

A second stage of growth came under the direction of Dr. Oran Smith who was called as NCBI's first full-time Executive Director. It was under Dr. Smith's leadership that the day program was begun in addition to the original evening Bible Institute. During these years NCBI flourished and extension centers were developed in Susanville, Weaverville and other surrounding population centers. Following the home-going of Dr. Smith, Rev. Don Lamberson and Rev. Lynn Pace assumed the leadership followed by Mr. Roger Martin under whom NCBI became independent in 1979 with its own Board of Directors and committees composed of concerned Christian leaders and laymen. Following the resignation of Rev. Martin to enter church ministry, Dr. Charles Shoemaker was called as Executive Director. During Dr. Shoemaker's tenure NCBI's first buildings were erected and the institution was authorized to grant degrees by the California State Board of Education. On January 1, 1982, NCBI officially became known as Shasta Bible

College under the leadership of Dr. Gordon Rasmussen who was called as President following the resignation of Dr. Shoemaker. Under Dr. Rasmussen's administration the Oran Smith Building was completed and steps were taken to examine the possibility of accreditation with the American Association of Bible Colleges.

In July of 1985, Dr. David Nicholas was selected to assume the presidency. Coming from a background of experience in both pastoral ministry and Christian higher education, Dr. Nicholas led in the broadening of SBC's curriculum, initiated a daily radio Bible teaching broadcast known as *Truth for Today*, led SBC in sponsoring the annual Greater Redding Area Church Enrichment Convention (GRACE), the Alpha and Omega Conference on Creation and End Time Prophecy. He also began an aggressive pursuit of institutional accreditation. On November 1, 1985 Shasta Bible College became approved by the California State Bureau of Private Postsecondary Education (BPPE <https://www.bppe.ca.gov>), and in 1997, accreditation with the Transnational Association of Christian Colleges and Schools (TRACS) was attained. TRACS is one of only two Christian accrediting agencies approved by the U.S. Department of Education to accredit both undergraduate and graduate institutions. TRACS is also approved by the Council on Higher Education Accreditation (CHEA). Consequently, Shasta Bible College and Graduate School is now listed in the publications, *Accredited Institutions of Postsecondary Education* (consulted by all accredited institutions to determine transfer credit eligibility), and the *Higher Education Directory*, which lists all USDE approved institutions and accrediting agencies. Shasta Bible College and Graduate School is also approved by the Association of Christian Schools International to offer classes and programs leading to ACSI Certification.

In 2003, Dr. Nicholas led in the transition from the GRACE Convention to the Annual Alpha Omega Conference on Creation and End-time Prophecy. Since that time, the Alpha Omega Conference has featured leading creation scientists in America, Great Britain and Australia along with nationally and internationally known prophetic scholars who hold to the dispensational, premillennial, pretribulational position on end-time prophecy. As many as 24 churches in Northern California have participated in the conference, either on campus or by opening their facilities to be used as evening and Sunday venues for Alpha Omega speakers.

In 1999, the graduate division of SBC was initiated making the Master of Science in Church/School Administration available to educators desiring to qualify for administrative positions in the Christian school and/or church environment. Subsequently, SBC became known as Shasta Bible College and Graduate School.

Currently, SBC&GS offers a variety of undergraduate degrees in Bible & Theology, Biblical Counseling, Education, and Early Education. Three Bachelor of Arts degrees are offered; a Bachelor of Arts in Bible and Theology with minors available in Pastoral Ministry, Biblical Languages, Biblical Counseling, Children's Ministry and Youth Ministry; a Bachelor of Arts in Christian Professional Studies, a degree completion program, with tracks in Biblical Studies, Biblical Counseling and Education; and a Bachelor of Arts in Education which leads to ACSI Certification.

Graduate degrees are also available in Bible & Theology, Biblical Counseling and Education. Four Masters degrees are offered: the Master of Arts in Biblical Counseling, the Master of Science in Education with tracks in Administration and Curriculum & Instruction; the Master of

Arts in Christian Ministry with tracks in Biblical Studies and Leadership; and the Master of Divinity with tracks in Pastoral Ministry and Chaplaincy.

The campus is located on 55 acres three miles east of downtown Redding. Presently, two sixplex student resident halls provide housing for single and married students on a first come first serve basis. Oran Smith Hall houses the Student Services offices, a classroom, the Welcome Center, the Chapel, and the Student Lounge. The Faye Messler Library is located on the ground floor of the new Jack M. Hicks Learning Resource Center along with a unique Creation Museum featuring fossils, artifacts and other geological evidences supporting the Biblical account of creation and a worldwide flood. Additional classrooms, faculty and administrative offices and The Robert G. Nicholas Evangelists' Hall of Fame are located upstairs on the second floor.

Today, over 65% of Shasta Bible College and Graduate School graduates are active in some form of vocational Christian service. Forty percent of students go on to graduate work. Seventy three percent of SBC&GS's male graduates either enter some form of church ministry or go on for graduate seminary work. Thus far, nearly 88% of SBC&GS's Christian teacher education graduates have been placed in Christian schools. A number of SBC&GS alumni have been accepted for missionary service with mission organizations including the Association of Baptists for World Evangelism (ABWE), Evangelical Baptist Missions, Village Missions, Wycliffe, International Gospel Mission, Pioneer Missions and InFaith. In addition, SBC&GS alumni are pastoring churches affiliated with the General Association of Regular Baptists (GARBC), CB America, The Independent Fundamental Churches of America (IFCA), The Southern Baptist Convention, and various other independent Baptist, Community and Bible churches. SBC&GS also has alumni serving as military chaplains in the armed forces.

## **LOCATION AND FACILITIES**

The campus is situated on a fifty-five-acre parcel, located three miles east of downtown Redding, just off Highway 44, near Airport Road, providing easy access to nearby air and bus terminals.

Because Redding is located at the hub of Northern California's recreational wonderland, students have easy access to both summer and winter outdoor opportunities. Summer water sports (boating, water skiing, and fishing), outdoor activities (hiking, camping, climbing, and backpacking) and winter sports (downhill and cross-country snow skiing) are all within a short drive.

A growing campus, Shasta Bible College and Graduate School, presently has two six-plex student apartments to house single and married students. Oran Smith Hall is the current site for one classroom, the Chapel, a Student Lounge, the Welcome Center and Student Services (Admissions and Records, and Financial Aid). The Jack M. Hicks Learning Resource Center currently houses the library, Administration/Faculty offices, recording studio and two classrooms.

The facilities for on-campus parking, study, and recreation are adequate for a growing student body. All facilities and equipment fully comply with all federal, state, and local ordinances and

regulations for health, fire, and building safety. All classes are conducted on the main campus or online.

**Library** The Faye Messler Library, 4200 square feet on the ground floor of the Jack M. Hicks Learning Resource Center, was completed and occupied in January 2002. It currently holds over 40,000 volumes, including over 5,000 eBooks.

The library seats 60 people, has computers available for student use, tables for group or individual study, couches for relaxed reading, and individual study carrels for private study. It is a user-friendly place.

Students also have access to other local collections: Simpson University, Shasta College, and the Redding Public Library.

Internet access to the library collection, as well as online educational resources is provided to all faculty, students and guests on campus through the Shasta Bible College and Graduate School website links.

## FOUNDATIONAL DOCUMENTS

### Mission of the College

*To educate and equip Biblically committed Christian leaders who will impact the world for Jesus Christ.*

### Doctrinal Statement

All members of the Board of Trustees, Administration and Faculty of Shasta Bible College and Graduate School commit annually to respect and uphold the doctrinal statement of the College in its entirety.

We Believe...

#### The Scriptures

We believe in the plenary and verbal inspiration of the Scriptures, both of the Old and New Testaments. By this we understand that the Holy Spirit not only inspired the thoughts of the writers, but also superintended the wording and composition structure of those thoughts with the result that the original documents were inerrant as to fact and truth (1 Cor. 2:13; 2 Tim. 3:16-17; 2 Peter 1:20-21). We further believe that the Scripture is to be interpreted normally according to the literal, historical, grammatical method, which requires the literal existence of Adam and Eve as the progenitors of all people, the worldwide cataclysmic flood, the creation of linguistic barriers and the origin of nations brought about by the diversification of languages at the tower of Babel.

#### The Godhead

We believe in one Triune God: Father, Son and Holy Spirit; eternal in being; identical in nature; equal in power and glory and having precisely the same attributes and perfections (Deut. 6:4; 2 Cor. 13:14).

#### The Creation and Man's Fall

We believe God created all things in the universe in the six days of creation described in Genesis 1:1-2:3. We further accept the Creation account as both factual and historical, and thus view it as foundational to the understanding of every fact and phenomenon in the created universe. In addition, we hold that all things that now exist are being sustained and ordered by God's providential care. Furthermore, we believe that God created man in His own image and likeness of God; but, through Adam's sin, man became alienated from God, acquired a sin nature, and came under the judicial sentence of death (Gen. 1:25-27; Rom. 3:22-23; Eph. 2:12).

#### Life

We believe God specially and directly created all life and that human beings are made in His image (Gen. 1:27). Human life is sacred, beginning at conception.

#### Marriage

God created humans male and female and has ordained marriage as a union between one man and one woman. Marriage is defined by Scripture and Shasta Bible College and Graduate School

as the exclusive covenantal union of one man and one woman in a lifetime commitment to one another (Gen. 2:18-24; Matt. 19:5). A civil government's sanction of a union will be recognized as a legitimate marriage by Shasta Bible College and Graduate School only to the extent that it is consistent with the definition of "marriage" found in this Doctrinal Statement.

### **Human Sexuality**

Legitimate sexual relations are exercised solely within marriage. Consequently, sexual activities outside of marriage (referred to in the New Testament as *porneia* – πορνεία) including but not limited to, adultery, premarital sex, homosexuality, and pedophilia are inconsistent with the teachings of the Bible, the church, and Shasta Bible College and Graduate School. Further, lascivious conduct, transgender behavior, and the creation and/or distribution and/or use of pornography, are incompatible with a Biblical Christian lifestyle (Lev. 18:22; Deut. 22:5; Rom. 1:24-32; 1 Thess. 4:3-8; 1 Cor. 6:9-11; Gal. 5:19-21; 1 Thess. 5:22; Rom. 13:14). We believe that in order to preserve the function and integrity of Shasta Bible College and Graduate School, to provide a Biblical role model for our students, and to maintain a consistent testimony for Jesus Christ in our community; members of our campus community should live in a manner consistent with our lifestyle commitment and the Scriptural guidelines for Christian behavior. The campus community functions as the Body of Christ. Consequently, what one member does—regardless of position—affects everyone else. All employees are to be members or attendees in good standing of churches in general agreement with the Doctrinal Statement of SBC&GS and they must be in agreement with the Biblical perspective on Marriage, Gender, and Sexuality (Matt. 5:16; Phil 2:14-16; 1 Thess. 5:22). We also believe that every person must be afforded compassion, love, kindness, respect and dignity (Mark 12:28-31; Luke 6:31).

### **The Person and Work of Jesus Christ**

We believe that the Lord Jesus Christ, the eternal Son of God, became man, without ceasing to be God, having been conceived of the Holy Spirit and born of the virgin Mary, in order that He might reveal God and redeem sinful man. We believe that the Lord Jesus Christ accomplished our redemption through His death on the cross as a propitiatory and substitutionary sacrifice, and that our redemption is made sure to us by His resurrection from the dead in the identical, though glorified, body in which He was crucified (John 1:1-2; Luke 1:35; Rom. 3:24-25; 1 Pet. 1:3-5).

We believe that the Lord Jesus Christ is now in heaven exalted at the right hand of God, where, as High Priest for His people, He fulfills the ministry of Representative, Intercessor and Advocate (Heb.9:25; 7:25; Rom. 8:34; John 2:1-2).

### **The Personal Return of Jesus Christ**

The personal return of Jesus Christ will be pretribulational and premillennial. While His return is imminent, the exact time of His coming is unrevealed (Acts 1:11; Rev. 1:7; Mark 13:33-37; Titus 2:11-13; Rev. 22:20). When He comes in the air He will remove His waiting church from the earth by means of resurrection and translation (I Thess. 4:16-18) after which He will pour out the righteous judgments of God upon the unbelieving world during the tribulation period (Rev. 6:1-18:24). Following this period of tribulation, He will descend with His church, resurrect the Old Testament and Tribulation Saints (Dan. 12:12-13; Isa. 26:19-21) and establish His literal

Messianic Kingdom over all the nations for one thousand years (Rev. 19:1-20:6; Matt. 13:42-43). At the close of this thousand-year period, He will raise and judge the unsaved dead at the Great White Throne Judgment (Rev. 20:11-15). Finally, as the Son of David, He will deliver up His Messianic Kingdom to God the Father (1 Cor. 15:24-28); and, as the eternal Son, Christ shall reign forever with the Father in the New Heavens and the New Earth (Luke 1:32-33; Rev. 21:1-22:6).

### **The Holy Spirit**

We believe that the Holy Spirit, the third Person of the Godhead, in the present age regenerates and indwells all believers in the Lord Jesus Christ, baptizes them into the Body of Christ, and empowers for service. We also teach that every believer is commanded to be filled (controlled) with/by the Holy Spirit (Rom. 8:9; 1 Cor. 12:12-24; Eph. 1:13, 14; 5:18-20) and that the Spirit administers spiritual gifts to the church for the ultimate purpose of bringing glory to Christ through the implementation of the redemption of the lost and the building up of believers in the Faith (John 16:13-14; Acts 1:8; 1 Cor. 12:4-11; 2 Cor. 3:18). In this respect, we hold as well that God the Holy Spirit is sovereign in the bestowing of His gifts for the perfecting of the saints today, and that the sign gifts (speaking in tongues and sign miracles) in the initial days of the church were for the purpose of authenticating the ministry and message of the apostles as revealers of divine truth and were never intended to characterize the lives of believers (1 Cor. 12:4-11; 13:8-10; 14:22; 2 Cor. 12:12; Eph. 4:7-12; Heb. 2:1-4).

### **Salvation**

We believe that salvation is the gift of God offered to man by grace and received by personal faith in the Lord Jesus Christ, and that this faith is manifested in works pleasing to God (Eph. 2:18-20; Titus 2:11-14). We believe in the spiritual unity of all believers. We believe that all who are truly saved shall be kept by God forever (Rom. 8:1, 38, 39; John 10:27-30; 1 Cor. 1:4-8).

### **The Church**

We believe that the Church is a spiritual organism composed of all believers who have been born again in this age by the Spirit of God and thereby are baptized by Him into the body of Christ (John 3:5; 1 Cor. 12:13). It is both the mystical body and the bride of the Lord Jesus Christ (Eph. 4:4; 5:25-32) which He began to build on the day of Pentecost (Matt. 16:18; Acts 2:47). The members of this one spiritual body are to assemble themselves together in local churches for worship, instruction, mutual encouragement and the observance of baptism and communion (Heb. 10:25; Matt. 28:19-20; Rom. 6:1-5; 1 Cor. 11:23-24). The local church is an autonomous body of immersed believers united together, upon profession of faith, under the headship of Christ and the leadership of pastors and deacons (Col. 1:18; Acts 10:47, 48; Phil. 1:1; 1 Tim. 3:1-13). It is to be free from interference by any ecclesiastical or political authority and is to endeavor to reach men and women for Christ at home and abroad.

The apostasy, the great falling away characteristic of the last days (2 Thess. 2:3, 2 Tim. 3:1; Matt. 24:12), is detrimental to the work of Christ and His church. Since the ecclesiastical movement toward one ecumenical world church contributes to the Apostasy by sacrificing historic Biblical doctrine on the altar of religious unity, the Christian should recognize the dangers of the ecumenical movement and avoid compromising alliances which often lead to

the denial of Biblical inerrancy and the subsequent abandonment of historic Biblical doctrine as well as the essential deity of our Lord Jesus Christ (2 John 8-11; Rom. 16:17-20; 2 Cor. 6:14-7:1).

### **Satan**

We believe that Satan is a personal, evil being who was originally created perfect along with an innumerable company of sinless beings known as angels. According to Scripture, Satan through the sin of pride fell and was followed by a great number of angels, some of whom became demons who assist him as emissaries in subverting and supplanting the work of God. He is the tempter and accuser of mankind who persistently strives to counterfeit the works and truth of God. Satan and his emissaries were defeated and judged at the Cross of Christ and will be bound for a thousand years at the return of Christ to the earth. Following Christ's Millennial reign, they will be cast into the Lake of Fire where they will be punished eternally (Ezek. 28:11-19; I Tim. 3:6; 2 Cor. 2:10, 11; 11:13-15; Matt. 4:3; II Pet. 2:4; Jude 6; Rev. 12:9,10; 20:10).

### **The Final State**

We believe that the condition and retribution of the lost and the salvation and blessedness of the saved are conscious and everlasting (Mark 9:43-48; Rev. 20:15; 22:3-5, 11).

### **Conclusion**

We not only believe that this body of doctrine is a sacred trust to be preserved and taught in its purity, but we also believe that it teaches a life *to be lived and a gospel to be preached*.

### **Statement of Purpose**

The purpose of Shasta Bible College and Graduate School is to educate men and women for Christian ministries on the collegiate level through a program of Biblical and theological studies, general education in the arts and sciences, professional studies in Christian education, Biblical counseling, the pastoral ministry, world missions, and church vocational areas deemed desirable. Basic in the philosophy of education of Shasta Bible College and Graduate School is the conviction that Christian higher education should be oriented to the divine Scriptures, the Bible, finding in it its frame of reference and basis for the integration of all knowledge.

To fulfill this purpose the College endeavors to encourage student growth and development through its pursuit of the following objectives:

#### **Spiritual Objectives**

1. Students will cultivate a lifestyle that demonstrates Christ-like character in accordance with the priorities and precepts of God's Word.
2. Students will develop an informed Christian world and life-view through the integration of Biblical truth in all areas of the curriculum.
3. Students will acquire both a cognitive and affective knowledge of Biblical truth through classroom instruction, faculty-student interaction, personal Bible study, Scripture memorization, and discipleship experience.

#### **Academic Objectives**

1. Students will learn to think critically from a Biblical perspective and maintain intellectual and spiritual integrity in all areas of study and research.

2. Students will be equipped with both a knowledge of Biblical content and the skill to expound it by interpreting and applying Scripture in accordance with sound literal, grammatical, historical, exegetical principles.
3. Students will be prepared to communicate effectively, correctly, and clearly through the use of media.
4. Students will be provided with the intellectual tools to integrate all fields of study with Biblical truth, realizing that God is the source of all truth.
5. Students will master study and research methods and develop the motivation necessary for lifelong learning.
6. Students will be able to meet contemporary challenges to historic, Biblical Christianity with a working knowledge of Christian theology and apologetics.

### **Practical Life and Ministry Objectives**

1. Students will understand that their spiritual growth and development take place through the study and application of God's Holy Word.
2. Students will know that involvement in, and loyalty to, the local church is strategic to personal spiritual growth, Christian fellowship, and the fulfillment of the Great Commission.
3. Students will demonstrate a commitment to ministry in the local church and dedication to its maintenance and growth.
4. Students will be challenged with a variety of spiritual needs and ministry opportunities both at home and abroad.

## **Institutional Philosophy\* (Abbreviated)**

### **Our Educational Premise**

The educational philosophy of Shasta Bible College and Graduate School is founded on Biblical truth as the basis for evaluating all knowledge (Proverbs 1:7, 2:6, 9:10; Col. 2:3). Thus, in the process of equipping students with a working knowledge of God's Word, we also seek to bring a Scriptural dimension to the study of the humanities, fine arts, social sciences, and science, based upon the conviction that foundational principles for every area of learning are found in Holy Scripture.

### **Our Educational Process**

While Shasta Bible College and Graduate School is committed to the pursuit of academic excellence, an effort is made to identify and develop hidden potential in students and to cultivate their creative abilities to the limits set by God for each individual. Many, because of Christian conversion, have a fresh motivation to succeed. The study of God's truth as revealed in Scripture and the search for academic truth is to be guided by experienced, spiritually and academically qualified faculty members who themselves are open to learning as they teach and interact with students. It is our conviction that the optimum learning experiences are those in which the student is encouraged to apply principles learned in the classroom to practical problem-solving situations.

### **Our Educational Personnel**

At Shasta Bible College and Graduate School, we contend that what an individual is as a person directly impacts his or her effectiveness as a teacher or administrator. For this reason, a priority is placed on personnel who can serve as models as well as mentors. A priority is also placed on securing faculty who are growing and alive in knowledge and quality of being. Realizing that a significant portion of formal learning comes from vicarious experience and cannot always be immediately related to life, we encourage the use of creative illustrations which present subject matter in a fresh perspective, making it more relevant to the student. We also believe that certain personality characteristics are conducive to excellence in teaching including: authenticity, enthusiasm, freshness, balance, creative freedom, breath of interest, and an enduring concern for the individual student.

### **OUR EDUCATIONAL PRODUCT**

Although it is impossible to dictate God's leading in a graduate's life, we at SBC&GS hope to see (1) a significant number (if not the majority) enter vocational Christian service, (2) the maintenance of a vital Christian testimony in the community and the work place, (3) involvement in a Bible-believing local church, (4) a lifelong practice of integrating sacred and secular truth by critically evaluating the issues and problems of life against the standard of God's inspired Word.

## STUDENT LIFE POLICIES

All students enrolling in Shasta Bible College and Graduate School are required to sign the Student Commitment. By this action, students indicate their willingness to comply with the moral and spiritual standards of the College and commit themselves, in the strength of Christ, to implement the supporting Scriptural principles of the Student Commitment to daily life.

Since Shasta Bible College and Graduate School is dedicated to training students who are genuinely desirous of living a Christ-honoring life, those entrusted with the leadership of the College have resolved that students be encouraged to maintain high standards of Christian behavior both on and off campus.

The college seeks to ensure the maintenance of such standards and to produce an atmosphere conducive to spiritual and academic excellence. Based on the college's religious convictions, the following activities are to be avoided: use of alcoholic beverages, tobacco, vaping products, illegal drugs, sexual immorality, including homosexuality and lesbianism and other worldly activities or forms of entertainment, which are inconsistent with Biblical principles, including music which reflects the influence of either the occult or the drug culture.

Students who evidence through either conduct or attitude that they are unwilling to abide by the Student Commitment will be summoned to meet with the Administrative Committee and may be subject to dismissal depending on their responsiveness to the counsel of the Committee.

### The Student Commitment

As a Christian, I believe the Bible to be the verbally inspired and inerrant Word of God. I accept its teachings as the final authority in all matters of faith and conduct; and as faculty, staff or student at Shasta Bible College and Graduate School, I will maintain the moral and spiritual ideals of the College, render respect to members of its faculty, conform to its social, academic and spiritual requirements, and recognize my responsibility to live an exemplary Christian life in keeping with the admonitions of Scripture (see 1 Cor. 6:19, 20; 2 Cor. 6:14-7:1; Rom. 12:1-2; 1 Thess. 4:1-8, 5:22; Gal. 5:16-26; Eph. 5:18; Col. 3:17; Rom. 13:14).

*NOTE:* For a complete coverage of student life policies, refer to the Student Handbook.

### Student Life

#### *Outreach*

The administration, faculty, and students minister with local churches and other Christian organizations in a variety of ways. By providing pulpit supply, camp and conference speakers, teacher training programs, Sunday School teachers, youth workers, song leaders, and visitation assistants, the College is vitally involved in the development and growth of local ministries.

#### Musical Teams

Each year the College seeks to form a musical outreach team (Sounds of Shasta) composed of students and faculty which travel throughout western states, ministering in local churches and

at special events. Participation in this team is available and voluntary for all students attending Shasta Bible College and Graduate School. The teams are formed at the beginning of the fall semester, and members may qualify for credit in MUS151, 152 Chorale I, II.

### *Field Ministry*

Full-time students registered in the four-year B.A. program are required to take four semesters of CM \*90 and CM \*91 Field Ministry. Part time students are strongly encouraged to take these classes.

The purpose of these classes is to provide directed and supervised experience in the areas of general Christian ministry, Pastoral Ministry, Christian Education, and Youth Ministry, so that, after graduating, students will be competent to begin ministering in the area of their calling.

It is assumed that students enter the College with varying degrees of spiritual maturity. One priority of the college is to assess individual strengths, weaknesses, gifts, talents, abilities, and areas needing improvement or growth. A second priority is to provide input, guidance, and direction to stimulate and assist continued growth toward spiritual maturity. It is through individual interaction with the Field Ministries coordinator, the Field Ministries faculty, and other faculty and staff, that students receive this personal feedback and counsel.

### *Placement Assistance*

Career guidance is provided to all students throughout their time at Shasta Bible College and Graduate School. It is the sincere desire of the College to assist students in maximizing their talents and gifts for the Lord. Students in their final year are provided special assistance to help them locate either an appropriate graduate program or a suitable place of ministry. The president's office maintains ongoing contacts with churches and church organizations in order to ascertain pastoral placement opportunities. Students seeking pastoral placement assistance should contact the president's office. The Chair of the Department of Education maintains ongoing contacts with the Association of Christian Schools International in order to ascertain teacher placement opportunities. Students seeking teacher placement opportunities should contact the Chair of the Department of Professional Education.

### *Orientation*

At the beginning of the fall and spring semesters, time is set aside to help orient new students to the College. Orientation is followed by various get-acquainted activities.

#### Student Government and Activities

Students elect officers to the Student Council. The Student Council is responsible for planning both spiritual and social activities in conjunction with the college administration. Such activities are an important part of the development of a well-rounded person; they provide opportunities for relaxed fellowship and the development of spiritual leadership. See the Student Handbook for details on Student Council.

## *Recreation and Sports*

The College is located in an area which lends itself to outdoor activity. Beautiful mountains, lakes and streams provide for a variety of recreational activities such as skiing, swimming, hiking, fishing and room just to relax. The City of Redding has parks, bike trails and numerous programs which appeal to a wide range of interests. The Turtle Bay Museum and unique Sundial Bridge over the Sacramento River are also popular attractions.

At the present time the school is limited in its organized sports program. Students have participated in church leagues and it is anticipated that this will be an area of activity which will grow. Besides the church league program, Shasta Bible College and Graduate School has access to recreation facilities at Sun Oaks Tennis and Fitness Center for student recreation on an informal basis. Recreational facilities are included in the College's master plan.

## *Chapel*

In an effort to achieve the spiritual objectives of the Statement of Purpose, the College conducts required Chapel services each week. Chapel is a strategic part of the total educational program at Shasta Bible College and Graduate School. The services are designed to cultivate spiritual growth and Biblical character qualities in each student's life, and are designed to lay a solid foundation for life and ministry. Through exposure to the chapel program the following spiritual qualities of: love, obedience, integrity, righteousness, faithfulness, godly dependence, patience, perseverance, joy, peace, kindness, self-control, and a desire to serve are cultivated. As a result, students are encouraged to develop character qualities that include the ability: (1) to stand alone, (2) to be diligent, (3) to be attentive and accurate, (4) to be enduring and encouraging, (5) to exercise good stewardship over financial resources, (6) to exercise initiative, (7) to demonstrate compassion, (8) to maintain acceptable personal deportment, (9) to be honest and direct, and (10) to be responsible and trustworthy. These character qualities, so vital for life and ministry, are seen as the outgrowth of each student's personal walk with God in which the Holy Spirit transforms him by the renewing of his mind.

Additionally, chapel services offer opportunities to be challenged by local pastors, Christian community leaders, missionaries from around the world, and representatives of various Christian organizations; and to learn vital Christian Life Skills such as financial responsibility, health and wellness, professional attire and behavior, and other skills necessary to maintain a positive Christian testimony in all aspects of their lives. Students develop vital leadership skills by planning and leading in each Friday's chapel service, giving them opportunities to lead in worship, preach, and give testimonies, and make speaker requests. Because chapel is an integral part of the educational plan of the College, attendance is required for all students. See the Student Handbook for additional requirement information.

## *Housing*

The College has two six-plex apartments for dormitories with magnificent views of Mt. Shasta and Mt. Lassen. All single students under 21, except those commuting from the home of their parents or legal guardian, are required to live in the College Dormitory or in approved housing.

Unapproved, off-campus, housing is allowed only by special arrangement and with parental consent. On campus housing is a privilege, not a right. Full time unmarried students have priority for placement in the dormitories. Dorms are reserved for students age 25 and under. For single students over 25 or married students, special permission may be given by the Administrative Committee to reside on campus. The college assumes no responsibility to provide housing for single students over 25 years of age or for married students. Full time unmarried students have priority for placement in on campus housing. For the safety of our dorm residents, we require a background check for all new residents (\$35.00 fee).

Housing Per Semester:

- Housing for single students -- \$1500.00 per semester
- Cleaning Deposit (refundable upon approval) -- \$100.00

\*Full time unmarried students have priority for placement in dormitories. If available, married students and single graduate students can arrange through the Business Office to live on campus in a dorm at a fee of \$750 per month plus utilities.

Off campus housing in the proximity of Shasta Bible College includes both apartments and single-family dwellings. Rental prices for such housing begin at around \$900 for apartments and \$1100 for single family dwellings.

Dormitory occupancy during the summer months may be available by special arrangement with the Office of the Executive Assistant to the President.

### *Standards of Conduct*

Shasta Bible College and Graduate School expects its students to be attired neatly and modestly, as befits those who desire to honor Jesus Christ. The Student Handbook addresses SBC&GS's standards of modesty in more specific detail. The administration encourages a positive, cooperative attitude among students as necessary to campus unity and spiritual growth.

### *Student Handbook*

The Student Handbook details student department, College services and activities, and specific expectations of students. Copies may be secured by contacting the College office.

### *Student Grievances*

Students at Shasta Bible College and Graduate School have the right to competent classroom instruction and an environment free from disruption. They have the right to withdraw from instruction and receive prorated refunds in accordance with the stated state-approved refund policies as detailed in the College catalog. A student has the right to due process when he/she feels he/she has a grievance. A grievance is defined as an injustice resulting from a policy that has been abused or violated. These are generic guidelines for all campus relationships and apply to students, faculty, administration and staff members of the College.

The following steps should be taken first to determine if a policy has been abused or violated as a basis for filing a grievance; and secondly, to resolve the grievance in a timely fashion:

1. The offended person should go to the person who has violated the policy and attempt to rectify the situation in the spirit of Matthew 18:15-17.
2. If there is no resolution of the grievance, the offended and the offender should go to the Student Life Committee to find a resolution.
3. If the matter requires further attention, a written grievance will be made to the President who will convene a grievance committee (including student representation) to determine a final resolution. If necessary, the parties of the grievance may request a formal hearing and have the right to peer counsel, to call or cross examine a witness.

All grievances not resolved by the Administrative Committee may be appealed to TRACS, P.O. Box 328, Forest, VA 24551.

## ADMISSIONS AND RECORDS POLICIES

Shasta Bible College and Graduate School admits qualified students who are personally committed to faith in Jesus Christ, and does not discriminate on the basis of sex, color, disability, national or ethnic origin in the administration of its educational programs, admissions policies, financial aid programs, and other school administered programs.

### Academic Requirements

1. Possession of a high school diploma, or achievement of an average score of 50.0 or above on the General Education Development Test (GED).
2. Presentation of high school grades and standardized test information indicating the applicant is capable of successfully completing the desired program. All students applying to admission in the B.A. in Bible and Theology program must pass a mathematics placement exam upon matriculating at Shasta Bible College and Graduate School. A student who does not pass this placement exam with an acceptable score will be required to pass a college level course in math. An exception is made for those students who have transfer units in college level math.

Students with a weak academic background may be granted provisional admission (see below).

Other requirements include the following:

1. Evidence that the applicant has been born again by faith in Jesus Christ as Savior.
2. Evidence that the applicant has a personal commitment to Christ and to the Christian ministry.
3. Willingness to abide by the doctrinal position and standards of conduct of the College.
4. Applicants must exhibit adequate social maturity to cope with the stresses of college life.

### Application Procedures

#### For students who have not attended college:

1. Submit a completed application (on line application available at [www.shasta.edu](http://www.shasta.edu)) along with the \$50 application fee, a personal photo, a photo of your driver's license or state issued ID card, and photo of your Social Security Card to the Office of Admissions.
2. Request an official high school transcript be sent to the Office of Admissions.
3. Select and identify two people to serve as your references: your pastor and three mature individuals (not immediate family) who know you well. Supply their email addresses in the on-line application, and they will receive a link to a web-based reference form.
4. Submit an autobiographical essay including your testimony of salvation and relationship to Jesus Christ.

#### For students transferring from another college:

In addition to the procedures required for beginning students (including an official high school transcript or the equivalent), transferring applicants must request an official transcript from each college attended. Students transferring from other colleges are admitted on the same

basis, and following the same procedures, as students applying as freshmen, provided they have received an honorable dismissal from the school last attended. A student who has been dismissed or suspended from another school for disciplinary reasons must request that a letter be sent by the Dean of the school involved, detailing the reasons for the dismissal.

### **For Students Taking Classes for ACSI Certification/Recertification**

These students are teachers or administrators in Christians Schools who already hold a bachelor's degree. They are not applying to a degree program at Shasta Bible College and Graduate School; they are only applying to take course work in continuing education to satisfy the requirements of the Association of Christian Schools International (ACSI) for either certification or recertification. College credit will be recorded on their transcript. Application requirements are as follows:

1. Complete the Non-Degree Application (including transcript and reference).
2. Submit the \$50 Application fee.
3. Request official College transcript showing Bachelor's degree be sent to the Registrar.

### **Admission of International Students and Resident Aliens**

Shasta Bible College and Graduate School is authorized under Federal law to enroll nonimmigrant students. The college does not provide VISA services, but does provide the I-20 form to admitted international students for approval as F1 status.

International students who apply for admission to Shasta Bible College and Graduate School must:

1. Meet all requirements that pertain to U.S. residents
2. Submit an official record of their completion of the Test of English as a Foreign Language (TOEFL), the International English Language Testing System (IELTS), or Duolingo (<https://www.english-test.com/>). All international applicants must be able to read, write, speak, and understand the English language with a high degree of proficiency. Academic success for students at Shasta Bible College and Graduate School will depend on the level of fluency in English. Therefore, all applicants must take either the TOEFL, IELTS or Duolingo and have the scores submitted directly to the Office of Admissions. Applicants who do not meet a minimum English proficiency requirement will not be admitted. Exceptions to this requirement may only be made for students from Canada, Great Britain, New Zealand and Australia.

Minimum required score:

- a. Passing TOEFL score: Undergraduate and Graduate, 80 (internet based); all subscores, minimum 20.
  - b. Passing IELTS score: Undergraduate and Graduate, 7.0; all subscores, minimum 6.5.
3. Submit a personal photo and a photo of their current passport.
  4. Submit a Statement of Financial Responsibility which gives evidence of ability to meet the financial responsibilities of an education in the United States in United States

dollars. This includes, but is not limited to, round-trip travel, tuition, and room and board costs. (*Note:* This may be covered in part or in whole by point 4 below).

5. Submit an Affidavit of Sponsor with the name and appropriate contact information of a U.S. resident sponsor who agrees to take financial responsibility for the student. Evidence of financial ability of the sponsor must be submitted to the college in the form of current bank statements showing funds available for payment.
6. Shasta Bible College and Graduate School does not provide English Language services such as ESL, but does offer International Student Orientation the first semester. The student will arrive one week prior to New Student Orientation and be paired with a mentor who will help them adjust to studying and living in the states. The student will continue to meet with their mentor weekly to assure proper adjustment. There is a \$750 International Orientation Fee.

It is strongly advised that candidates for admission inquire as to testing dates well in advance of an anticipated matriculation date at Shasta Bible College and Graduate School.

**Student Status:** Foreign students are responsible to affirm their student status through VISA services and by presenting the appropriate VISA to the college registrar upon arrival on campus.

**Registration:** International students may register for classes only when full payment for one semester's tuition and room has been received, unless special arrangements have been made through the President's office.

**Employment:** International students admitted to the United States on a F1 Student VISA are required by law to be fulltime students, carrying a minimum of 12 units of academic work for undergraduate students and 9 units of academic work for graduate students. No off-campus employment is permitted without approval and written permission from the United States Immigration authorities. Such permission is seldom granted.

## Readmission

Students who withdraw from SBC&GS and have been gone for more than a twelve-month period must submit an update Undergraduate or Graduate Application.

## Provisional Status

Applicants may be granted provisional admission when the application has been submitted late, and classes will begin before the application materials can be officially processed. In such cases the student may not register for a second semester until the application has been completed and approved. The college cannot release transcripts until full admission has been granted.

Provisional admission status does not guarantee regular standing to applicants. A maximum of 16 units earned under provisional status may be applied to a certificate, or degree program at Shasta Bible College and Graduate School.

Financial Aid cannot be disbursed until provisional status has been resolved. Official transcripts cannot be released until provisional status has been resolved.

## Academic Probationary Status

Academic Probationary status may be granted to applicants with an insufficient academic background, and may be recommended to a tutoring program. Students admitted under probationary status will be reviewed by the Academic Committee at the close of each semester for a maximum of two semesters until probationary status is lifted. A minimum of 9 units must be completed before academic probationary status may be lifted.

Probationary status may be removed after one full semester in the following manner:

1. Upon review by the Vice President of Academics.
2. With satisfactory demonstration of acceptable academic proficiency.
3. With faculty approval.

## Ability to Benefit Criteria (ABC)

A college education is wonderful training for a successful and rewarding life. However, college education is not well-suited for everyone. Some people will have a much more successful and rewarding life by pursuing other avenues of life preparation. It is our intention at Shasta Bible College and Graduate School to admit only those students who give evidence of an ability to benefit from our educational programs and classes. We believe it would be unethical for us to accept tuition funds from those who give no evidence of an ability to benefit from our programs and classes.

An applicant's ability to benefit from education at SBC&GS is gauged by the following criteria:

1. Grade Point Average (GPA)

Grades are the standard, though admittedly imperfect, way of measuring student success. Grades can be imperfect due to several limiting factors: inconsistent grading standards employed by different teachers, the phenomenon of "grade inflation" observed in many schools, and the fact that some students simply don't "test well," even though they are benefitting from the educational experience. Nevertheless, a student's GPA is one objective means that can be employed in helping to understand an applicant's ability to benefit. Generally, a student with a cumulative GPA of 2.0 or better may be considered as having an ability to benefit. However, this is not an absolutely rigid standard. The 2.0 figure may be moderated by one of the following considerations:

- Improvement over time. A student may have a low cumulative GPA due to poor grades in earlier years, yet show improving grades in later years. The improvement may not have been sufficient to raise the cumulative GPA to the minimum, but it could represent a change in attitude, motivation, or lifestyle in the student's life that may indicate an improved ability to benefit from college education. In evaluating GPA the final cumulative figure will not always be the sole determining factor.
- Grade points within certain academic disciplines. Some students excel in certain academic disciplines while doing poorly in other disciplines. Most of the classes at SBC&GS are in the disciplines of literature, communications, humanities, social

science. An applicant's grades in science and math may have a negative impact on the total cumulative GPA while the student is capable of doing acceptable, or even exceptional, work in other disciplines. In evaluating an applicant's GPA it may be appropriate to weight grades in some disciplines more than grades in other disciplines.

## 2. Standardized Testing

Such standardized tests as SAT, PSAT, ACT, and GRE may be helpful in determining a student's ability to benefit. However, like with grades (see above), some students simply don't "test well." So, while standardized testing may be of some help in determining a applicant's ability to benefit, such tests do not provide an absolute "yes" or "no" answer to qualification for admission.

## 3. References

Applicants are required to provide references. We urge them to select pastoral (or other ministry leader), educational, and employment references in addition to others who may know the applicant well (excluding immediate family members). The references are asked to rate such areas as the applicant's "judgment and common sense," "perseverance," "teachability," "dependability," "quality of work," and "attitude toward superiors." The references are also asked to express in their own words: "What else do you think we need to know about the applicant?" The input from these references can form a valuable qualitative enhancement to the quantitative scores received from GPA and standardized tests and can be used at times to override a negative conclusion based solely on the quantitative scores.

## 4. Disability (physical, emotional, psychological, learning)

Some students have special needs due to a variety of disabilities. These may include physical disabilities (such as being bound to a wheelchair, or scoliosis causing an inability to sit for extended periods of time, etc.), emotional and psychological disabilities (requiring counseling or psychological services), and learning disabilities (requiring tutoring services, or special accommodations for test taking, note taking, etc.) SBC&GS does not have the resources available to meet all the needs of students with disabilities. Since we are a small college, it is possible at times for disabled students to receive individualized attention from professors and fellow-students. SBC&GS will always do everything we can to aid disabled students; however, this kind of support cannot be guaranteed. Some disabilities may constitute contraindications to admission.

### Failure to Meet Adequate ABC

If an applicant fails adequately to meet the college's ability to benefit criteria, the applicant should be counseled to seek other means of preparation for life. Such preparations may include:

- Trade School

- Personal Study (using such resources as libraries and the internet)
- Organized Bible Study through church or parachurch organization

If, after such counseling the applicant still insists that they would very much like to enroll as a student, two options are available:

1. The applicant may enroll as an auditor, taking classes for no credit. An audit fee is paid for each class taken for audit, and no academic transcript is generated.
2. In rare cases, the applicant may be admitted on academic probation. In such cases, the student on probation may take a maximum of only 10 units and must obtain a GPA of at least 2.0.

### **Transfer-credit Evaluation**

Credits earned at other colleges may be transferred and applied toward satisfaction of program requirements at Shasta Bible College and Graduate School under the following conditions:

1. An official transcript must be sent to the Vice President of Student Services from each school that the applicant has attended since high school.
2. Courses transferred must have a grade of C- or better.
3. Transfer credit will be granted for appropriate courses from accredited or recognized colleges and universities.
4. Appropriateness of content, level, and unit value are the guides used in transfer-credit evaluation.
5. Courses for which a corresponding course does not exist at Shasta Bible College and Graduate School may be granted elective credit.
6. A maximum of 32 units transferred from other colleges may be applied toward fulfillment of the requirements of an Associate of Arts degree at Shasta Bible College and Graduate School.
7. A maximum of 75 percent of the units or credit may be applied toward the award of a bachelor's degree at Shasta Bible College and Graduate School (5, CCR Section 71770(b)(1)).

Students wishing to transfer credit from Shasta Bible College and Graduate School to another institution should submit a signed transcript request to the registrar. Forms are available in the Student Services office and online.

“NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION” [Ed Code §94909 paragraph (15) of subdivision (a)] – The transferability of credits you earn at Shasta Bible College and Graduate School is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree, or certificate you earn in one of our educational programs is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an

institution to which you may seek to transfer after attending Shasta Bible College and Graduate School and Graduate School to determine if your credits will transfer.”

In addition to accepting transfer credit from accredited institutions, Shasta Bible College and Graduate School also maintains articulation agreements for transfer of credit from the following institutions:

- Jackson Hole Bible College, 3475 N Cheney Rd, Wilson, WY 83014
- Ethnos 360 Bible Institute, 915 North Hartwell Ave., Waukesha, WI 53186-5099
- Pacific Bible College, 28 S. Fir Street, Suite 212, Medford, OR 97501

### **Credit for Advanced Placement**

Credit will be granted for general education course requirements based on successful completion of Advanced Placement courses taken in high school as a part of the College Entrance Examination Board’s Advanced Placement Program, provided the student earns a score of 3 or better on the examination. No more than 30 units of credit may be granted for Advanced Placement. A student may receive no more than a total of 30 units’ credit by challenge exam, CLEP, AP, and Work Experience.

### **Credit for CLEP/DSST**

Students may receive credit for either the College Level Examination Program or the Defense Activity for Non-Traditional Education Support for general education requirements under the following conditions:

1. Credit will not be granted for general examinations.
2. A passing score will be determined by the Registrar.

No more than 30 units of credit may be granted for CLEP or DSST. A student may receive no more than a total of 30 units’ credit by challenge exam, CLEP, DSST, AP, and Work Experience. Application for credit for CLEP, DSST, AP or Work Experience must be submitted to the registrar prior to the beginning of the student’s senior year.

The CLEP/DSST institution code number for Shasta Bible College and Graduate School is: 4717

### **Credit for Prior Experiential Learning**

Students who have work experience in a field of learning included as a course in the academic curriculum should contact the Vice President of Student Services for an individual appraisal. Credit may be granted by the Vice President in consultation with the academic committee after a careful review of appropriate documentation. Denial of an application may be appealed to the Vice President of Academics. The experiential learning must be equivalent to a college level of learning and demonstrate a balance between theory and practice. The credit must relate directly to the student’s degree program. The granting of credit for experiential learning occurs only when the student is fully enrolled and has completed residence requirements. An administrative fee of \$30.00 will be required to process any credit given for experiential learning. No more than 3 units of credit may be granted for experiential learning. Credit for experiential learning will appear on the student’s transcript as a Pass/Fail course with a course

number of XXXCPE, where “XXX” represents either 2 or 3 letters representing the academic discipline to which the experience relates (e.g., BSCPE = Credit for experiential learning in Biblical Studies).

### **Student Classification**

Student classification is determined by the number of units completed by students toward their declared program at Shasta Bible College and Graduate School and not necessarily by the number of years a student has been in college. The following designations are applicable to students when they complete the minimal number of units:

<b>Class</b>	<b>Units</b>
Freshman	0-31
Sophomore	32-63
Junior	64-96
Senior	97+

### **Family Educational Rights and Privacy Act (FERPA):**

Shasta Bible College and Graduate School complies with the Family Educational Rights and Privacy Act of 1974 (The Buckley Amendment) which is designed to protect the privacy of educational records, to establish the right of students to inspect and review their records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. The College has adopted a policy which explains in detail the procedures followed for compliance with provisions of the Act. Copies of the policy are available in the Student Services Office.

Shasta Bible College and Graduate School considers the following information to be “Directory Information” which may be released without the student’s written consent:

- Name
- Address
- Phone Number
- Date and Place of Birth
- E-mail Address
- Photo
- Program in which he/she is enrolled
- School clubs or organizations to which he/she belongs
- Degrees, Honors and Awards he/she has been granted

No other information in the student’s file may be released without the student’s specific prior written consent.

*Note:* Though the college is legally permitted to release “Directory Information,” it is not required to. Staff exercise discernment in determining circumstances under which it may or may not be prudent to release such information.

Should a student want to request the non-release of all information, the student must request a Non-Release Information Form and return a signed copy to the Registrar's Office at 2951 Goodwater Avenue, Redding, CA 96002.

### **Policies on the Retention of Student Records:**

It is the policy of Shasta Bible College and Graduate School to maintain all records required by the Education Reform Act of 1989 for a minimum period of five (5) years, and all student transcripts permanently. Current and former students may request release of their transcript upon receipt in the Registrar's office of a written request with the student's signature. The current custodian of records is Mrs. Faith McCarthy. The phone number is (530) 221-4275. The records are maintained at 2951 Goodwater Ave., Redding, CA 96002.

### **Data Recording for the Bureau for Private Postsecondary Education:**

Uniform Data – Annual Report, Performance Fact Sheet

An annual BPPE Employment Report will be created and maintained by the Office of the Registrar that will include the following items required by the BPPE Title 5, CCR Section 74112:

1. The list of job classifications determined to be considered gainful employment for the educational program.
2. Student(s) name, address, phone number, email address, program completed, program start date, scheduled completion date, and actual completion dates.
3. Graduate's place of employment and position, date employment began, date employment ended, if applicable, actual salary, hours per week, and the date employment was verified.
4. For each employer from which employment or salary information was obtained, the employer name(s), address and general phone number, the contact person at the employer and the contact's phone number and email address, and all written communication with employer verifying student's employment or salary.
5. For students who become self-employed, all documentation necessary to demonstrate self-employment.
6. A description of all attempts to contact each student or employer.
7. For each student determined to be unavailable for graduation or unavailable for employment, the identity of the student, the type of unavailability, the dates of unavailability, and the documentation of the unavailability.
8. The name, email address, phone number, and position or title of the institution's representative who was primarily responsible for obtaining the students' completion, placement, and salary and wage data, the date that the information was gathered, and copies of notes, letters or emails through which the information was requested and gathered.

Since programs at SBC&GS do not lead to any type of state licensing, there is no data to report concerning license examinations and examination results.

A survey will be sent to graduates each applicable year asking for all of the required information to be submitted. Students will be contacted three times regarding completion of the survey and then will be considered unresponsive if no reply is given.

The above information will be used to create the Annual School Performance Fact Sheets which are given to students upon registration and also available on our website:

<https://www.shasta.edu/accreditation.html>.

## ACADEMIC POLICIES

### Academic Advisement and Registration

All new and returning students are advised by their assigned faculty advisor before registering for classes. The students will be guided in the selection and sequencing of required and elective courses appropriate to each student's career and life direction. Dates for registration are listed in the Academic Calendar in the front of the catalog. New students will be reminded by mail of the dates for registration.

Students must secure an appointment for advisement before registration. Their registration will be completed only upon full payment of tuition and fees, or upon securing approval for an extended payment program from the Financial Aid Director.

Students will receive credit only for those courses for which they are officially registered. Prerequisites listed for courses must be satisfied, unless waived by the instructor of the course and the Advisor.

While the faculty and administration of Shasta Bible College and Graduate School provide guidance to students in making progress toward graduation, it is ultimately each student's own personal responsibility to make sure that all graduation requirements have been met.

### Entrance Exams

Students in degree programs may be required to take entrance exams in mathematics and Bible upon matriculating at SBC&GS. Students who do not pass the mathematics exam with an acceptable score will be required to enroll in a preparatory course either at Shasta Bible College and Graduate School (when available) or at another approved institution. Students who do not pass the mathematics test may retake the test once during their first semester. Students who have transfer credit of a passing score in college level math are exempted from the mathematics exam. Students in the B.A. in Education program are also exempted from the mathematics exam, due to required mathematics courses in their program. The Bible exam is used as a standard of measurement to be compared with an exit exam administered during the student's senior year.

### Adding a Course

Students who desire to add a course to their program may do so prior to the end of the first week of a term with approval from their academic advisor, the Registrar, and the Director of Financial Aid. Upon rare occasion, a student may add a class at a time past the end of the first week, provided permission has been received from both the student's academic advisor and the professor of the class.

### Credit to Audit

To change a course registration from credit to audit, a student must contact the Registrar's office. Changes from credit to audit may be made without penalty prior to the beginning of the

third week of classes. After the beginning of the third week of classes, changes from credit to audit cannot be made.

### **Audit to Credit**

To change a course registration from audit to credit, a student must make a written request through email to the Registrar's Office prior to the tenth week of the semester. The student must make arrangements to pay in full the cost of the course. In such cases, the student must have been attending the class each week and not have more absences than allowed. The student must also have submitted to be ready to submit all required course work to the professor of the class according to the syllabus by the twelfth week of the semester.

### **Withdrawal from a Course**

Students desiring to withdraw from a course must contact the Office of the Registrar through an emailed request. Withdrawals will not be processed until a written request is received. Any refund is calculated from the day the written request is received pursuant to the Refund Policy under Financial Information. Students failing to follow this procedure will not be recognized as withdrawn or be entitled to a refund. Incomplete or failing grades will be recorded as an F if the student has not officially withdrawn. Verbal conversations about withdrawing or failure to attend are not recognized as official requests.

For standard 15-week courses, the first two weeks of a semester constitute the Add/Drop period. Courses dropped during this period will be removed from the student's record and will not appear on the transcript, nor will the student have any financial obligations for the dropped courses. From weeks 3-10, Students may withdraw from a course and receive a grade of W on their transcript. Withdrawing from a class after the 10th week will result in a grade of F or other earned grade. For courses offered on a non-standard (i.e., less than 15 week) schedule; dates for withdrawal will be figured on a rate corresponding to the length of the course. For non-standard classes, the add/drop period is proportional to the scheduled length of the course.

**Emergency Withdrawal:** In cases of medical or other administratively approved emergencies requiring withdrawal after the 10<sup>th</sup> week, a grade of W may be recorded on the transcript.

Withdrawal from a course may affect a student's financial aid awards and/or student visa status when the withdrawal results in a full-time student losing full-time status. Before making the decision to drop classes, students are encouraged to check their options with the Financial Aid Office. There are options to help them succeed.

### **Withdrawal from College**

Withdrawal from College can happen as either a Student Withdrawal or an Administrative Withdrawal. Student Withdrawals are initiated by the student during the course of the semester whereas Administrative Withdrawals occur when a student is unable or unwilling to carry out the Student Withdrawal procedure.

Any withdrawal from the College may affect a student's financial aid awards and/or student visa status when the withdrawal results in a full-time student losing full-time status. Before

making the decision to withdraw from school, students are encouraged to check their options with the Financial Aid Office. There are options to help them succeed.

### **Student Withdrawal from College**

Students withdraw for a variety of reasons such as family emergencies, illness, military service, and job relocation. It is the student's responsibility to initiate the official withdrawal process. To withdraw from the College prior to the end of the semester, a student must obtain, complete and return the Student Withdrawal Form, which may be obtained from the Office of the Registrar or found online under the Student Form section, and pay the \$50 withdrawal fee. The Student Withdrawal Form is only needed for a student withdrawing during a semester. If a student decides not to return for the subsequent semester, they will be automatically withdrawn after the Add/Drop period.

The Student Withdrawal and all applicable refunds will be granted on the date the form is returned to the Registrar. Failure to attend classes will not entitle a student to a refund unless the proper withdrawal procedures are followed. See Refund Policy under Financial Information.

From weeks 3-10, Students may withdraw from the College and receive a grade of W on their transcript. Withdrawing from the College after the 10th week will result in a grade of F or other earned grade. For non-standard (i.e., less than 15 week) semesters; dates for withdrawal will be figured on a rate corresponding to the length of the semester.

It is the student's responsibility to withdraw from the College. If a student fails to complete the required steps outlined above, they are subject to an Administrative Withdrawal.

### **Administrative Withdrawal for Academic Reasons or Non-Attendance**

Shasta Bible College and Graduate School expects students to actively engage in all enrolled for credit courses. This is defined on campus as attending every class meeting and diligently completing all learning activities (assignments, readings, quizzes, papers, etc.) for each enrolled course. This is defined online as engaging in the weekly discussion boards and diligently completing all learning activities (weekly assignments, readings, quizzes, papers, etc.). Failure to routinely complete assignments or attend class places students in jeopardy of being administratively withdrawn from the school at the end of a semester.

#### *The Policy*

The SBC&GS administration has the authority to withdraw a student from the College for failure to comply with academic requirements including, but not limited, to:

1. Failure to register in the subsequent semester. If the student does not register or respond to correspondence from the Office of the Registrar regarding registration in the upcoming semester, the student will be Administratively Withdrawn after the Add/Drop period. The last date of attendance will be the official withdrawal date.
2. Being absent from any course for the first two weeks of the semester without prior written approval. Written approval, generally via email, may be granted by individual faculty members or the Student Service's Office.
3. Demonstrating unsatisfactory academic and course engagement defined by one or more of the following as:

- a. For on campus courses: having missed an excessive amount of scheduled class time as defined by the SBC&GS Attendance Policy. This would exclude absences for college-related activities for which the student has communicated appropriately with each faculty member involved prior to the absence and arranged for the missed class time/assignments, etc.
- b. For online courses: failing to maintain routine login and academic engagement activity during each week for online courses as defined by the SBC&GS Online Attendance Policy.
- c. Violating learning contracts for students on academic probation.
- d. Not communicating with the professor and/or administrators explaining their lack of engagement. This includes lack of replies to outgoing communication from the professor and/or administrators.

If one or more of these requirements are deemed to be met by the Academic and/or Administrative Committee, an Administrative Withdrawal from the College will be administered. The student will receive the grade(s) for the class(es) they have earned. No grade of "W" will be given in the case of an Administrative Withdrawal. In order for a student to receive a "W" on their transcript, they must initiate and follow-through with the Student Withdrawal Policy.

Students who do not fulfill their obligations through appropriate academic and communication engagement risk being administratively withdrawn from the College. Withdrawals will not occur without sufficient warning and due notice to students. Students who are administratively withdrawn from the College:

1. Are responsible for all financial obligations related to the semester.
2. May experience changes in financial aid eligibility as a result of the withdrawal. Because financial aid eligibility is based on many factors, financial aid changes related to a withdrawal will vary. Students are responsible to know the effects poor choices related to their academic engagement may have on their financial aid eligibility and status.

*Procedures for Administrative Withdrawal for Academic Reasons:*

Faculty are responsible to provide clear information to students in writing, both in the syllabus and on Populi on the course page about their academic engagement expectations, including the SBC&GS Attendance Policy, which can also be found in the Catalog, the Student Handbook and on each Populi course page.

Students are responsible to know the expectations for course-work requirements and the Attendance Policy, including how attendance may affect their grade.

In the event that students have not fulfilled their obligation in appropriately completing coursework, engaging in online discussions and/or meeting attendance standards, the following steps may be taken:

1. Faculty contact the Office of the Registrar detailing the specific circumstances of the student's performance in a course(s). Generally, this should be done after two consecutive weeks of non-engagement or lack of communication from the student.

2. Faculty members should have written email documentation in Populi showing they have communicated their concern(s) directly to the student.

Because students have the option of appealing an Administrative Withdrawal, written record of notification directly to the student is essential. This written record to the student and to the Registrar must contain the last date of any recorded academic engagement for the student in question. This record may indicate the date of the last assignment received and/or the last date of student attendance in the course, as well as the last communication.

3. The Registrar shall review the notification and shall communicate a warning to the student as appropriate. This warning will be in writing via email detailing that the student must respond within 5 working days either that the situation has been rectified or that the student has begun Student Withdrawal. Lacking either of these student responses, the student will face Administrative Withdrawal at the end of the semester.
4. After a student receives a warning from the Registrar, “three options are available: (1) the situation is rectified between the student and the professor, (2) the student initiates Student Withdrawal, or (3) the student will face Administrative Withdrawal at the end of the semester.”
  - a. If the situation is rectified, the faculty member confirms with the Registrar that the situation is rectified. The Registrar places a note to the student’s permanent file detailing the communication.
  - b. If the situation has not been rectified within five working days, the student will be asked to initiate Student Withdrawal procedures. The student will be given in writing both the Student Withdrawal and the Academic Withdrawal Policies.
  - c. If the student does not respond to any of the communications from the Office of the Registrar by the end of the semester, the student will be Administratively Withdrawn at the conclusion of the semester.
  - d. The grade received will reflect the student’s efforts during the semester. No grade of “W” will be given in the case of an Administrative Withdrawal. Grades of “W” are only given when the student follows the Student Withdrawal from College Policy.
  - e. Copies of any notice of Administrative Withdrawal will become a part of the student’s permanent file in the Registrar’s Office.

Because SBC&GS affords students the right to appeal academic decisions, it is essential that professors and administrators maintain accurate and consistent records of academic engagement and communication from students throughout the semester.

Extenuating circumstances such as family emergencies and serious illness must be documented and may be taken into account.

*Student Appeals of Administrative Withdrawal:*

The student must initiate the process of appeal within ten business days of the end of the semester. The appeal must be made in writing to the Office of the Registrar, who will then send copies of the appeal to the professor, Vice President of Academics, Vice President of Student Services, and the Academic Committee. The Academic Committee will base the appeal decision on some or all of the following:

1. Review of the student's overall participation and performance in the course.
2. Review of the instructor's adherence to stated policies and procedures.
3. Meeting(s) with both the student and the instructor.

The decision of the Academic Committee will be communicated to the student, the professor involved, the Office of Financial Aid, the Office of the Registrar, in writing via email within ten business days of the final meeting of the appeal.

The decision of the Academic Committee will be final.

During the appeal process the student has the right, and obligation, to continue attending the class(es) in question.

**Administrative Withdrawal for Non-Academic Reasons**

Shasta Bible College and Graduate School may require a student to take an Administrative Withdrawal if there is sufficient evidence that the student is engaging in, or is likely to engage in, behavior that represents a real danger of harm to others, or behavior that substantially disrupts the learning environment and activities of the campus community. There are limits to the College's ability to care for students with serious physical or psychological conditions, and the College reserves the right to decide, in certain circumstances, when it cannot provide appropriate educational or other services to a student.

These policies and procedures do not take the place of disciplinary action associated with a student's behavior that is in violation of the student Lifestyle Commitment and/or Lifestyle Policy. This policy is only invoked in extraordinary circumstances, at the discretion of the Academic Committee along with the Student Life Committee, when the standard disciplinary system cannot be applied or is not appropriate. This policy may also be invoked when a student is unable, or unwilling, to request a Student Withdrawal.

Examples of extraordinary circumstances that are applicable to this policy include, but are not limited to:

1. Extreme illness or medical emergencies that physically prevent a student from continuing or requesting a student withdrawal
2. Suicidal threat or attempt that disrupts the living or learning environment on campus
3. Ongoing substance abuse or addiction
4. Serious threats of harm to others
5. Medical condition that endangers other members of the campus community
6. Behavior that is so odd or destructive that it disrupts the learning environment.

If possible, the College's first approach will be to discuss with the student, and his/her family, the possibility of a voluntary withdrawal and a plan for a successful return to Shasta Bible

College and Graduate School. If voluntary withdrawal is not pursued, the Academic Committee along with the Student Life Committee will then consider Administrative Withdrawal without the student's consent.

In emergency situations, Shasta Bible College and Graduate School reserves the right to do any or all of the following:

1. Consult with and refer the student to a mental and/or health care facility or provider (an area hospital, or licensed mental health or health care professional) for a mental health or other medical evaluation. The cost for any off-campus referral will be at the expense of the student
2. Remove the student from campus (including on-campus housing) until such time that a full mental health and/or medical evaluation is completed and the Academic Committee along with the Student Life Committee approves the student's return to campus.
3. Require the student to sign appropriate release forms allowing designated staff at Shasta Bible College and Graduate School to consult clinician(s) serving the student.
4. Refer the student to the Shasta Bible College and Graduate School judicial process if the student's behavior has violated any College policies or codes of conduct.

If along with the demonstrated disruptive behavior, the student experiences serious psychological difficulties that have become chronic, dangerous, or excessively disruptive, the Academic Committee along with the Student Life Committee may require the student to be assessed off campus by an appropriate mental health professional. The purpose of this assessment is to assure:

1. The student is safe to return to campus and does not pose a threat to others and is able to adequately care for him/herself.
2. The student is able to function both socially and academically and will not cause any disruption to the community or normal functioning of the College.

After receiving a written assessment, the Academic Committee along with the Student Life Committee will decide about the student's status, which may include the following options:

1. Immediate return to the campus, providing the student follows a plan for care with on or off-campus providers. Failure to follow the plan will result in immediate withdrawal from the College.
2. Student's return to campus deferred until additional assessment or treatment can be obtained.
3. Student's return to campus deferred indefinitely due to significant and specific concerns about continued danger to others and/or disruption to the community.

Written appeals must be submitted for review by both the Academic Committee along with the Student Life Committee, within ten days of being informed of this policy being implemented. A response will be issued by both committees within ten days of receiving the appeal. All decisions by the Academic Committee and Student Life Committee in these matters are final.

## Change of Academic Program

Although students are encouraged to select an academic program as early as possible, and to continue with it to graduation, it is possible to change from one academic program to another with the approval of the student's advisor. The student must make this request in writing using the Change of Academic Program Request Form and submit it to the Registrar. The date the request is received by the Registrar will be the official date of transfer.

## Academic Load

Although minimum full-time student status is 12 units in a semester, normal progress is considered to be 15-18 units a semester. Students are discouraged from taking more than 18 units in a semester. (More than 18 units may be taken only by special permission of the student's academic advisor.) One semester credit (unit) represents the equivalent of fifty minutes of class per week (i.e. one unit consists of 12.5 hours of faculty-student interaction based on a 50-minute class period) and assumes a corresponding one hundred minutes of homework for each fifty minutes of class for 15 weeks. For laboratory and practicum work, 2 hours of lab are assumed to be equivalent to one hour of class.

## Work-Study Ratio

Due to economic necessity, most students at Shasta Bible College and Graduate School work at least part time. When this responsibility is combined with the fact that many students are married with families, and that all full-time students are involved in intensive practical field training for ministry, it is obvious that many students live with demanding schedules and lifestyles.

In order to minimize the potential for overload and failure, it is important for students to plan wisely with the following facts in mind: (1) students should plan on spending an average of two hours in study outside the classroom for each hour spent in the classroom; and (2) students should plan on investing from three to six hours in field ministry each week.

A student registered for 15 units and working 20 hours a week should plan on the following time obligations:

In class	15 hours a week
Preparation and homework for class	30 hours a week
Work	20 hours a week
Field Ministry Training	5 hours a week
Total	70 hours a week

While some students are able to complete their studies in less time, it should be remembered that to be a successful student at Shasta Bible College and Graduate School requires dedication, diligence, and self-discipline.

## Attendance Policy

To stay in compliance with state and federal regulations, we are required to maintain accurate attendance records in all courses. Shasta Bible College and Graduate School expects students to actively engage in all enrolled for credit courses. Each student is allowed as many unexcused hours as credit hours for the course. A student is expected to attend all classes and not absent themselves without adequate cause. It is the responsibility of the student to make up scheduled work missed because of officially excused class absences. Unexcused absences from unannounced tests and other assignments may be made up at the discretion of the instructor.

It is the policy of Shasta Bible College and Graduate School to take attendance, both on campus and online.

### On Campus Attendance Policy

Attendance is defined on campus as attending in full every class meeting for each enrolled course. Unexcused absences will negatively impact a student's grade as follows:

- Classes that meet three times a week (50-minute sessions each):  
Students are allowed three unexcused absences for the semester.
- Classes that meet twice a week (75-minute sessions each):  
Students are allowed two unexcused absences for the semester.
- Classes that meet once a week (150-minute sessions each):  
Students are allowed one unexcused absence for the semester.
- Additional unexcused absences will result in the reduction of the student's grade at the rate of .33 grade points **per additional hour** of unexcused absences (e.g., reduction of an A to an A-, or an A- to a B+). Three tardies are treated as the equivalent of one unexcused absence.  
  
Example: Student has earned a grade of B-, but has accumulated 4 unexcused hours of absences and 3 tardies (equivalent of 5 unexcused absences). Resultant grade for the class will be a D.
- If a student misses two weeks of attendance, a Student Withdrawal or Administrative Withdrawal may be necessary.
- Modular or intensive courses:  
Students are expected to attend every session. Absences require special permission from the teacher and are left to their discretion.

A valid excuse for an "excused absence" is up to the discretion of the teacher; however, valid excuses normally encompass such unavoidable and/or emergency situations as severe illness, accident, or car breakdown on way to school. Excused absences are not granted for vacations, weddings, recreation, oversleeping, malfunctioning alarm clocks, work conflicts, etc.

If during the first two weeks of the semester, a student fails to engage in the class whether by missing classes, not turning in assignments, or not responding to communication from the

professor, they will automatically be withdrawn the last Friday of the add/drop period. The student will be contacted 24 hours before withdrawal.

### Online Attendance Policy

Due to the nature of online learning, attendance must be defined in a different manner than courses that meet on campus.

Attendance in online courses is documented mainly through the use of weekly online discussions due to the necessity for regular and substantive interaction. On occasion, they can also be documented by any or all of the following methods:

- Submission of weekly assignments
- Watching a lecture or listening to an audio file
- Completion of weekly assigned tests/quizzes
- Communication with the instructor regarding course-related issues. Communication can include visit, phone, email, or contact through Populi. Logging into Populi is not sufficient, by itself, to demonstrate academic attendance.

Students who fail to maintain active participation in an online course as defined will be contacted regarding possible Student Withdrawal or Administrative Withdrawal from the College and processed in accordance with the College's current attendance policy.

Online students are allowed one unexcused absence equal to one week. Absences more than one week without prior written approval from the professor will negatively impact a student's grade as follows:

- No credit will be given for the weekly online discussion. As this is a time sensitive assignment, no make-ups will be allowed.
- If in rare circumstances a different assignment is being used as attendance that week, there will be no credit received.
- Any additional assignments during the week missed may also receive no credit. This is done at the discretion of the professor.
- If a student misses two weeks of attendance, a Student Withdrawal or Administrative Withdrawal may be necessary.

If during the first two weeks of the semester, a student fails to engage in the class whether by missing classes, not turning in assignments, or not responding to communication from the professor, they will automatically be withdrawn the last Friday of the add/drop period. The student will be contacted 24 hours before withdrawal.

### **Grading System**

Grade	Explanation	Grade points per semester hour
A+ (98-100)		4.3

A (94-97)	Superior work, subject mastery	4.0
A- (90-93)		3.7
B+ (87-89)		3.3
B (83-86)	Good work, subject competence	3.0
B- (80-82)		2.7
C+ (77-79)		2.3
C (73-76)	Average work, subject familiarity	2.0
C- (70-72)		1.7
D+ (67-69)		1.3
D (63-66)	Poor work, subject awareness	1.0
D- (62)		0.7
F (61 and below)	Unacceptable work, subject failure	0.0
W	Withdraw	0.0
AUDIT	Course taken for noncredit	0.0
PASS/FAIL	Given for Challenge Examinations only	0.0

## Incompletes

The request for an incomplete must be initiated by the student and is given only with the instructor's permission. The Incomplete Request Form is available in the Registrar's office and must be used. Request must be turned in no later than the last day of class, completely filled out by both student and professor. On the form, the student indicates the nature of the incomplete and reasons for the request. If approved, the student has four weeks from the last day of class in which to complete and turn in the missing assignments. In extraordinary circumstances, such as extreme family or medical emergency, the VP of Academics, in consultation with the faculty member, may extend the deadline. Failure to complete whatever is necessary within the time limit will result in the student receiving 0's on remaining assignments.

## Grade Appeal

Students who question the appropriateness of the grade received for a course should contact the professor first. If, after contacting the professor, a student does not feel he has been treated fairly, he should contact the Vice President of Academics. After his meeting with the student and the professor, the Vice President of Academics will make a recommendation to the Academic Committee whose decision will be final.

## Repeating Courses to Raise Grades

A course may be repeated to raise a low grade but credit for the course does not accumulate. Both classes remain on the transcript, but the only the last letter grade earned by repeating a

course is used to compute the Grade-Point Average. Students in the Bachelor of Arts Degree programs must repeat any required course they fail.

### **Challenge Examinations**

In order to satisfy a course requirement where the student has proficiency based upon past studies or prior learning experience; challenge examinations may be given at the option of the College. In this case the student requests the examination in order to prove his proficiency in a required course. The procedure for a challenge examination begins with the Registrar and proceeds to the professor of the course. The student must register for the challenge exam and pay the \$50 challenge exam fee before taking a comprehensive examination on the course and completing any other requirements. The student will receive a grade of PASS or FAIL for the course on his transcript. This will not be computed in the Grade Point Average. A student may receive no more than a total of 30 units' credit by challenge exam, CLEP, AP, and Work Experience.

### **Independent Study**

Independent study is a learning experience which permits students to research one or more topics of importance under regular (but not constant) supervision by a faculty member. Courses are listed in the catalog that are designed for independent research, such as: BS 499, CE 499, CM 499, MUS 499, TS 499, and YM 499. These courses may be pursued for 1-3 units each. They involve counsel, assigned research, and submission of a paper on an approved topic as indicated in the course descriptions.

### **Directed Study**

Directed study is reserved for regular courses in the curriculum and involves the student in a close working relationship with the professor. This procedure is reserved for students who have scheduling difficulties that otherwise would delay their graduation. Courses pursued by directed study are provided at the same level of difficulty as the regular in-class course. The professor's course syllabus for a directed study must be approved by the Department Head.

### **Hybrid Classes**

A hybrid class is a variation of an on-campus class where either the professor, student, or both are present via online. Classes meet each week in real time during scheduled hours and all must be present (either physically in class or by audio/video online link) to be considered in compliance with attendance regulations.

### **Distance Education**

The Distance Education format of SBC&GS complies with California State Education Code §7171.d. Distance education courses are designed to be taken by students off campus, are appropriate for delivery through distance education methods, and do not normally involve traditional classroom attendance. Interaction between student and professor is facilitated through on-line student portal (Populi). The admissions process, conducted via online modalities provides SBC&GS with valuable data enabling the college to assess whether students

have the skills and competencies needed to succeed in distance education. Courses pursued by distance education are provided at the same academic level as the regular in-class courses and are specifically designed by trained faculty to utilize reliable, up-to-date technology. Satisfactory Academic Progress is monitored through regular record keeping maintained in Populi. All distance education classes must be completed in the same semester in which the class was begun. Though a class may be completed in less time than the 15-week semester, the class must begin and end within the 15-week semester. Course evaluations and Student Learning Outcome evaluations for distance education classes are conducted in the same fashion as for traditional on-campus classes. The privacy of students enrolled in distance education is protected through the use of on-line delivery formats utilizing secure login and password for electronic access in order to prevent unauthorized access to online learning. Professors are required to return responses and evaluations of all student lessons and projects no later than 10 days after their submission. SBC&GS maintains adequate faculty to assure that all course assignments are returned to the student in a timely fashion. Submission of all assignments and return of graded assignments is accomplished through Populi, thus ensuring the accurate maintenance of a reliable record of all submissions and returned assignments.

### **Scholastic Honors**

Undergraduate students earning a Grade Point Average of 3.0 to 3.49 each semester will be listed on the Honor Roll for that semester provided they complete 12 or more semester units of credit. Students earning a Grade Point Average of 3.5 or higher each semester will be listed on the Dean's List for that semester provided they are registered for 12 or more semester units of credit. Students earning a Grade Point Average of 4.0 or higher each semester will be listed on the President's List for that semester provided they are registered for 12 or more semester units of credit.

### **Academic Probation**

Undergraduate students at Shasta Bible College and Graduate School are expected to make satisfactory academic progress. If a student's cumulative Grade Point Average falls below 2.00, or if his semester Grade Point Average is below 1.00, he will be placed on Academic Probation. Students placed on Academic Probation will be allowed to register for a maximum of 10 units in the following semester and will be assigned to a faculty member who will provide special academic guidance and supervision. Unless otherwise required, "cumulative" is defined as "credits earned at Shasta Bible College and Graduate School." Transfer credits, non-credit remedial courses, withdrawals (unless withdrawal/F), and incompletes are not calculated in the cumulative GPA.

A student wishing to appeal placement on academic probation must submit a written request *through* the financial aid office *to* the Academic Committee as to why the student should not be placed on academic probation. The decision of the Academic Committee to the student's appeal is final.

Note that Academic Probation and Financial Aid Probation are different. A student may be placed on Academic Probation regardless of whether the student is qualified for federal

financial aid or not. A student on Academic Probation may not be qualified for financial aid, but may still be granted the ability to take classes under special circumstances. Other factors may be applicable for a student's eligibility for federal financial aid. The Financial Aid Office is the point of contact for all questions. Each case is considered on an individual basis.

**GRADUATE LEVEL ACADEMIC REQUIREMENTS:** Academic requirements for the graduate level are covered in the graduate section of the catalog.

**VETERAN POLICY STATEMENT:** A veteran or eligible person placed on probation for unsatisfactory progress shall be terminated if his or her cumulative grade point average remains below graduation requirements (2.0) after two semesters. If the veteran or eligible person is allowed to remain on probation beyond this period, he or she will have all veterans benefits terminated.

### **Academic Dismissal**

Students may be disqualified from attending Shasta Bible College and Graduate School through Academic Dismissal. If, after two semesters of being on Academic Probation, a student has not earned a semester Grade Point Average of at least 2.00, he will be subject to Academic Dismissal. All appeals should be made to the Academic Committee.

### **Graduation Requirements**

In order to graduate from Shasta Bible College and Graduate School, students must complete all academic and nonacademic requirements stated for their program in the catalog that was in effect at the time they matriculated. In the event of changes in catalog requirements, students have the option of continuing with the catalog requirements under which they originally enrolled or of changing to the new catalog requirements. Announcement of intent to follow new catalog requirements must be entered into the student's academic file in the form of a brief letter to the Student's Advisor. However, students must choose one option or the other and not some combination of the two. Once the choice is made, it is irrevocable. Courses completed at other colleges or universities and substitutes for specific course requirements, will be transferred and accepted as approved by the Vice President of Student Services. Other courses may be substituted for required courses only if approved by the Vice President of Student Services. In order to be eligible for graduation in the spring, students must complete all academic and nonacademic requirements. Furthermore, they must:

1. Have a cumulative Grade Point Average of at least 2.00 on all courses submitted to meet graduation requirements.
2. Satisfactorily complete all requirements by the end of the spring semester when they are to graduate.
3. Pay all debts to the College, including the graduation fee.
4. Pass any comprehensive examinations for their major field.
5. Submit Petition to Graduate to the Registrar by the end of the previous semester.
6. Be approved by the faculty as demonstrating Christian character qualities.
7. Complete a minimum of 32 units in residence, including at least 12 units in the student's major.

*Note:* Upon occasion, at the discretion of the Registrar, a student may participate in the graduation ceremony without receiving a diploma, if a maximum of 6 units is to be completed over the summer term for which the student has already registered at Shasta Bible College and Graduate School. Transfer units from other institutions do not qualify for this provision. Students who have not yet completed all course work will receive neither a diploma nor honors at graduation.

While the faculty and administration of Shasta Bible College and Graduate School provide guidance to students in making progress toward graduation, it is ultimately each student's own personal responsibility to make sure that all graduation requirements have been met.

Undergraduate students with Grade Point Averages of at least 3.40 will graduate with honors according to the following categories:

Summa Cum Laude	3.86 - 4.00
Magna Cum Laude	3.66 - 3.85
Cum Laude	3.40 - 3.65

Students who have taken a class for credit before, may audit the same class again once for free.

### *Housing Per Semester:*

Housing for single students	\$1500.00 per semester
Cleaning Deposit (refundable upon approval)	\$100.00

\*On campus housing is a privilege, not a right. Full time unmarried students have priority for placement in on campus housing. Dorms are reserved for students 25 and under. For single students over the age of 25 and married students, special permission may be given by the Administrative Committee to reside on campus. Married students can request occupancy as rooms are available at \$750 per month plus utilities.

Off campus housing in the proximity of Shasta Bible College and Graduate School includes both apartments and single-family dwellings. Rental prices for such housing begin at around \$900 for apartments and \$1400 for single family dwellings.

Resident hall occupancy during the summer months may be available by special arrangement with the Business Office.

### *Typical Undergraduate Semester Cost:*

---

For a student carrying a minimum full-time load (12 units\*) the following cost estimates emerge:

Tuition (\$425 per unit)	\$5,100
Fees (Non-refundable)	\$350

Total Typical Cost - \$5,450 per semester (\$10,900 per year). If a student takes classes on campus, the campus fees also apply. See list of fees above under *Special Fees per Semester*.

\*Note: For financial aid eligibility, 12 units is considered minimum full-time. To finish a degree at SBC&GS in the expected time frame, a student may need to average a higher number of units per semester. See the expected time frame for each degree.

### *Typical Graduate Semester Cost:*

For a student carrying a minimum full-time load (9 units\*) the following cost estimates emerge:

Tuition (\$425 per unit)	\$3,825
Fees (Non-refundable)	\$350

Total Typical Cost-- \$4175 per semester (\$8350 per year) If a graduate student takes classes on campus, the campus fees also apply. See the list of fees above under *Special Fees per Semester*.

\*Note: For financial aid eligibility 9 units is considered minimum full time. To finish a degree at SBC&GS, a student may need to average a higher number of units per semester. See the expected time frame for each degree.

## Payment of Options

Copies of the contract with expected financial aid will be sent by email to the student 2 weeks prior to the first day of class for the student's information and approval. The student then can choose a method of payment including payment upfront by the first day of class, federal loans or the SBC&GS Extended Payment Plan. If no payment is selected, loans will be added and the Director of Admissions will contact the person to get forms signed.

Charges for tuition and fees, including resident hall charges, are all due and payable by the first day of classes unless arrangements have been made with the Financial Aid Director.

To pay with federal student loans, the required forms and disclosures can be found on the Financial Aid tab on the SBC&GS web site at [www.shasta.edu](http://www.shasta.edu). Loan requests are granted by the Financial Aid Committee on a case-by-case basis.

The SBC&GS Extended Payment Plan is made available for a fee of \$100 per semester. The account must be at \$0 by the first day of the 15<sup>th</sup> week of the semester or arrangements made with the Financial Aid Office. If the account is not at \$0 by the first day of the next semester a 5% penalty of the remaining balance will be assessed by the business office plus a new Extended Payment Plan and \$100 fee will be applied regardless of whether the student is enrolled in the next semester or not. The student cannot enroll in the next semester until the account is less than \$1000. If the account is not paid by the end of the second Extended Payment Plan, the student's debt may be sent to a collections agency. Any exceptions or other arrangements are made on a case-by-case basis with the Business Office. The Extended Payment Plan is compliant with the California Educational Code 94916.

### NOTICE:

"YOU MAY ASSERT AGAINST THE HOLDER OF THE PROMISSORY NOTE YOU SIGNED IN ORDER TO FINANCE THE COST OF THE EDUCATIONAL PROGRAM ALL OF THE CLAIMS AND DEFENSES THAT YOU COULD ASSERT AGAINST THIS INSTITUTION, UP TO THE AMOUNT YOU HAVE ALREADY PAID UNDER THE PROMISSORY NOTE." (CEC §94916)

Students are not considered registered and may not be admitted to class until they have signed a financial contract with the Financial Aid Director or have made arrangements with the Financial Aid Director.

## Financial Suspension

Students who fail to meet their financial obligations may be placed on suspension until their obligations have been met or acceptable arrangements have been made through the Financial Aid Office. Failure to meet tuition obligations to the College will result in suspension or dismissal from classes. Students must have a financial balance of less than \$1,000 before they may register for the next semester. To qualify for the early registration discount, the balance must be fully met by the early registration deadline which is one month prior to the start of the next semester.

## Financial Dismissal

Students who demonstrate a consistent disregard for their financial responsibilities (i.e., tuition, resident hall fee, and other fees) to Shasta Bible College and Graduate School may be subject to eviction, suspension, and/or dismissal by the Administrative Committee. Their account may be sent to collections.

## Right to Cancel and Refund Policy

THE FOLLOWING DISCLOSURES ARE MADE IN COMPLIANCE WITH §94911(e)(1),(2),(3) OF THE CALIFORNIA EDUCATION CODE:

**BUYERS RIGHT TO CANCEL:** The student has a right under California Education Code, section 94810 (a)(7) to cancel his contract/agreement at any time and receive a refund in accordance with this institution's refund policy. The student must complete a withdrawal form expressing the student's desire for withdrawal or leave of absence. The forms may be obtained from the college Registrar's Office. The form should be completed by the student and returned to:

Registrar, Shasta Bible College and Graduate School  
2951 Goodwater Ave.  
Redding, CA 96002

The student can withdraw up until 4:00 pm on Friday of the second week of the semester and be refunded 100% of his fees and tuition. The census date for each semester is the Monday of the third week of school.

## Withdrawal from School

Students withdraw during a semester for a variety of reasons such as family emergencies, illness, military service, and job relocation. Withdrawing during the semester will affect your Financial Aid Satisfactory Academic Progress status and may affect funding you have received prior to your withdrawal. Because financial aid is earned per day, *you may be required to repay funds that you have received*. The Financial Aid office will calculate as of the day you withdraw what you have earned.

Students desiring to withdraw from school before the end of the semester must obtain a withdrawal form from the Registrar and return it to the Registrar's Office.

Failure to attend classes will not entitle a student to a refund unless the proper withdrawal procedures are followed. Please see the Withdrawal section in this catalog for full explanation. The date of calculation is the date that the form is completed and returned to the Registrar's Office. If a student decides to withdraw as an enrolled student before the end of the semester, there is a \$50 fee to pay for the required forms with the government through our third-party servicer, Campus Ivy.

The form can be obtained from the Registrar's office or online, and should be completed by the student and returned to:

Registrar, Shasta Bible College and Graduate School, 2951 Goodwater Ave., Redding, CA 96002.

A student may be entitled to a refund under the following guidelines, providing proper withdrawal procedures are completed. Students on the extended payment plan, who still owe part of their semesters' costs at the time of withdrawal, will have their refund deducted from the balance due. If the refund does not exceed the balance due, the student is responsible to repay the remaining balance. If a repayment is due, the student will not be able to register in a future term or receive financial aid until the outstanding balance is paid.

Before deciding to drop classes or withdraw from school, students are encouraged to check your options with the Financial Aid Office. There are options to help you succeed.

### **Withdrawing and Repaying Financial Aid**

If you withdraw from all your classes before the 60% enrollment period, you may owe money back to federal financial aid programs. This is known as "Return to Title IV", (R2T4), and it will affect Satisfactory Academic Progress, which will place you in either a warning or ineligible status. Based on the day you withdraw, the Financial Aid Office will ask our third-party servicer, Campus Ivy, to calculate any funds owed to the federal programs. There is a \$50 fee required for this service. Students are notified of required repayments. It is the responsibility of the student to repay funds due before they will be considered for further financial aid.

### **Refund Policy**

Shasta Bible College and Graduate School refunds 100% of tuition and fees through the close of business on the Friday of the second week of each semester. The form must be received by 4:00 p.m. The dorm charges are prorated for the number of days that a student is in residence.

Credit balances are paid for funds actually received. Tuition refund for students who have completed 60% or less of the course of instruction of any course shall be a pro rata refund. No refund may be claimed after 60% of the course has been completed.

A financial aid refund will be calculated based on the date the forms are completed and turned to the Registrar's Office. Compliant with the CCR 71750(c) "A pro rata refund pursuant to section 94919(c) or 94920(d) or 94927 of the Code shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows:

(1) The amount owed equals the daily charge for the program (total institutional charge, divided by the number of days or hours in the program), multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal."

**WITHDRAWING AND REPAYING FINANCIAL AID:** If you withdraw from classes before the 60% enrollment period, you may owe money back to federal financial aid programs. This is known as "Return to Title IV," (R2T4). Students receiving federal student aid must have the earned and unearned portion of student aid calculated at the time of withdrawal. The student is entitled to a refund on money not paid from federal student financial aid program fund. *Refunds will be made only on amounts actually paid.*

Notice that withdrawing can affect your Satisfactory Academic Progress (SAP) which will place you in either a warning or ineligible status for financial aid. Based on the day you withdraw; the

Financial Aid Office will calculate any funds owed to the federal programs and students are notified of required repayments. *It is the responsibility of the student to repay funds due before they will be considered for further financial aid.*

Should the student be a Cal Grant recipient, a refund to the source is calculated the same way that the federal calculations are made as delineated above.

Should a student have Veteran's benefits and withdraw as a student (not on deployment), a refund to the source is calculated the same way that the federal calculations are made as delineated above. Veterans on deployment are encouraged to contact their professors for arrangements with an incomplete so that the classes can be completed under that provision.

### **State of California Student Tuition Recovery Fund:**

#### Student Tuition Recovery Fund Disclosures (§5 CCR 76215(a))

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

(b) In addition to the statement required under subdivision (a) of this section, a qualifying institution shall include the following statement in its school catalog:

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225, Sacramento, CA 95834, Sacramento, CA 95833, (916) 547-8900 or (888) 370-7589 or by fax (916) 263-1897. Website address: [www.bppe.ca.gov](http://www.bppe.ca.gov).

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120-day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120-day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by

the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.

4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

## **Financial Aid**

In order to offset some of the cost of attendance, Shasta Bible College and Graduate School participates in Title IV Federal Financial Aid grant programs for all eligible students. These programs include the Federal Pell Grant, FSEOG Grant, Federal Work Study and Federal Direct Loans. SBC&GS also administers the Cal Grant program for students who have received an award. Veteran’s aid is also disbursed through the Financial Aid Office as well as any awards from the Bureau of Indian Affairs. All programs are from either the state or federal government and are administered through the Financial Aid Office.

Basic to the philosophy of education of Shasta Bible College and Graduate School is the conviction that Christian higher education should be oriented to the divine scriptures, the Bible, finding in its frame of reference a basis for the integration of all knowledge. As such, we believe that financial irresponsibility is unacceptable in Christian leadership. While it may be necessary to take out federal loans to complete school, we do not encourage our students to incur any unnecessary debt.

While the application as a student to SBC&GS and financial aid application are two separate processes, students must be admitted to SBC&GS before any financial aid will be guaranteed.

The financial aid application, the Free Application for Federal Student Aid (FAFSA), is free and easy. It is to be completed online. The FAFSA application does take time to be processed through the federal processor. The FAFSA can be processed as long as the student is attending school but students are encouraged to fill out a FAFSA as soon as possible so that any grants are processed in the appropriate time frames.

### **Financial Aid Programs:**

**FSA ID:** The first step in the electronic application process is to obtain an FSA ID. An FSA ID is a username and password that you must use to log in to certain U.S. Department of Education (ED) websites. Your FSA ID identifies you as someone who has the right to access your own personal information on ED websites such as the *Free Application for Federal Student Aid (FAFSA)* at <https://studentaid.gov/h/apply-for-aid/fafsa>.

Parents of a *dependent students*, will need their own FSA ID to sign their child's FAFSA electronically. If you have more than one child attending college, you can use the same FSA ID to sign all applications. *Please note: Each FSA ID user must have a unique e-mail address.* Your FSA ID is used to sign legally binding documents electronically. It has the same legal status as a written signature. *Don't give your FSA ID to anyone—not even to someone helping you fill out the FAFSA.*

**FAFSA:** The Free Application for Federal Student Aid will ask questions regarding your education plans, financial information and schools to send your information. This information will assist the Financial Aid Office to determine your eligibility. A worksheet can be downloaded to help you through the process. [studentaid.gov/help/fafsa-worksheet](https://studentaid.gov/help/fafsa-worksheet). Shasta Bible College and Graduate School accepts the FAFSA as the primary needs analysis document for determining Pell Grants, FSEOG grants, Federal Work Study awards and institutional need-based awards. *To aid in the verification process it is recommended that all students use the IRS Retrieval Tool when filling out the FAFSA.*

SBC&GS's Federal School Code: 016802

**Verification:** After the FAFSA has been completed, sometimes, other information may be required by the federal government to be verified. *To aid in the verification process it is recommended that you use the IRS retrieval tool.* Shasta Bible College and Graduate School may request a copy of your federal tax transcript, W2s, and other supporting documents. The student will not be able to receive any federal financial aid until this process is completed. If a student's document file is not completed, institutional financial aid may also be cancelled.

*Note:* until the verification process has been completed, any financial aid award given is an estimate only. Students are asked to submit documentation as early as possible in order to receive a finalized contract. *Please contact the Financial Aid Office to verify which verification worksheets and what documentation may be required.*

Shasta Bible College and Graduate School uses a third-party servicer, Campus Ivy, to manage and process all federal aid.

Financial Aid is not disbursed until verification has been successfully completed and a student is fully accepted into a degree program.

**Selective Service Registration:** Federal regulations mandate that persons who are required to be registered for the Selective Service must do so before they can apply for and/or receive federal financial aid. Your application information will be compared against the Selective Services department records by a computer data link; discrepancies must be resolved before the student can receive financial aid.

**Expected Family Contribution (EFC):** The FAFSA application calculates an EFC for each student. To do so, it uses the federal methodology to look at income, asset values, household size, etc., and assesses each family's ability to pay.

Financial Need is calculated in the following way:  $COA - EFC = \text{Financial Need}$

All need-based aid must fit within a student's Financial Need. This includes aid awarded by the federal government, state, Shasta Bible College and Graduate School, and/or outside organizations. Because federal regulations prohibit awarding financial aid in excess of a student's eligibility or above the cost of attendance, aid that was originally in a student's package may need to be reduced or replaced.

**Cost of Attendance (COA):** The COA is comprised of Shasta Bible College and Graduate School's tuition, residential costs, and state averages of transportation personal expenses, books, supplies, etc. Each student's total aid package (scholarships + grants + loans + work-study + outside resources) must fit within the COA. The Financial Aid Office will determine the exact COA. This amount can be seen on the student's Populi. Please refer all questions to the Financial Aid Office.

**Distance Education Eligibility:** Students taking courses via distance education may qualify for federal aid as any student on campus.

#### **TYPES OF FEDERAL AID:**

**Federal Pell Grant:** This grant is aid that is given based on financial need and does not have to be repaid. It comes from the U.S. Government based on the outcome of your FAFSA. It is a need-based program designed to assist low-income families. It is the first type of assistance for which all students are evaluated based on the family's ability to pay. The maximum Federal Pell Grant for 2023-24 school year is \$7,395 based on full-time enrollment. Students on a part time curriculum receive a prorated amount. Students with an EFC of 0 through 6,656 will receive some portion of a Federal Pell Grant.

**Federal Supplemental Education Opportunity Grant:** This grant is federal and institutional money used to the extent of available funds to assist students who have high need. Generally, high need is determined by the student's Federal Pell Grant eligibility. Minimum grant is \$100. These grants are awarded by the Scholarship Committee by August 1, for the fall semester, December 15 for the spring semester, and April 15 for the summer semester.

**Federal Work Study:** A limited number of on-campus jobs are available to assist students who are able to work to earn a portion of their financial aid. Students are paid California's minimum wage and work a minimum of 3-5 hours per week. Where possible, jobs are designed to be in

line with a student's educational goal. All students desiring to apply for FWS must mark on their FAFSA that they are interested in a work study program. These students will receive priority in the hiring process. Not all requests can be granted. The Financial Aid Committee meets after August 1 to match the requests for student employees with the applicants and their skills.

**Federal Direct Loans:** The Financial Aid Director administers the federal student loan program available to eligible students from the federal government. If a loan is obtained to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest. If the student is eligible for a loan guaranteed by the federal government and the student defaults on the loan, both of the following may occur:

- The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the student is entitled to reduce the balance owed on the loan.
- The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid or satisfactory repayment arrangements have been made.

SBC&GS administers the requests and distribution of subsidized and unsubsidized loans for students. The parents of undergraduate students may also take out educational loans called PLUS loans. All documents are handled by the third-party servicer, Campus Ivy.

The Financial Aid Committee has the right to limit the size of loans on a case by case basis.

All needed forms for requesting a federal loan can be found on the SBC&GS website on the Financial Aid Page. Also available on the website is the Policy and Procedure document for loan requests.

By policy, the Financial Aid Office does not order loans until after the end of the add/drop date after the start of each semester.

SBC&GS complies with the Department of Education's statement that "The school cannot require the borrower to participate in arbitration or any internal dispute resolution process offered by the institution prior to filing a borrower defense to repayment application with the Department pursuant to § 685.206(e); the school cannot, in any way, require students to limit, relinquish, or waive their ability to pursue filing a borrower defense claim, pursuant to § 685.206(e) at any time; and any arbitration, required by a pre-dispute arbitration agreement, tolls the limitations period for filing a borrower defense to repayment application pursuant to § 685.206(e)(6)(ii)."

*Special Notes:* We believe that financial irresponsibility is unacceptable in Christian leadership and do not encourage our students to incur any unnecessary debt. That debt creates a future obligation obstructing one's choices to be called into an occupation which may lead to a life style of minimum compensation. As an institution we recognize and inform students that federal loans may be more favorable than private education loans. To that end, we establish our tuition which is manageable provided a student is responsible with the resources available to them.

**OTHER TYPES OF AID:**

**Cal Grant Programs:** If you graduated from a California high school and meet the eligibility criteria, you may be eligible for a Cal Grant Entitlement award. Cal Grant Entitlement awards are guaranteed for every qualified high school senior or recent graduate who applies by March 2; Cal Grant Competitive awards are for other qualified students who are high school seniors or recent graduates based on a competition. Cal Grant Competitive awards are limited.

Home schooled students: Home schooled students may qualify for Cal Grant programs by filling out a FAFSA by the March 2 deadline and having SAT, ACT or GED scores submitted to the California Student Aid Commission before the March 2 deadline. The SAT, ACT, or GED scores are used in lieu of a GPA. The student must have their own Web Grant account and use the CSAC forms.

Students who have been awarded a Cal Grant should check with the Financial Aid Office as soon as possible to make sure they are receiving the correct grant. Forms are available from the Financial Aid Office to change a Cal Grant B to a Cal Grant A if you are eligible for either grant.

A student must be enrolled in a degree program to qualify for a Cal Grant. The Certificate program does not qualify.

**Cal Grant A** Entitlement awards are guaranteed for every graduating California high school senior who has at least a 3.0 grade point average, meets the requirements and applies by March 2 of their senior year or within one year of graduating. The application requires the FAFSA and the Cal Grant GPA form. This award pays for tuition and fees. To apply for a Cal Grant, submit the FAFSA as soon as possible no later than the postmarked deadline of March 2. You must also submit a verified Cal Grant GPA (or GED, SAT or ACT test score if you don't have a GPA) to the California Student Aid Commission by the March 2 deadline. Additional information regarding Cal Grant awards can be found at [www.csac.ca.gov](http://www.csac.ca.gov).

Cal Grant A Competitive awards are for other eligible California students who have at least a 3.0 Grade Point Average, meet the requirements and apply by March 2. Selection is based on a composite score that takes into consideration your GPA, family income, time out of high school, parents' educational levels and other factors such as whether you come from a single-parent household or you are or were a foster youth. The award for 2023-24 is \$9,220.

**Cal Grant B** is for low-income California students who have at least a 2.0 Grade Point Average. The award for most first-year students is \$1,648 and may be used for books, living expenses and transportation as well as for tuition and fees. When renewed or awarded beyond the first year, the remaining three years is \$10,868 per year.

Cal Grant B Entitlement awards are guaranteed for every California high school senior who has at least a 2.0 GPA, meets the requirements and applies on time.

Cal Grant B Competitive awards are for other eligible students who have at least a 2.0 GPA and apply on time. Selection is based on a composite score that takes into consideration your GPA, family income, time out of high school, parent's educational levels and other factors, such as whether you come from a single-parent household or you are or were a foster youth.

All Cal Grant recipients must maintain at 2.0 GPA in order to remain eligible to receive the grant. The federal guidelines for Satisfactory Academic Progress are followed.

Cal Grant A and B awards are limited to 4 academic years. Students need to take 15 units per semester in order to graduate within 4 years. AB2248

Should a Cal Grant recipient withdraw from classes before the 60% enrollment period, the student may owe money back to the Cal Grant program. A prorated amount will be returned to the state using the same daily formula as used for Pell Grants.

**Chafee Grants for Foster Youth:** Up to \$5,000 a year for college is available if you are or were a former foster youth. To apply, you must file the FAFSA and the California Chafee Grant Application which is available online at [www.chafee.csac.ca.gov](http://www.chafee.csac.ca.gov).

**Bureau of Indian Affairs:** Students who have native American heritage should check with their tribe for financial aid help. Most tribes offer student grants. The Financial Aid Office will work with each student with their tribe and scholarship counselor.

**VETERAN Benefits:** Honorably discharged military service members can be receive earned educational benefits by working with the Financial Aid Office. The Financial Aid Office is the contact point for all service members. SBC&GS also offers the Yellow Ribbon award to those qualifying service members.

**Insurance Disability Benefits:** Some students have received vouchers from their insurance companies for educational and retraining benefits from accidents. The Financial Aid Office will work with each student and their advocate for receiving those benefits to pay for education.

**California Department of Rehab:** SBC&GS is authorized to administer your award from the state if you are eligible for benefits. See the Financial Aid Office for information.

**Other forms of aid:** The Financial Aid Office is willing to work with students to obtain other forms of aid available to the student. Students are encouraged to make an appointment with the Financial Aid Director as soon as possible.

**SBC&GS Scholarships:** Shasta Bible College and Graduate School offers a limited number of scholarships. Forms can be found on the website: <http://www.shasta.edu/financial-aid.html>. The scholarships offered by SBC&GS will be applied towards the student's tuition expenses. There is no cash value and cash will not be paid to the student. Should the student's expenses be covered by other assistance, the award may be carried forward to the next semester of study (one semester only). Scholarships fall into categories of Undergraduate and Graduate degrees. See more information on following pages.

### **INFORMATION FOR VETERAN STUDENTS:**

Shasta Bible College is approved as a degree-granting institution for the attendance of veterans.

The VA has approved "all standard degree programs for approval effective 8/01/2011" to train students who are using VA education benefits.

Note that One-year Certificate programs and three-year Diploma programs are not included and are not approved by the VA. The Secondary Bachelor of Arts in Biblical Studies is not included with this approval. Individualized Distance Education courses are approved when

applicable to the Associate of Arts in Early Childhood Education only. They do not apply to the Certificate in Early Childhood Education. Veterans, or adult re-entry students and others with special circumstances will be given special consideration for admission when it is determined that they do, in fact, have the potential for satisfactory college work.

All college transcripts are evaluated for possible units that can be transferred. Veterans can also apply for credit for work. See the catalog specific information related to Credit for Work Experience under Admissions Policies.

- Chapter 31<sup>®</sup> – VA Vocational Rehabilitation<sup>®</sup>
- Chapter 1606<sup>®</sup> – Selected Reserve<sup>®</sup>

Shasta Bible College and Graduate School is a Yellow Ribbon<sup>®</sup> participating school. Veterans who are eligible under the Post-9/11 G.I. Bill<sup>®</sup> at the 100% benefit rate can apply for the Yellow Ribbon Scholarship. This program is available to an unlimited number of undergraduate students. Shasta Bible College and Graduate School will contribute \$500 on behalf of the individual in the form of a Yellow Ribbon Scholarship and the VA will match that contribution. The student will receive \$1000 per academic year and all subsequent academic years in which the student is eligible for military benefits and the student maintains satisfactory progress and continuous enrollment.

Veterans or dependents of veterans who plan to enroll at Shasta Bible College are encouraged to contact the Financial Aid Office, Mr. Tom Adams (530-221-4275 x 30) as soon as possible in order to make necessary arrangements with the Veterans Administration.

For information on how to apply for education benefits, GI Bill<sup>®</sup>, and payment rates, visit US Department of Veterans Affairs at [www.gibill.va.gov](http://www.gibill.va.gov) or call (888) 442-4551.

Veterans are eligible to apply for Pell Grants and Federal Work Study programs in addition to their VA benefits. They are encouraged to fill out the free federal application found at <https://studentaid.gov/h/apply-for-aid/fafsa>.

Retired veterans are honored by Shasta Bible College and Graduate School with a 25% tuition discount after all other aid has been considered. See the application for institutional aid on the financial aid page at [www.shasta.edu](http://www.shasta.edu).

Honorably discharged veterans who have used all of their eligible educational GI Bill<sup>®</sup> assistance can receive a 10% tuition discount. See the application for institutional aid on the financial aid page at [www.shasta.edu](http://www.shasta.edu).

Notice to Veterans: Veterans are required to make satisfactory academic progress each semester as with other federal aid. See the section in this catalog for specific information about Satisfactory Academic Progress.

Should active duty require you to be away, reservists are advised to make arrangements with their individual professors as soon as possible. All accommodations possible will be made. If an incomplete is necessary, the student should contact the registrar's office for the proper form.

Since GI Bill® benefits are based entirely on the number of units for which you are registered, it is imperative that you contact the Certifying Official in the Financial Aid Office anytime you add or drop units. In addition to the tuition benefit of the Yellow Ribbon® program, students may also be eligible for other benefits. In order to receive the monthly housing allowance, you must be enrolled for 7 or more units per semester.

For further general information concerning VA benefits see the following link: [Info for Veterans](#)

### **SATISFACTORY ACADEMIC PROGRESS**

There are two forms of Academic Progress: Institutional and Federal Financial Aid. The institutional standard requires that in order to graduate an undergraduate student must have a cumulative GPA of 2.0. (Graduate level requirements are different. Please see the graduate portion of the catalog.) All exceptions are considered by the Academic Committee. Two semesters in a row with less than a 2.0 are considered grounds for an academic dismissal. A student can make an appeal to the Academic Committee. The Committee's decision is final but can include a Probation Contract, a limited number of semester units, a tutor, or oversight by an academic advisor among other options.

Financial Aid recipients (including VA benefit recipients, and CalGrant recipients) are also required to meet academic requirements. This standard is called Satisfactory Academic Progress (SAP). The Financial Aid Office monitors SAP at the end of every semester. Three standards are used: GPA, PACE (units attempted vs. units completed) and Quantitative (time-related). *You must meet the minimum requirements of all three standards to receive federal and state financial aid.* When you receive a 'W' (withdrawal) it signifies a lack of progress towards your academic goal and will affect your GPA based, PACE and time-related progress.

#### **Federal Financial Aid Requirements:**

All students receiving federal aid must meet the standards of all three of the following categories:

1. Cumulative GPA of classes taken at SBC&GS
2. Pace of Completion
3. Quantitative SAP

**CUMULATIVE GPA BASED:** Undergraduate students must make a minimum *cumulative* grade point average each semester of no less than 2.0. A 2.0 is equivalent to "C" level work.

Graduate students must make a minimum cumulative grade point average each semester of no less than 2.5 or C+.

CAL GRANT and VA recipients must maintain the same standards

**PACE:** All coursework completed will be included in the evaluation of Units Attempted versus Units Completed. This includes 'W' (withdraw) and 'F' (failure) grades. An 'F' (failure) grade may

be repeated and funded one time. Units Completed will be divided by the number of Units Attempted. When the percentage of units attempted versus units completed is 67% or above the student has met the requirements for PACE. Less than 67% completed is considered not making PACE. PACE will be evaluated at the end of each semester. All semesters will be included in the calculation of SAP even periods of non-funding including summer semesters. All coursework completed at prior institutions that is transferred to the SBC&GS degree will be included.

**QUANTITATIVE:** The maximum number of units a student can be awarded financial aid towards their academic goal is 150% of their stated program of study. Time-related SAP will be determined by major. Changing majors will impact your ability to complete your education with Financial Aid funding. Please note that very few majors will exceed the 192-unit limit and the Bible certificate programs will be substantially less. All units from prior institutions will be included in the unit count. If it has been determined that a student can't mathematically finish their program of study within the allotted time frame (150%) they will become ineligible for Financial Aid. It is suggested when the student has completed 67% towards their stated major they review their academic standing with their supervisor to correct any deficiencies in their coursework prior to using all their financial aid funding. It is at the discretion of the Financial Aid Office to request an Academic Plan from the student's supervisor.

- Example: An BA degree requires 128 units. 150% would be 128 units (100%) plus 64 units (50%) for a total of 192 units (150%) to finish your BA degree.
- Example: A certificate program that is 34 units in length would allow up to 51 units to be completed OR 34 units (100%) plus 17 units (50%) for a total of 51 units or 150%.

**Units from other Colleges/Universities:** *Units from other colleges/universities that are degree applicable will be included in your maximum time-related calculation.* BE AWARE! Changes made to your major will not change the time related SAP, PACE or QUANTITATIVE requirements and may limit future funding. If you have already completed a college degree, you are not eligible for further funding. Graduate students are eligible for Federal Unsubsidized Loans.

**Frequency of Progress and Goal Review:** *We assess at the end of each semester. The student must meet all SAP standards to maintain eligibility.* For example, if you enroll full time and drop half of your units after the add/drop deadline, you are not meeting the PACE standards even if you are meeting the GPA based standard. Continuing this pattern of dropping coursework will result in not completing your program of study within PACE or QUANTITATIVE SAP as well.

**What if you don't make SAP?** Sometimes unexpected events prevent you from passing classes, dropping a class, or withdrawing during the semester which results in unsatisfactory academic progress. The first semester you fail to make SAP will result in a *warning*. You will be eligible for one additional semester of funding in a *warning* status. During this semester it is possible to clear the *warning* status by successfully completing the semester with SAP.

If the *warning* semester results in a lack of SAP future financial aid funding will cease unless the Faculty Committee and the Financial Aid Committee grant a *Probation* semester.

**MILITARY DEPLOYMENT:** Students who have been deployed for military reasons may have the *warning* status removed upon return with adequate documentation.

**Regaining Financial Aid Eligibility:** After two unsuccessful semesters of using financial aid but without passing SAP, a student may continue financial aid eligibility by filing a one-time *Probation Appeal* with the Financial Aid Office. This appeal will be first taken to the Faculty Committee to approve any granting of an Academic Probation before a Financial Probation can be considered.

Upon review and approval of your appeal an academic plan will be implemented between the Financial Aid Office and the student. This will be a signed contract and failure to comply will immediately disqualify the student from ALL future funding. Adequate consideration will be given to all appeals. The appeal process is available one time and not subject to re-appeal if denied. All decisions of the Financial Aid Office are final. The student will be notified in writing regarding the decision of the Financial Aid Office. Upon acceptance and approval of the signed Academic Plan the student will be placed on Probation Status with the Financial Aid Office. Subsequent semesters with failure to comply with the Academic Plan or failure to make SAP will result in all future Financial Aid terminated without opportunity to appeal.

**Appeal Process:** Situations that may be considered for an appeal relate to the student or their immediate family members only. These situations must be extenuating emergency situations such as: death of immediate family member or extreme medical emergencies. The written appeal must include reason for lack of SAP and what steps the student has taken to correct the situation satisfactorily. The semester following the Ineligibility Status will not be funded. An appeal may be submitted *one time only* by the deadlines of 15th of either October or March following the semester the student became ineligible. Appeals submitted after this date will be reviewed the following semester. If the appeal is approved the student will be required to sign an Academic Plan contract authored by the Financial Aid Director and personalized to assist the student in making SAP and maintaining PACE. During the time the student is under the contract of the Academic Plan the student will remain on Probation. Upon successful completion of the Academic Plan the student will return to normal standing. Should the student not make SAP in the future the student will again be placed in Warning Status with one additional funding of financial aid. No additional appeals are accepted.

The Appeal Form is available from the Financial Aid Office and student page online at [www.shasta.edu](http://www.shasta.edu)

### **Academic Plan**

The Financial Aid Director will request an Academic Plan from the student's supervisor designed to assist the student in successfully completing their elected program of study within a prescribed time frame while successfully maintaining SAP. The Academic Plan must be followed by the student to prevent future disqualification from Financial Aid. This will be a signed contract between the student and the Financial Aid Office. SAP will be reviewed at the end of each the semester to determine compliance with the Academic Plan as well as SAP. The Academic Plan cannot exceed the allowed time frame of 150% plus units for a given program. The student will stay on Probation Status for the length of the Academic Plan at which time the student will return to normal standing provided they have continued to follow the Academic Plan and make SAP.

## Code of Conduct

As an employee at Shasta Bible College and Graduate School, the Director of Financial Aid will maintain the moral and spiritual ideals of the College, render respect to members of its faculty and students and conform to its social, academic and spiritual requirements, and recognize his responsibility to live an exemplary Christian life in keeping with the admonitions of Scriptures.

## Conflicts of Interest Defined

As an employee, the Director of Financial Aid will not place myself in a position to determine or influence college business decisions which may result in personal material benefit. In the event of perceived conflicts of interest, the Director of Financial will present a written disclosure statement to the Executive Committee for resolution and representation to the Board of Trustees; or make a personal statement to be recorded in the minutes at a meeting of the appropriate committee or subcommittee.

## School Affiliated Organizations

Shasta Bible College and Graduate School is not affiliated with any organizations that derive or gain any benefit from the student loan industry.

SBC&GS does not have any preferred lender arrangements.

## Scholarships and Awards

Shasta Bible College and Graduate School is eligible to participate in the following Title IV programs: Federal Pell Grant, Cal Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Direct Subsidized and Unsubsidized loans, PLUS Loans and Federal Work Study (FWS).

Shasta Bible College and Graduate School offers institutional scholarships and awards. To be considered for the following scholarships and awards, you must file a FAFSA. Any Title IV funds must be applied toward a student's tuition before SBC&GS scholarships will be calculated. Institutional Scholarships are not refundable as cash. If outside funds cover the cost of the semester, institutional scholarships are not needed and are not awarded though they may be eligibility.

### *Deadlines*

The deadlines for consideration by the Scholarship Committee for all grants and institutional awards is August 15 for fall semester, December 15 for spring semester, and April 15 for summer semester. The FAFSA must have been received and verified by the deadlines.

### *Application*

The awarding of institutional awards requires the submission of the SBC&GS Scholarship Application by the student *each* academic year the scholarship is awarded. Granting of the scholarship is contingent *each term* upon meeting *Satisfactory Academic Progress* and approval

by the Scholarship Committee. Forms can be found on the website: [www.shasta.edu](http://www.shasta.edu). Click on the financial aid tab and look for the application on the right-hand side of the page.

### *Policies*

The Scholarship Committee can award up to 30% of tuition with a combination of institutional grants. Exceptions of greater than 30% the Talents for Christ National discount. Other exceptions must be approved by the President's Office.

Shasta Bible College and Graduate School offers a limited number of scholarships. The scholarships offered by SBC&GS will be applied towards the student's tuition expenses only. *Institutional aid cannot be used to pay for any institutional fees or California STRF fees.* There is no cash value and cash will not be paid to the student. Should the student's expenses be covered by other assistance, the award may be carried forward to the next semester of study (one semester only).

All SBC&GS scholarships require that the student fill out a FAFSA and an SBC&GS scholarship application. Application forms are available on the website at [www.shasta.edu](http://www.shasta.edu) under the financial aid tab. Scholarships are awarded by the Scholarship Committee and their decision is final. For any exceptions, see the Financial Aid Director.

Some awards are granted to students without the requirement of need (FAFSA and Need formula not required). The student must apply for these awards annually before the fall deadline of August 15 with the SBC&GS Scholarship Application. Awards are granted by the Scholarship Committee and any exceptions are made by the Scholarship Committee at the time of the award.

All awards that can be awarded for a second semester are dependent upon a minimum GPA of 2.0 for undergraduates and 2.5 for graduate level students.

### *Non-need based Institutional Awards (Undergraduates and Graduates)*

**FULL-TIME ENROLLMENT:** Any student enrolled full-time is eligible for \$1000 tuition scholarship. For undergraduate students, full-time enrollment is defined as a minimum of 15 units in a semester. For graduate students, full-time enrollment is defined as a minimum of 9 units in a semester. All applications will be considered by the Scholarship Committee. The formula for the discount is  $\text{Tuition} - \text{Aid} \times \% = \text{discount}$ . Application is the standard SBC&GS form found on the financial aid page online.

The discount is also available to other ministry partners, not just the GARBC. The Christian Ministry Discount Form can be found on the Financial Aid page on the website.

**The GARBC Church Member Discount:** This award is a 10% need based institutional grant for tuition only for active members of GARBC member churches. Full eligibility requirements include a letter of recommendation from the GARBC National Representative or pastor of the GARBC church of which the student is a member and proof of need with the submission of a FAFSA application with the federal government. The student must fill out the application annually found on the financial aid page of the SBC&GS website. All applications will be considered by the Scholarship Committee. The formula for financial consideration is Tuition – Aid x 10% = discount.

**The GARBC Partnership Discount:** This award is a 25% need based institutional grant for tuition only for ministry workers and their dependents who work full-time in a GARBC related ministry in positions such as a missionary, pastor, Christian school teacher or administrator. It is offered as an incentive and encouragement to all ministry personnel of the GARBC. Full eligibility requirements include proof of employment with a letter of recommendation from the governing body of the GARBC ministry or the GARBC National Representative, proof of dependency for a spouse or child, and proof of need with submission of a FAFSA application with the federal government. The student must fill out the application annually found on the financial aid page of the SBC&GS website. All applications will be considered by the Scholarship Committee. The formula for financial consideration is Tuition – Aid x 25% = discount.

**Veterans Discount:** Former military personnel with an honorable discharge who no longer have VA educational benefits may apply for a 10% tuition discount. All applications will be considered by the Scholarship Committee. The formula for the discount is Tuition – Aid x % = discount. Application is the standard SBC&GS form found on the financial aid page online.

## ACADEMIC PROGRAMS

Shasta Bible College and Graduate School Undergraduate Programs:

Specific courses listed for the academic programs below are meant to serve as a guideline. Course substitutions may be made at the discretion of the department head.

For graduate programs, please see the graduate school catalog included at the back of this document.

### Department of Bible and Theology

- 1 Certificate in Biblical Studies
- 2 Associate of Arts in Biblical Studies
- 3 Bachelor of Arts in Bible and Theology
- 4 Degree Completion: Bachelor of Arts in Christian Professional Studies

### Department of Education

- 1 Certificate in Early Childhood Education
- 2 Associate of Arts in Early Childhood Education
- 3 Bachelor of Arts in Education

### Department of Bible and Theology

The Department of Bible and Theology provides courses that lay a foundation for Christian ministry through Bible survey, analysis, interpretation, and theology. The study of the Biblical languages provides an essential tool for preaching and teaching. The systematic study of major doctrinal areas enables students to synthesize their study of the theological themes of the Bible. These programs at Shasta Bible College and Graduate School are designed for students who want to be useful to the Lord in whatever way He may lead. Since we recognize that a college setting lends itself to the discovery of the Lord's vocational leading in the lives of many students, the programs have been designed with built-in flexibility to facilitate possible adjustments in a student's direction of future ministry. This is done through the use of a core curriculum which is required of all students pursuing the Bachelor of Arts degree, coupled with courses which prepare students for their chosen minor.

Shasta Bible College and Graduate School also offers several other types of study programs. Some programs are terminal and are designed for students who are undecided about pursuing a Bachelor of Arts degree: a one-year Certificate and a two-year Associate of Arts Degree. While these programs are not four-year programs, courses are taught on the same academic level and may later be applied toward a Bachelor of Arts Degree.

#### *Certificate in Biblical Studies (CBS)*

The Certificate in Biblical Studies is designed to provide a one-year condensed course in Biblical studies for missions work or general Christian ministry. This program prepares the student to work in a church or other Christian organization (US Department of Labor's Standard Occupational Classification code 21-2099). The student may transfer these credits into a degree program at a later time with faculty approval.

Program Learning Outcomes

1. Demonstrate the correct understanding and application of a literal, grammatical, historical hermeneutic in the interpretation of the Bible.
2. Describe the general theme and content of each book of either the New or Old Testament.
3. Describe the fundamental teaching of Scripture in each major area of theology.
4. Articulate the Biblical message of the gospel clearly and concisely.

### ***Bachelor of Arts in Bible and Theology (BAPT)***

This four-year degree program in Bible and Theology is designed to give students a broad base for ministry. This program prepares the student to work in a church or other Christian organization. The required minimum 128 units include 51 units of General Education courses, and 53 units in the Core Curriculum. The remaining 24 units may be electives or applied to a concentration (18 units) or a minor (21 units). This program prepares students for employment as clergy, religious workers, directors, religious activities and education (US Department of Labor's Standard Occupational Classification code 21-2099, 21-2021, 21-1019).

Program Learning Outcomes

1. Demonstrate a working knowledge of general education including research methods and application.
2. Demonstrate the correct understanding and application of a literal, grammatical, historical hermeneutic in the interpretation of the Bible.
3. Describe the general theme and content of each book of the Bible.
4. Describe the fundamental teaching of Scripture in each major area of theology throughout the history of the church from a dispensational point of view.
5. Articulate the Biblical message of the gospel clearly and concisely in individual conversations and group settings.
6. Articulate a Biblically supported argument for the authority and sufficiency of the Bible and the necessity of the gospel in counseling individuals with non-organic and interpersonal problems.
7. Cultivate critical thinking skills that express a coherent, Biblical world view sufficient to impact contemporary society.

#### BIBLE INTERPRETATION

##### **BS098/099 Entrance/Exit Bible Exam** (non-credit)

A basic test of Bible knowledge given to incoming students and graduating students. Used for assessment purposes.

##### **BS100 Hermeneutics** (3 units)

A study of the theory and principles of Biblical interpretation. This will encompass discussion of the history of interpretation, as well as the rules of a literal, grammatical, historical, contextual hermeneutic. (Procedures and application of interpretation are taught in BS110 Applied Hermeneutics).

##### **BS110 Applied Hermeneutics** (3 units)

A study of the procedures of Biblical interpretation — the application of a literal, grammatical, historical, contextual hermeneutic to the Biblical text. (Theory and principles of interpretation are taught in BS100 Hermeneutics).

##### **BS120 Bible Study Methods** (3 units)

A basic course designed to introduce the student to the principles of literal, grammatical, historical hermeneutics and the inductive Bible study method. The principles of observation, interpretation, and application are stressed by means of class discussion and student exercises.

##### **BS140 Oral Transmission and Memorization of the Bible I** (1½ units)

This course will survey the history of oral transmission and memorization of the Bible in Judaism and Christianity from primary and secondary historical sources. The course will also teach the student the art of storytelling and orally interpreting the Scriptures from memory as well as teach different techniques to memorize Scripture. May be taken as HU140.

**BS141 Oral Transmission and Memorization of the Bible II** (1½ units)

A continuation of BS140. May be taken as HU141.

**BS240 Oral Transmission and Memorization of the Bible I** (1½ units)

A continuation of BS140/141. May be taken as HU141.

**BS241 Oral Transmission and Memorization of the Bible II** (1½ units)

A continuation of BS140/141. May be taken as HU141.

## OLD TESTAMENT

**BS101 Old Testament Literature I** (3 units)

A survey of the Old Testament with a focus on Biblical history and theology. This section of the course surveys the Book of Genesis through the Book of Esther and is supplemented with studies in ancient Near Eastern history, geography, and custom.

**BS102 Old Testament Literature II** (3 units)

A continuation of BS101, this course surveys the Book of Job through the Book of Malachi.

**BS201 Studies in the Pentateuch** (3 Units)

## GRADUATE SCHOOL DIVISION

Dr. Dan Iles, D.Min., Dean of Graduate Studies

### A Word from the President:

From its inception in 1971, the mission of Shasta Bible College and Graduate School has been ***“To educate and equip Biblically committed Christians who will impact the world for Jesus Christ.”*** Over the years, the College has remained true to its mission. The addition of the Graduate School Division in 1999 has provided students with the opportunity for more focused specialization at the graduate level in several areas of educational and church-related ministry. We are excited to announce the following updated graduate degrees in response to the need for Biblically faithful and focused ministries in today’s increasingly anti-Christian culture:

The Master of Science in Education:

Because of recent legislation in several states which requires both teachers and students to comply with sex education that promotes same-sex marriage, gender identity, sexual preference and other policies opposed to Biblical standards, more Christian parents are opting for home schooling or a Christian school education. To meet this growing need for Biblically qualified administrators and teachers, two Master of Science tracks are available to students:

1. Administration
2. Curriculum and Instruction

The Master of Arts:

To adequately minister in today’s doctrinally diverse religious culture, students with undergraduate degrees often find themselves in need of more focused study in their particular area of ministry. The responsibility to “. . . *rightly divide [accurately handle] the word of truth*” (2 Tim. 2:15) is indispensable. This is especially true in light of James’ warning in 3:1, *“Let not many of you become teachers, my brethren, knowing that as such we will incur a stricter judgment.”* It is also essential to sharpen one’s leadership skills within the framework of Biblical leadership described specifically in 1 Peter 5:1-11 and elsewhere in Scripture.

For these reasons two Master of Arts programs are offered:

1. Christian Ministry
2. Chaplaincy

The Master of Divinity:

The Master of Divinity degree is the basic educational standard for pastoral ministry. Although God can and does use many in the pastorate who are self-motivated to pursue equivalent personal study, this degree ensures that the prospective pastors, missionaries, Biblical counselors and military chaplains have adequate exegetical, grammatical, theological, Biblical knowledge and practical ministry tools to effectively teach, proclaim and apply God’s Word accurately and confidently in the power of the Holy Spirit. The Master of Divinity degree prepares students to become pastors, missionaries, military chaplains and Biblical counselors due to the variety of electives available to the M.Div. student.

The need for dedicated, well-prepared leaders, characterized by Biblical integrity and professional competence, has never been greater. It is my prayer that SBC&GS's Graduate School will be powerfully used of God to communicate timeless Biblical truth to an ever-changing world.

David R. Nicholas, M.S., M.Div., Th.M. Th.D.

President

## Statement of Purpose

The Graduate School exists for the purpose of advancing Christ's Kingdom by equipping Christian believers for educational and church ministry. The curriculum is designed to prepare students for administrative leadership in Christian schools and local churches by equipping students with Biblically consistent leadership principles and administrative procedures, cultivating a heart for ministry, a compassion for the souls of men, a comprehension of Biblical doctrine and the ability to communicate God's truth in accordance with our Lord's final command.

To fulfill this purpose, the College endeavors to encourage student growth and development through its pursuit of the following objectives:

### I. Spiritual Objectives

- 1 **Students will** cultivate a lifestyle that demonstrates Christ-like character in accordance with the priorities and precepts of God's Word.
- 2 **Students will** develop an informed Christian world and life-view through the integration of Biblical truth in all areas of the curriculum.
- 3 **Students will** acquire both a cognitive and affective knowledge of Biblical truth through classroom instruction, faculty-student interaction, personal Bible study, Scripture memorization, and discipleship experience.

### II. Academic Objectives

- 1 **Students will** learn to think critically from a Biblical perspective and maintain intellectual and spiritual integrity in all areas of study and research.
- 2 **Students will** be equipped with both a knowledge of Biblical content and the skill to expound it by interpreting and applying Scripture in accordance with sound historical/grammatical/exegetical principles.
- 3 **Students will** be prepared to communicate effectively, correctly, and clearly through the use of media.
- 4 **Students will** be provided with the intellectual tools to integrate all fields of study with Biblical truth, realizing that God is the source of all truth.
- 5 **Students will** master study and research methods and develop the motivation necessary for lifelong learning.
- 6 **Students will** be able to meet contemporary challenges to historic, Biblical Christianity with a working knowledge of Christian theology and apologetics.

### III. Practical Life and Ministry Objectives

- 1 **Students will** understand that their spiritual growth and development take place through the study and application of God's Holy Word.
- 2 **Students will** know that involvement in, and loyalty to, the local church is strategic to personal spiritual growth, Christian fellowship, and the fulfillment of the Great Commission.
- 3 **Students will** demonstrate a commitment to ministry in the local church and dedication to its maintenance and growth.

- 4 **Students will** be challenged with a variety of spiritual needs and ministry opportunities both at home and abroad.

## Admissions to the Graduate Programs

### *Prerequisites:*

Master of Arts in Chaplaincy

1. The student must have a bachelor's degree or the equivalent from an approved college or university.
2. A cumulative undergraduate GPA of at least 2.5.
3. Students must receive their letter of acceptance into the program before they may be considered admitted into the program. In certain cases, where no letter of acceptance has been received, a student may be permitted to take one class under provisional admission, but they may not begin a second semester until full admission has been granted.

Master of Arts in Christian Ministry (including concentrations in Biblical Studies and Leadership):

1. The student must have a bachelor's degree or the equivalent from an approved college or university.
2. A cumulative undergraduate GPA of at least 2.5.
3. Students must receive their letter of acceptance into the program before they may be considered admitted into the program. In certain cases, where no letter of acceptance has been received, a student may be permitted to take one class under provisional admission, but may not begin a second class until full admission has been granted.

Master of Science in Education (including concentrations in Administration and Curriculum and Instruction):

1. The student must have a bachelor's degree or the equivalent in education from an approved college or university.
2. A cumulative undergraduate GPA of at least 2.5.
3. Students must receive their letter of acceptance into the program before they may be considered admitted into the program. In certain cases, where no letter of acceptance has been received, a student may be permitted to take one class under provisional admission, but may not begin a second class until full admission has been granted.

Master of Divinity:

*Prerequisite:* A Bachelor's degree or the equivalent from an accredited or other approved institution.

### *Transfer-Credit Evaluation*

1. An official transcript must be sent to the Vice President of Student Services from each school that the applicant has attended since high school. Determination of transferability of credit will be made by the Vice President of Student Services in consultation with qualified faculty.
2. Courses transferred must have a grade of B or better.
3. Transfer credit will be granted for appropriate courses from accredited or recognized colleges and universities. Transfer credit may be granted based on an evaluation of official transcripts from approved graduate institutions. Any transfer credit granted will be on a course-by-course basis, contingent upon review and approval by the registrar's office.
4. Appropriateness of content, level and unit value are the guides used in transfer credit evaluation.
5. Courses for which a corresponding course does not exist at Shasta Bible College and Graduate School may be granted elective credit.
6. No more than 20% of graduate semester units or the equivalent in other units awarded by another institution may be transferred for credit toward a Master's degree (5, CCR Section 71770(b)(2)).
7. No more than 50% credit from one M.A. program may be applied to another M.A. program, including programs from within Shasta Bible College and Graduate School.
8. Credit for Experiential Learning is not awarded at the graduate level.

### **Academic Load**

Minimum full-time status for a graduate student is considered to be 9 units in a semester. A student should not normally take more than 15 units per term. Petition must be made either to the Vice President of Academics before a student may exceed 15 units per term.

### **Graduation Requirements**

In order to graduate from Shasta Bible College and Graduate School, students must complete all academic and nonacademic requirements stated for their program in the catalog that was in effect at the time they matriculated. In the event of changes in catalog requirements, students have the option of continuing with the catalog requirements under which they originally enrolled or of changing to the new catalog requirements. Announcement of intent to follow new catalog requirements must be entered into the student's academic file in the form of a brief letter to the Student's Advisor. However, students must choose one option or the other and not some combination of the two. Once the choice is made, it is irrevocable. Courses completed at other colleges or universities and substitutes for specific course requirements, will be transferred and accepted as approved by the Vice President of Student Services. Other courses may be substituted for required courses only if approved by the Vice President of Student Services. In order to be eligible for graduation in the spring, graduate students must complete all academic and nonacademic requirements. Furthermore, they must:

1. Have a cumulative Grade Point Average of at least 2.5 on all courses submitted to meet graduation requirements.
2. Pay all debts to the College, including the graduation fee.
3. Pass any comprehensive examinations for their major field.
4. Submit Petition to Graduate to the Registrar by the end of the previous semester.
5. Be approved by the faculty as demonstrating Christian character qualities.
6. Complete the required residence units (see below).

*Note:* Upon occasion, at the discretion of the Registrar, a student may participate in the graduation ceremony without receiving a diploma, if a maximum of 9 units is to be completed over the summer term for which the student has already registered at Shasta Bible College and Graduate School. Transfer units from other institutions do not qualify for this provision. Students who have not yet completed all course work will receive neither a diploma nor honors at graduation.

While the faculty and administration of Shasta Bible College and Graduate School provide guidance to students in making progress toward graduation, it is ultimately each student's own personal responsibility to make sure that all graduation requirements have been met.

### *Quality of Work*

A student who is admitted to candidacy for a graduate degree should evidence a high level of achievement and scholarship, demonstrated by his ability to maintain a grade point average of 2.5. Furthermore, a grade of D or F disqualifies a student as a candidate for this program.

### *Residency Requirement*

All master's degree programs must be completed within 7 years. Exceptions to these requirements must be approved by the Department Chair and the Vice President of Academics.

#### *MA in Christian Ministry*

30 units must be completed by coursework taken from Shasta Bible College and Graduate School. A maximum of 6 units may be transferred into this program from other approved institutions.

#### *MS in Education:*

30 units must be completed by coursework taken from Shasta Bible College and Graduate School. A maximum of 6 units may be transferred into this program from other approved institutions.

#### *MA in Chaplaincy:*

30 units must be completed by coursework taken from Shasta Bible College and Graduate School. A maximum of 6 units may be transferred into this program from other approved institutions.

*M.Div.*

Residency requirement for 96-unit M.Div. programs consists of a minimum of 78 units, plus any courses deemed not met by transfer credit. A maximum of 18 units may be transferred into this program from other approved institutions. Residency requirement for the 72-unit M.Div. program consists of a minimum of 60 units, plus any courses deemed not met by transfer credit. A maximum of 12 units may be transferred into this program from other approved institutions. Transfer credit may be granted based on an evaluation of official transcripts from approved graduate institutions. Any transfer credit granted will be on a course-by-course basis, contingent upon review and approval by the registrar's office.

*Substitution of Courses*

Course substitutions may be made at the discretion of the department head. In addition, students may petition the Department Chair to substitute courses to personalize their programs.

*Petition to Graduate*

Students should make formal application for graduation by obtaining from the Registrar's Office, completing and returning the Petition to Graduate Form with the Graduation Fee by the end of the previous (second to last) semester.

## **Graduate Course Descriptions**

### **Bible, Christian Ministry, and Theology**

Area courses (BS551, 631, 741, 671, 681, 691, 791) may be repeated for credit if they cover different content. For courses that are similar in content to undergraduate courses, the graduate courses require advanced research and additional assignments. Efforts are made to ensure that graduate students will not needlessly duplicate material previously taken at the undergraduate level.

### *Bible Interpretation*

#### **BS500 Computers, Research, and Writing (3 units)**

This course will introduce the use of software programs for Biblical studies, research, writing of papers training and instruction. Use of Microsoft Office and Logos Bible Software and other relevant software will be surveyed with instruction provided. If CO103 Computers, Research, and Writing was previously taken at Shasta Bible College and Graduate School, this course should be replaced with another graduate level course.

#### **BS510 Advanced Hermeneutics (3 Units)**

An examination of theologically conservative principles of Biblical interpretation involving the application of a literal, grammatical, historical, contextual approach to the text. An analysis and evaluation of contemporary trends in hermeneutics in comparison and contrast with the literal method.

#### **BS520 Advanced Bible Study Methods (3 units)**

A basic course designed to introduce the student to the principles of literal, grammatical, historical hermeneutics and the inductive Bible study method. The principles of observation, interpretation, and application are stressed by means of class discussion and student exercises.

### *Biblical History*

#### **BS530 History and Geography of Biblical Lands (3 units)**

A study of the history and geography of the Biblical lands with a focus on the following: The major historical and archaeological eras of the land of Israel, Egypt, Anatolia, Greece, and Mesopotamia from the Early Bronze Age to the present; The geographical and geological features of the lands; A description of key cities and villages both in Biblical times and modern times. The class meets for seven weeks of lecture and concludes with a lab consisting of a 10-14-day tour of the land of Biblical lands, most likely either Israel, or Turkey and Greece.

#### **BS630 The Archaeology and Historical Geography of Israel (3 units)**

The course is designed to equip the students with a basic knowledge of the archaeology and historical geography of Israel. The program is a study of "the stage of history (His story)," the land of the Bible, with an emphasis on the archaeological and geographical features of the southern, central and northern arenas with special emphasis given to particular regions, cities and geographical features within these three arenas, as well as how the geography influenced

and affected routes, settlement, daily life, climate, communication and history. Assigned Bible readings and memorized Bible passages along with assigned text book readings, as well as map studies will provide the necessary background required. Relevant archaeological, historical, geographical and Biblical material will be foundational, and will be correlated with the different arenas, regions and sites discussed.

### *Biblical Studies: Old Testament*

#### **BS501 Old Testament Literature I (3 units)**

A survey of the Old Testament with a focus on Biblical history and theology. This section of the course surveys the Book of Genesis through the Book of Esther and is supplemented with studies in ancient Near Eastern history, geography, and custom.
