

11th Annual Alpha/Omega Conference at Shasta Bible College & Graduate School

2951 Goodwater Ave, Redding, CA 96002 (530) 221-4275; (800) 800-4-SBC

Dr. David Nicholas is President and Professor of Theology and Apologetics at Shasta Bible College & Graduate School and Bible teacher on *Truth for Today* in No. CA. He has pastored churches in California and Indiana, and has served as a faculty member, Dean and President at three Christian colleges. He holds the Master of Science degree from USC, received his M.Div. from LABTS (now Corban University GSM), Th.M. from Talbot Graduate School of Theology and Th.D. from Grace Theological Seminary. He has authored books and articles including *Foundations of Biblical Inerrancy*, "Judgments, Various" in the *Dictionary of Premillennial of Theology*, *The Resurrection: God's Unconditional Guarantee (Baptist Bulletin)*, *The Problem of Abortion (Baptist Bulletin)*, *What's a Woman to Do In the Church?* and *Covenant Theology: Final Solution or Forced System?*

Dr. David Wilcox has pastored churches in Michigan, Indiana and California where he served for 17 years as pastor of Clear Lake Baptist Church in Lakeport., CA. He has also taught at Christian colleges in MI and CA. Currently he is Professor of Bible at Shasta Bible College & Graduate School where he teaches at both the undergraduate and graduate levels. One of his specialties is teaching an overview of the Book of Revelation to churches. Dr. Wilcox is an alumnus of Western Baptist College (Corban University) and Dallas Seminary where he earned his Th.M. and D.Min.

Dr. George Gunn has lectured in Israel and authored several works on Biblical prophecy. He was a member of the second graduating class of Shasta Bible College, has pastored two churches, and now Chairs the Department of Biblical Studies at SBC & GS, where he specializes in teaching Greek, hermeneutics and eschatology. He has presented papers at the Pre-trib Study Group in Dallas and is a clear communicator of Bible prophecy. He has also conducted numerous teaching tours to Israel and authored articles for *Dictionary of Premillennial Theology*, the *Journal of Dispensational Theology* and *Bibliotheca Sacra*. He holds the M.Div. degree from NBTs (now Corban GSM) and is ABD for his Ph.D.

Dr. Dan Iles currently serves with Indigenous Ministries International as a teaching missionary in third-world and Middle East countries. He is also a part-time faculty member at Shasta Bible College & Graduate School. Dr. Iles was the founding pastor of Combie Bible Church in Grass Valley, CA, served as pastor of Pollock Pines Community Church and Mt. Range Church in Fort Collins, CO. He holds the Th.M. from Dallas Theological Seminary and earned his D.Min. at Western Seminary.

Dr. Al Franklin has served as Senior Pastor of Grace Baptist Church for the past 39 years. While the thrust of his ministry has been exegetically-based Bible exposition, he is widely known and respected for his practical defense of Biblical creation based on irrefutable scientific evidence found in the fossils he has unearthed and identified in California's Shasta, Kern & San Luis Obispo counties, Arizona Wyoming, Montana and South Dakota. Using actual fossils, he demonstrates the absolute impossibility of evolution and the abundance of fossil evidences for the world-wide flood recorded in Genesis 7 & 8. His observations have often baffled and confounded secular evolutionists who have no reasonable explanation for the evidence he presents.

Prof. Bruce Wood is Student Enlistment Administrator and Instructor in Science at Shasta Bible College & Graduate School. He formerly served for 17 years with the Institute for Creation Research leading tour groups through the ICR Creation Museum and lecturing on the scientific evidences which confirm and support the Biblical account of creation. He is skilled at responding to questions from both believers and skeptics. He is an alumnus of Christian Heritage College and Northwest Baptist Seminary. He took his graduate work in Science at ICR's Graduate School. His creationist lectures are fascinating and well received by Church groups and Christian schools.

ATTEN: STUDENTS, ALUMNI, PASTORS & CHRISTIAN LEADERS!

On Friday, April 11th, there will be a special workshop/luncheon with Drs. Price, Guliuzza, Feinberg & Hebert Plus Armitage, Gunn & Franklin at 12:30 p.m. in Oran Smith Hall. RSVP to Barb at (530) 221-4275 Ex. 29.

Shasta Bible College & Graduate School INVITES YOU TO ATTEND THE 11TH ANNUAL ALPHA/OMEGA CONFERENCE ON CREATION AND END-TIME PROPHECY

April 9th thru April 13th, 2014 A.M. & P.M.

Dr. Randall Price is Founder and President of World of the Bible Ministries and is Distinguished Research Professor and Executive Director of the Center for Judaic Studies at Liberty University in Lynchburg, VA. He has also taught at the University of Texas (Austin) and has served as Director of Excavations on the Qumran Plateau in Israel since 2002. He has authored numerous articles in Bible dictionaries and encyclopedias on archaeology and Bible Prophecy plus books including: *Secrets of the Dead Sea Scrolls*, *Searching for the Original Bible*, *Jerusalem in Prophecy*, and *Fast Facts on the Middle East Conflict*. Recently he has led what is probably the most technologically sophisticated expedition on Mt. Ararat in search of Noah's Ark. He is a graduate of Dallas Theological Seminary, holds the Ph.D. in Jewish Studies and Biblical Archaeology from the University of Texas, with further graduate work at the Hebrew University in Jerusalem.

Dr. Randy Guliuzza, M.D. (University of Minnesota) represents the Institute for Creation Research. He is a captivating speaker who is known for his well-documented and often humorous scientific and Biblical presentations to audiences of all ages. He has debated evolution vs. creation on secular university campuses and other forums. Dr. Guliuzza also holds a B.S. in Engineering from the South Dakota School of Mines and Technology, a B.A. in theology from Moody Bible Institute, and a Masters in Public Health from Harvard University. He served nine years in the Navy Civil Engineer Corps and is a registered Professional Engineer. In 2008, he retired as Lt. Col. from the U.S. Air Force, where he served as Flight Surgeon and Chief of Aerospace Medicine. He has authored *Made in His Image*.

Dr. John Feinberg chairs the Department of Biblical and Systematic Theology at Trinity Evangelical Divinity School in Deerfield, IL. Like his father, the late Dr. Charles Lee Feinberg, John's areas of expertise include Bible prophecy. He earned his Ph.D. and M.A. in Philosophy at the University of Chicago and his Th.M. from TEDS. He is also noted for his expertise in apologetics, ethics and contemporary theology, and is an author and general editor of *No One Like Him* (Crossway Books, 2001), co-author with his brother, Dr. Paul D. Feinberg, of the revised version of *Ethics for a Brave New World, 2nd Edition* (Crossway Books, 2010), and his recently published, *Can You Believe It's True: Christian Apologetics in a Post-Modern Era* (Crossway Books, 2013). He is appreciated by both laymen and scholars for his Biblical prophetic insights.

Dr. Leo (Jake) Hebert III earned a master's degree in physics in 1999 from Texas A&M University, where he studied optics and was a Dean's Graduate Fellow 1995-1996. He received his Ph.D. in 2011 from the University of Texas at Dallas, where his research involved a study of the possible connection between fair-weather atmospheric electricity and weather and climate. He has taught at both the high school and university levels. He joined ICR in 2011 as a research associate, where he will have the opportunity to help extend Dr. Larry Vardiman's work on climates before and after Noah's Flood, among other research endeavors.

Prof. Mark Armitage is an alumnus of Liberty University, attended the University of Florida and received his Master of Science in Biology from ICR Graduate School in 1997. He earned his Ed.S. (Educational Specialist in Science Education) at Liberty University in 2007 where he is currently a Doctoral Candidate. He is the author of numerous scientific articles including the recently published (2013) "*Soft sheets of fibrillar bone from a fossil of the supraorbital horn of the dinosaur, Triceratops Horridus*" for the publication, *Acta Histochemica* 115(6): pp. 603-608. He has also served as Adjunct Professor of Biology at both The Master's College and Azusa Pacific University. Because of his efforts to explain the implications of soft tissue he identified in a fossilized supraorbital horn of the dinosaur, *Triceratops Horridus* for the evolutionary hypothesis, he was subsequently dismissed from his position at CSUN. Prof. Armitage will present fascinating evidence for creation which contradicts current evolutionary assumptions.

Prof. Tom Meyer is nationally recognized for his oral recitations and interpretation of Scripture from memory. He is an alumnus of Shasta Bible College & Graduate School and holds two masters degrees from Jerusalem University College in Israel. He serves as Assistant Professor of Biblical Studies, Israelology, archaeology and Bible memorization at SBC&GS. He has memorized ten complete books of the Bible including Revelation, James, and the minor prophets in addition to portions of Genesis, Daniel, Matthew and the Psalms, and has authored six books.

All morning sessions will be held in the Shasta Bible College Chapel. There is no charge for the conference. A love offering will be taken on campus and at each of the sessions hosted by participating churches.
