A word from SBC&GS President, Dr. David Nicholas

Equipping committed, qualified Christian leaders for the 21st Century is what Shasta Bible College and Graduate School is all about. Today it is imperative that students not only know and internalize the precepts of God's Word, they must also understand how to interpret Scripture and apply it to life and ministry. That's why SBC&GS continues to maintain its strong emphasis on inductive Bible study, hermeneutics (Bible interpretation), Biblical languages, evangelism, apologetics, and homiletics (preaching and teaching), along with its general education requirements and practical emphases in pastoral ministry, Biblical counseling, youth ministry, missions and Christian teacher education.

At Shasta Bible College:

- **our passion** is to “make a difference” for Christ in a post-modern world. Training faithful men and women who are able to teach others multiplies our ministry.
- **our priority** is to **equip** students to fulfill our Lord's final command (Matt. 28: 19,20). Students will develop a love for the lost, dedication to discipleship and the ability to “accurately handle” God's infallible, inerrant Word, proclaiming it as the standard for all truth and the prime authority for faith and practice both in the church and personal life.
- **our product** is committed men and women who will serve and honor our Lord Jesus Christ with spirit-controlled and empowered lives that are holy and acceptable to Him.

Why not join us at SBC&GS and discover the exciting fulfillment that comes with knowing the Book of books and serving the King of kings?

PREPARE FOR MINISTRY

PREPARE FOR LIFE

All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; so that the man of God may be adequate, equipped for every good work.

2Tim 3:16&17

“The Bible carries with it the history of the creation, the fall and redemption of man, and discloses to him, in the infant born at Bethlehem, the Legislator and Saviour of the world” — John Quincy Adams

Student Life

At Shasta Bible College and Graduate school, you can realize your goal of earning a college degree in an environment unusually conducive to learning. The family atmosphere and smaller class sizes ensure that you will not

get "lost in the crowd." Competent, well-qualified faculty members who care about their students means your questions will be answered and you will be given every chance to succeed. SBC&GS was founded in 1971 to equip pastors and Christian workers. Today approximately 60% of all graduates are in some form of Christian service. Graduates often go on to graduate programs

or enter full time Christian work. Our graduates are serving as pastors, youth pastors, camp directors, Biblical counselors, missionaries, military and law enforcement chaplains with a variety of agencies including Village Missions, AMF, GARBC, IFCA, CBA, CBI, ABWE, Pioneer Missions, EV Free, and others. Alumni surveys indicate our graduates have found their SBC training to be an invaluable asset to their daily ministry.

- Shasta Bible College and Graduate School offers **on-campus housing** for single students. The dormitories are equipped with a full kitchen and study space is provided for each student. Life time friendships are made and a family atmosphere is cultivated within the dorms at SBC&GS.
- **Chapel** is an important part of student life. Exciting timely speakers are used to challenge students to live out their faith on a daily basis.
- Thanks to an active **Associated Student Body** there is always something going on at SBC&GS. Scavenger hunts, lake trips, Banquets, outreach events, and retreats are just a few of the activities hosted by the ASB.
- **Smaller classes** in a stimulating educational environment make learning both challenging and inspiring as God's Truth comes to life in the classroom.

General Information

Students at Shasta Bible College and Graduate School have the opportunity to travel and study in Israel. Trips are planned and led by Professor George Gunn, Chair of the Department of Bible and Theology every other year. Students can receive college credit while experiencing the Holy Land first hand.

- SBC&GS is accredited by the Accreditation Commission of the Transnational Association of Christian Colleges and Schools (TRACS), a CHEA and USDE approved accrediting agency.
- SBC&GS is approved by the State of California.
- SBC&GS holds membership in the Association of Christian Schools International (ACSI) and is approved to offer course towards ACSI Teacher Certification.

Shasta Bible College admits qualified applicants whom it considers to possess the personal traits necessary for successful participation in the life of the school. The College does not discriminate on the basis of sex, race, color, or ethnic origin in the admission of students to the College or its programs

"The scriptures are given not to increase our knowledge, but to change our lives."
~Dwight L. Moody

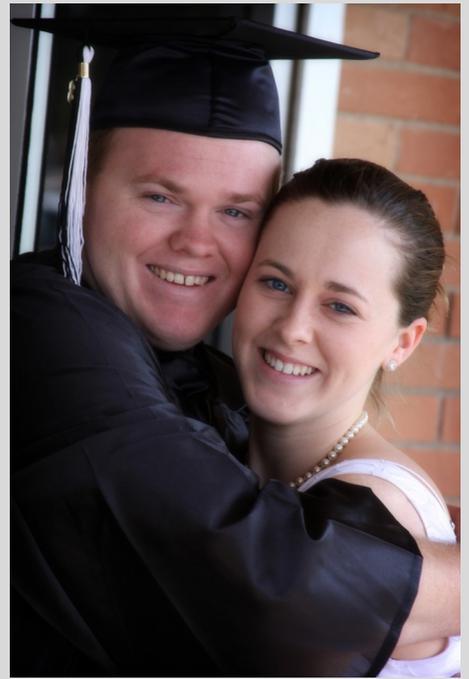

Distance Education

The answer is YES, you can achieve your goal of a Christian education through traditional or distance education. At Shasta Bible College and Graduate School you can take courses toward completion of your degree from your home using your computer and internet connection. Whether you are seeking an undergraduate degree or enrolling in a graduate program you can earn your degree without stepping foot on campus.

Getting Started

- Everyone should apply for federal and state financial aid. It is free and you will not know what kind of financial assistance you can receive unless you apply. Get your FASFA pin and follow the instructions on our website to finish the process. Use the SBC&GS code 016802 when making application.
- The admissions process has never been easier. For distance or on campus learning start with the online application at www.shasta.edu. You can complete most of the application online.
- Request all prior transcripts be sent to our admissions office.
- Get your reference forms out early.
- Visit our campus and meet our faculty.
- Call and set up a meeting with the dean of admissions.
- Secure your housing in our dorms or off campus if applicable.
- Get your schedule and books.

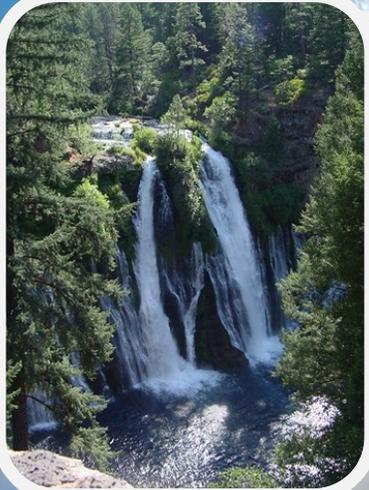

“The Bible is the greatest of all books; to study it is the noblest of all pursuits; to understand it, the highest of all goals.”

— Charles C. Ryrie

Location

Shasta Bible College is situated on fifty-five acres three miles east of downtown Redding. The campus is located at the corner of Hartnell and Goodwater, just east of Interstate 5 off Highway 44 near Airport Road, providing easy access to nearby air, rail and bus terminals. Because Redding is the hub of Northern California's recreational wonderland, students have easy access to both summer and winter outdoor activities. Summer recreational activities include boating, water-skiing, wake-boarding, fishing, hiking, camping, backpacking and mountain climbing. Winter sports like downhill and cross-country snow skiing are less than an hour's drive west to the Trinity Alps, north to Mt. Shasta or east to Mt. Lassen and Lassen National Park.

Two six-plex student dormitories provide housing for single students. These dorms are equipped with a living space and a full kitchen. Oran Smith Hall currently houses student services offices, the Chapel, classrooms, and the student lounge. The Jack M. Hicks Learning Resource Center houses our library facilities, along with additional classrooms, and administrative and faculty offices.

The 5000 sq. ft. Faye Messler Library offers students over 32,000 volumes and an on-line data base. In addition, individual computer stations and study carrels are available.
