**Worksheet for Student Borrowers 2017-18**

Dear Potential Student Borrower:

The Shasta Bible College Financial Aid Office is dedicated to supporting student success. Some students need to borrow money to help with school related expenses. Typically, a student who needs to borrow money to get through school is making a good investment for the future. However, many students enter into debt without a clear picture of how it will affect them in the future. We hope that the following Worksheet for Student Borrowers will assist students with borrowing responsibly.
