**Shasta Bible College & Graduate School
2951 Goodwater Ave. Redding, CA**

April 5th - April 9th, 2017 are the dates of The 14th Annual Alpha Omega Conference on Creation and End-Time Prophecy hosted by Shasta Bible College & Graduate School.

We enthusiastically invite you, your church and any interested friends to join our students, faculty and participating churches for the day and/or evening sessions where **fascinating and persuasive scientific evidences supporting Biblical creation** will be presented, along with **answers to questions about God and prophetic insights from God's Word** which reveal His sovereign plan carried out in past and current world events. **Believe me! You don't want to miss Alpha Omega XVI!!!**

Guest Speakers on Contemporary Apologetics and End-time Events include:

John S. Feinberg, Ph.D. (University of Chicago) chairs the Department of Biblical and Systematic Theology at Trinity Evangelical Divinity School. Dr. Feinberg is one of today's leading Biblical scholars and Christian philosophical thinkers. He is the author of *Ethics for A Brave New World; Can You Believe It's True: Christian Apologetics in a Modern and Post-modern Era; No One Like Him (the Doctrine of God); The Many Faces of Evil (The problem of Evil);* and *When There Are No Easy Answers (a personal quest to understand why God allows evil, pain and suffering).*

Thomas Ice, Ph.D. (Tyndale Theological Seminary) is Exec. Director of the Pre-Trib Research Center (Justin, TX), which he co-founded with Dr. Tim LaHaye in 1994 to research, teach and defend the pre-tribulational rapture and related Bible prophecy doctrines. Regarded as one of the most knowledgeable and articulate prophetic scholars today, Dr. Ice has written over 30 books, hundreds of articles in theological journals, evangelical publications, Bible prophecy encyclopedias and prophetic newsletters, participated in numerous debates on Bible prophecy issues and has spoken on end-time events in 18 foreign countries on five continents.

Guest Speakers on Biblical and Scientific Creation include:

Dr. Randy Guliuzza, M.D. (University of Minnesota) is National Representative, Institute for Creation Research. Dr. Guliuzza is a Medical Doctor, Engineer, former Air Force flight surgeon, Chief of Aerospace Medicine and author of *Made in His Image*. He also holds an M.A. in Public Health from Harvard University. **Dr. Guliuzza is considered by many to be THE Leading authority on evidences for creation.**

Dr. Larry Vardiman, Ph.D. (Colorado State University) recently retired Senior Research Scientist at the Institute for Creation Research and Manager of the RATE Project (Radio Isotopes and the Age of the Earth) that provides strong evidence for a young earth. Dr. Vardiman is also a specialist in Atmospheric Science and Climate Change (Global Warming).

Prof. Mark Armitage, Ed.S., M.S., Former Lab Technician at California State University, Northridge, and is a **microscopy expert**, recently made national news when, because of publishing in the peer reviewed journal, *Acta Histochemica*, his finding of "soft tissue" in the fossilized supraorbital horn of the dinosaur, *Triceratops Horridus* (which goes against what evolutionists), he was subsequently dismissed from his position at CSUN. Prof. Armitage proceeded to sue CSUN for wrongful termination based on religious intolerance **and won!!** Armitage believes this soft tissue find dates to the time of Noah's flood.
