OUR STUDENTS

Yeshimebet Campbell, B.A. Christian Professional Studies: Education, '17 Distance Education

I feel so blessed and honored to have been part of Shasta Bible College for the last few years. I felt supported, encouraged, and loved by the administration, staff, and my teachers. I was prayed and cheered for, and I was certain that my goal to graduate with a degree was going to be met. Shasta Bible College has shown me that with God and the wonderful folks at Shasta beside you, NOTHING is impossible!

On Campus

SBC&GS is different than other colleges in that it has a blended harmony of spiritual and academic emphases. I feel like I am being equipped and trained not only for life, but for ministry.
