MISSION STATEMENT OF THE COLLEGE

EDUCATIONAL INTENT

The educational intent of Shasta Bible College & Graduate School is to equip students for life, witness and vocational Christian service by cultivating a compassion for the souls of men, a comprehension of truth based upon God's infallible Word, a capacity to maintain intellectual, moral, ethical and spiritual integrity and a passion to fulfill our Lord's final command (Matt. 28:19, 20) as Bible expositors, pastors, Biblical counselors, Christian educators, evangelists, missionaries, Christian school teachers and local church workers.

MISSION OF THE COLLEGE

To educate and equip biblically committed Christian leaders who will impact the world for Jesus Christ.

PURPOSE STATEMENT OF THE COLLEGE

The purpose of Shasta Bible College and Graduate School is to educate men and women for Christian ministries on the collegiate level through a program of Biblical and theological studies, general education in the arts and sciences, professional studies in Christian education, the pastoral ministry, world missions, and church vocational areas deemed desirable. Basic in the philosophy of education of Shasta Bible College and Graduate School is the conviction that Christian higher education should be oriented to the divine Scriptures, the Bible, finding in it its frame of reference and basis for the integration of all knowledge.

To fulfill this purpose the College endeavors to encourage student growth and development through its pursuit of the following objectives:

SPIRITUAL OBJECTIVES

- 1 Students will cultivate a lifestyle that demonstrates Christ-like character in accordance with the priorities and precepts of God's Word.
- 2 Students will develop an informed Christian world and life-view through the integration of Biblical truth in all areas of the curriculum.
- 3 Students will acquire both a cognitive and affective knowledge of Biblical truth through classroom instruction, faculty-student interaction, personal Bible study, Scripture memorization, and discipleship experience.

ACADEMIC OBJECTIVES

- 1 Students will learn to think critically from a Biblical perspective and maintain intellectual and spiritual integrity in all areas of study and research.
- 2 Students will be equipped with both a knowledge of Biblical content and the skill to expound it by interpreting and applying Scripture in accordance with sound historical/grammatical/exegetical principles.
- 3 Students will be prepared to communicate effectively, correctly, and clearly through the use of media.

4 Students will be provided with the intellectual tools to integrate all fields of study with Biblical truth, realizing that God is the source of all truth.

5 Students will master study and research methods and develop the motivation necessary for lifelong learning.

Students will be able to meet contemporary challenges to historic, Biblical Christianity with a working knowledge of Christian theology and apologetics.

PRACTICAL LIFE AND MINISTRY OBJECTIVES

1 Students will understand that their spiritual growth and development take place through the study and application of God's Holy Word.

2 Students will know that involvement in, and loyalty to, the local church is strategic to personal spiritual growth, Christian fellowship, and the fulfillment of the Great Commission.

3 Students will demonstrate a commitment to ministry in the local church and dedication to its maintenance and growth.

Students will be challenged with a variety of spiritual needs and ministry opportunities both at home and abroad.

DOCTRINAL STATEMENT

1. THE SCRIPTURES

We believe in the plenary and verbal inspiration of the Scriptures, both of the Old and New Testaments. By this we understand that the Holy Spirit not only inspired the thoughts of the writers, but also formulated the very word structure into which the thoughts

were cast with the result that the original documents were inerrant as to fact and infallible as to truth (1 Cor. 2:13; 2 Tim. 3:16-17; 2 Peter 1:20-21). We further believe that the Scripture is to be interpreted normally according to the grammatical-historical method.

2. THE GODHEAD

We believe in one Triune God; Father, Son and Holy Spirit, eternal in being, identical in nature, equal in power and glory, and having precisely the same attributes and perfections (Deut. 6:4; 2 Cor. 13:14).

3. THE CREATION AND MAN'S FALL

We believe all things in the universe were created by God in the six days of creation described in Genesis 1:1-2:3. We further accept the Creation account as both factual and historical, and thus view it as foundational to the understanding of every fact and phenomenon in the created universe. In addition, we hold that all things that now exist are being sustained and ordered by God's providential care. Furthermore, we believe that man was created in the image and likeness of God but through Adam's sin became alienated from God, acquired a sin nature, and came under the judicial sentence of death (Gen. 1:25-27; Rom. 3:22-23; Eph. 2:12).

Life

We believe God specially and directly created all life and that human beings are made in His image (Gen. 1:27). Human life is sacred, beginning at conception.

Marriage

God created humans male and female and has ordained marriage as a union between one man and one woman. Marriage is defined by Scripture and Shasta Bible College and Graduate School as the exclusive covenantal union of one man and one woman in a lifetime commitment to one another (Gen. 2:18-24; Matt. 19:5). A civil government's sanction of a union will be recognized as a legitimate marriage by Shasta Bible College and Graduate School only to the extent that it is consistent with the definition of "marriage" found in this Doctrinal Statement.

Human Sexuality

Legitimate sexual relations are exercised solely within marriage. Consequently, sexual activities outside of marriage (referred to in the New Testament as *porneia* – πορνεία) including but not limited to, adultery, premarital sex, homosexuality, and pedophilia are inconsistent with the teachings of the Bible, the church, and Shasta Bible College and Graduate School. Further, lascivious conduct, transgender behavior, and the creation and/or distribution and/or use of pornography, are incompatible with a Biblical Christian lifestyle (1 Thess. 4:3-8; 1 Cor. 6:9-11; Gal. 5:19-21; 1 Thess. 5:22; Rom. 13:14).

We believe that in order to preserve the function and integrity of Shasta Bible College and Graduate School, to provide a Biblical role model for our students, and to maintain a consistent testimony for Jesus Christ in our community, it is imperative that all persons employed by the College in any capacity agree to and abide by this statement on Marriage, Gender, and Sexuality (Matt. 5:16; Phil 2:14-16; 1 Thess. 5:22). We also believe that every

person must be afforded compassion, love, kindness, respect and dignity (Mark 12:28-31; Luke 6:31).

4. THE PERSON AND WORK OF JESUS CHRIST

We believe that the Lord Jesus Christ, the eternal Son of God, became man, without ceasing to be God, having been conceived of the Holy Spirit and born of the virgin Mary, in order that He might reveal God and redeem sinful man. We believe that the Lord Jesus Christ accomplished our redemption through His death on the cross as a propitiatory and substitutionary sacrifice, and that our redemption is made sure to us by His resurrection from the dead in the identical, though glorified, body in which He was crucified (John 1:1-2; Luke 1:35; Rom. 3:24-25; 1Pet.1:3-5).

PRESENT WORK: We believe that the Lord Jesus Christ is now in heaven, exalted at the right hand of God, where, as High Priest for His people, He fulfills the ministry of Representative, Intercessor, and Advocate (Heb. 9:25; 7:25; Rom. 8:34; John 2:1-2).

FUTURE WORK: The personal return of Christ will be pretribulational and premillennial. While His return is imminent, the exact time of His coming is unrevealed (Acts 1:11; Rev. 1:7; Mark 13:33-37; Titus 2:11-13; Rev. 22:20). When He comes in the air He will remove His waiting church from the earth by means of resurrection and translation (I Thess. 4:16-18) after which He will pour out the righteous judgments of God upon the unbelieving world during the tribulation period (Rev. 6:1-18:24). Following this period of tribulation, He will descend with His church, resurrect the Old Testament and Tribulation Saints (Dan. 12:12-13; Isa. 26:19-21), and establish His literal Messianic Kingdom over all the nations for one thousand years (Rev. 19:1-20:6; Matt. 13:42-43). At the close of this thousand-year period He will raise and judge

the unsaved dead at the Great White Throne Judgment (Rev. 20:11-15). Finally, as the Son of David, He will deliver up His Messianic Kingdom to God the Father (1 Cor. 15:24-28); and, as the eternal Son, Christ shall reign forever with the Father in the New Heavens and the New Earth (Luke 1:32-33; Rev. 21:1-22:6).

5. THE HOLY SPIRIT

We believe that the Holy Spirit, the third Person of the Godhead, in the present age regenerates and indwells all believers in the Lord Jesus Christ, baptizes them into the Body of Christ, and empowers for service. We also believe that every believer is commanded to be filled (controlled) with/by the Holy Spirit (Rom. 8:9; 1 Cor. 12:12-24; Eph. 1:13, 14; 5:18-20) and that the Spirit administers spiritual gifts to the church for the ultimate purpose of bringing glory to Christ through the implementation of the redemption of the lost and the building up of believers in the Faith (John 16:13-14; Acts 1:8; 1 Cor. 12:4-11; 2 Cor. 3:18). In this respect we hold, as well, that God, the Holy Spirit, is sovereign in the bestowing of His gifts for the perfecting of the saints today, and that the sign gifts (speaking in tongues and sign miracles) in the initial days of the church were for the purpose of authenticating the ministry and message of the apostles as revealers of divine truth and were never intended to characterize the lives of believers (1 Cor. 12:4-11; 13:8-10; 14:22; 2 Cor. 12:12; Eph. 4:7-12; Heb. 2:1-4).

6. SALVATION

We believe that salvation is the gift of God offered to man by grace and received by personal faith in the Lord Jesus Christ, and that this faith is manifested in works pleasing to God (Eph. 2:8-9; Titus 2:11-14). We believe in the spiritual unity of all believers. We

believe that all who are truly saved shall be kept by God forever (Rom. 8:1, 38-39; John 10:27-30; 1 Cor. 1:4-8).

7. THE CHURCH

We believe that the Church is a spiritual organism composed of all believers who have been born again in this age by the Spirit of God and thereby are baptized by Him into the body of Christ (John 3:5; 1 Cor. 12:13). It is both the mystical body and the bride of the Lord Jesus Christ (Eph. 4:4; 5:25-32) which He began to build on the day of Pentecost (Matt. 16:18; Acts 2:47). The members of this one spiritual body are to assemble themselves together in local churches for worship, instruction, mutual encouragement, and the observance of baptism and communion (Heb. 10:25; Matt. 28:19-20; Rom. 6:1-5; 1 Cor. 11:23-24).

THE LOCAL CHURCH is an autonomous body of immersed believers united together upon profession of faith under the headship of Christ and the leadership of pastors and deacons (Col. 1:18; Acts 10:47, 48; Phil. 1:1; 1 Tim. 3:1-13). It is to be free from interference by any ecclesiastical or political authority and is to endeavor to reach men and women for Christ at home and abroad.

SINCE THE APOSTASY, the great falling away spoken of in the Scriptures as characteristic of the last days (2 Thess. 2:3, 2 Tim. 3:1; Matt. 24:12), is detrimental to the work of Christ and His church and is assisted by the ecclesiastical movement toward the one ecumenical world church, the Christian should be aware of the dangers of the ecumenical movement to historic Biblical Christianity and avoid compromising alliances which tend to aid and implement the breakdown of sound Biblical doctrine and promote false teaching that denies the infallibility and inerrancy

of God's inspired Word and the essential deity of our Lord Jesus Christ (2 John 8-11; Rom. 16:17-20; 2 Cor. 6:14-7:1).

8. SATAN

We believe that Satan is a personal, evil being who was originally created perfect along with an innumerable company of sinless beings known as angels. According to Scripture, Satan was formerly Lucifer, son of the morning, who, through the sin of pride, fell and was followed by a great number of angels, some of whom became demons who assist him as emissaries in subverting and supplanting the work of God. He is the tempter and accuser of mankind who persistently strives to counterfeit the works and truth of God. Satan and his emissaries were defeated and judged at the Cross of Christ and will be bound for a thousand years at the return of Christ to the earth. Following Christ's Millennial reign, they will be cast into the Lake of Fire where they will be punished eternally (Isa. 14:12-17; Ezek. 28:11-19; I Tim. 3:6; 2 Cor. 2:10, 11; 11:13-15; Matt. 4:3, II Pet. 2:4; Jude 6; Rev. 12:9,10; 20:10).

9. THE FINAL STATE

We believe that the condition and retribution of the lost and the salvation and blessedness of the saved are conscious and everlasting (Mark 9:43-48; Rev. 20:15; 22:3-5,11).

CONCLUSION:

We not only believe that this body of doctrine is a sacred trust to be preserved and taught in its purity, but we also believe that it teaches a life to be lived and a gospel to be preached.

INSTITUTIONAL PHILOSOPHY (ABBREVIATED)

OUR EDUCATIONAL PREMISE

The educational philosophy of SBC&GS is founded on Biblical truth as the basis for evaluating all knowledge (Proverbs 1:7; 2:6; 9:10; Col. 2:3). Thus, in the process of equipping students with a working knowledge of God's Word, we also seek to bring a Scriptural dimension to the study of the humanities, fine arts, social sciences and science, based upon the conviction that foundational principles for every area of learning are found in Holy Scripture.

OUR EDUCATIONAL PROCESS

While SBC&GS is committed to the pursuit of academic excellence, an effort is made to identify and develop “hidden potential” in students and to cultivate their creative abilities to the limits set by God for each individual. Many, because of Christian conversion, have a fresh motivation to succeed. The study of God's truth as revealed in Scripture and the search for academic truth is to be guided by experienced, spiritually and academically qualified faculty members who themselves are open to learning as they teach and interact with students. It is our conviction that the optimum learning experiences are those in which the student is encouraged to apply principles learned in the classroom to practical problem solving situations.

OUR EDUCATIONAL PERSONNEL

At SBC&GS we contend that what an individual is as a person directly impacts his or her effectiveness as a teacher or administrator. For this reason, a priority is placed on personnel

who can serve as models as well as mentors. A priority is also placed on securing faculty who are growing and alive in knowledge and quality of being. Realizing that a significant portion of formal learning comes from vicarious experience and cannot always be immediately related to life, we encourage the use of creative illustrations which present subject matter in a fresh perspective, making it more relevant to the student. We also believe that certain personality characteristics are conducive to excellence in teaching including: authenticity, enthusiasm, freshness, balance, creative freedom, breadth of interest and an enduring concern for the individual student.

OUR EDUCATIONAL PRODUCT

Although it is impossible to dictate God's leading in a graduate's life, we at SBC&GS hope to see (1) a significant number (if not the majority) enter vocational Christian service, (2) the maintenance of a vital Christian testimony in the community and the work place, (3) involvement in a Bible-believing local church, (4) a lifelong practice of integrating sacred and secular truth by critically evaluating the issues and problems of life against the standard of God's inspired Word.

Measurable student learning outcomes which demonstrate achievement of SBC&GS's goals and objectives are determined through classroom tests and exams, written projects, senior theology oral examinations, field ministry feedback from local pastors and church staff supervision as well as personal observation by the faculty and administration committee evaluation prior to graduation.

ADMISSIONS AND RECORDS POLICIES

Provisional Status

Applicants may be granted provisional admission for any of the following reasons:

1. Incomplete Application

The application has been submitted late, and classes will begin before the application materials can be officially processed. In such cases the student may not register for a second semester until the application has been completed and approved.

2. Non-degree of Program

The applicant has no desire to complete an official academic program of SBC&GS, but desires to pursue a limited number of units for college credit or audit.

3. Lack of High School Diploma

Students who do not have a high school diploma or the equivalent may not be admitted to any degree program. They may, however, be admitted to take individual classes on a provisional basis. Admission to a certificate or degree program will be granted only when all admissions requirements are met.

Probationary Status

Academic probation may be granted to applicants with an insufficient academic background, and may be recommended to a tutoring program. Students admitted under probationary status will be reviewed by the Academic Committee at the close of each semester for a maximum of two semesters until probationary

status is lifted. A minimum of 9 units must be completed before academic probationary status may be lifted.

Transfer Credit Evaluation

Credits earned at other colleges may be transferred and applied toward satisfaction of program requirements at SBC&GS under the following conditions:

1. An official transcript must be sent to the Registrar from each school that the applicant has attended since high school.
2. Courses transferred must have a grade of C or better.
3. Transfer credit will be granted for appropriate courses from accredited or recognized colleges and universities.
4. Appropriateness of content, level, and unit value are the guides used in transfer-credit evaluation.
5. Courses for which a corresponding course does not exist at SBC&GS may be granted elective credit.
6. A maximum of 32 units transferred from other colleges may be applied toward fulfillment of the requirements of an Associate of Arts degree at SBC&GS.
7. A maximum of 64 units transferred from other colleges may be applied toward fulfillment of the diploma in Biblical Studies at SBC&GS.
8. A maximum of 96 units transferred from other colleges may be applied toward fulfillment of a Bachelor of Arts degree at SBC&GS.

Retention of Student Records

It is the policy of Shasta Bible College and Graduate School to maintain all records required by the Education Reform Act of 1989 for a minimum period of three (3) years, and all student transcripts for a minimum of fifty (50) years. The current

custodian of records is Mrs. Faith McCarthy. The phone number is (530) 221-4275. The records are maintained at 2951 Goodwater Ave., Redding, CA 96002.

Family Educational Rights and Privacy Act (FERPA)

Shasta Bible College and Graduate School complies with the Family Educational Rights and Privacy Act of 1974 (The Buckley Amendment) which is designed to protect the privacy of educational records, to establish the right of students to inspect and review their records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. The College has adopted a policy which explains in detail the procedures followed for compliance with provisions of the Act. Copies of the policy are available in the Student Services Office.

Withdrawal from College

To withdraw from the College, a student must obtain and complete the appropriate forms in the Student Services Office or by emailing the registrar. The date of withdrawal will be calculated from the date that the forms are submitted to the registrar. A student who officially withdraws from the College will receive a grade of "W" for all courses. An honorable dismissal will be granted a student provided he has met all his financial obligations to the College, has completed the necessary forms, and is in good standing at the time. Any refund due will be calculated according to the refund policies stated in the Financial Information section of the catalog.

Readmission/Leave of Absence

Leave of absence is permitted for a period up to three semesters. Students desiring a leave of absence must file a Leave of Absence form with the Registrar. Students who withdraw and desire to return to SBC&GS within the three-semester period need only contact the Registrar's office for registration materials and need not reapply for admission to the college. Such students when they return will register for classes in the same manner as a continuing student and continue under the catalog that was in force when they left. Students who take a leave of absence are encouraged to discuss plans for their leave with the registrar or their academic counselor prior to leaving the college.

If a student withdraws during the first two weeks of a semester, then the twelve month leave period includes those two weeks. Students who withdraw from SBC&GS and have been gone for more than a twelve-month period must submit the following:

1. A completed application for readmission form and the \$50 application fee.
2. Transcripts from all schools attended subsequent to withdrawal from the College.
3. Recommendation from the applicant's pastor.
4. A brief essay by the applicant on his activities and spiritual growth since withdrawal from SBC&GS.

A student who has been academically dismissed may apply for readmission only after a full year (two semesters). He then must submit evidence of potential for academic success. A student who has been dismissed for disciplinary reasons may apply for readmission after two semesters. Faculty approval is required for

readmission. Readmission of returning students is subject to review by the administration.

ACADEMIC LIFE

As a student at SBC&GS you have entered a program of study that is both academically and spiritually demanding. Because of the importance of this commitment, you are expected to take your studies seriously and pursue excellence both in the classroom and in the application of Biblical truth to your life and ministry. The following policies and regulations are designed to maintain an appropriate college atmosphere in which students can profit most from their studies.

Counseling and Registration

All new and returning students are advised by the Registrar or an appointed faculty member immediately before the beginning of a new term. The students will be guided in the selection and sequencing of required and elective courses appropriate to each student's career and life direction. Students are responsible to secure an appointment for advisement before registration. Students will receive credit only for those courses for which they are officially registered. Registration will be complete upon full payment of tuition or upon securing approval of a deferred payment program along with a signed contract.

Adding a Course

Students who desire to add a course to their program may do so prior to the end of the first week of classes, provided the appropriate forms are completed and processed through the Registrar.

Audit to Credit

To change a course registration from audit to credit, a student must make a written request through email to the Registrar's Office prior to the last day of the semester. The student must make arrangements to pay in full the cost of the course. In such cases, the student must have been attending the class each week and not have more absences than allowed. They must also have submitted or be ready to submit all required course work to the professor of the class according to the syllabus by the last day of the semester.

Withdrawal from a Course

Students desiring to withdraw from a course must contact the Office of the Registrar. Withdrawals will not be processed until a written request is received. Any refund is calculated from the day the written request is received. It is recommended that requests be made through email as there is a date stamp. Students failing to follow this procedure will not be recognized as withdrawn nor be entitled to a refund. Incomplete or failing grades will be recorded as an F if the student has not officially withdrawn. Verbal conversations about withdrawing or failure to attend are not recognized as official requests.

For standard 15-week courses, the first two weeks of a semester

constitute the Add/Drop period. Courses dropped during this period will be removed from the student's record and will not appear on the transcript. After the Add/Drop period, a student may withdraw from a class. Courses from which a student withdraws will appear on the student's transcript with a grade of W. For courses offered on a non-standard (i.e., less than 15 week) schedule; dates for withdrawal will be figured on a rate corresponding to the length of the course.

For non-standard classes, the add/drop period is proportional to the scheduled length of the course.

Administrative Withdrawal

If during the first two weeks of the semester, a student fails to engage in the class whether by missing classes, not turning in assignments, or not responding to communication from the professor, they will automatically be withdrawn the last Friday of the add/drop period. The student will be contacted 24 hours before withdrawal.

Work Experience

No more than 3 units of credit may be granted for work experience. An administrative fee of \$30.00 will be required to process any credit given for work experience. Application for Credit for Work Experience must be accompanied by adequate references that will be evaluated by the Vice President of Student Services.

Attendance

To stay in compliance with state and federal regulations, we are required to maintain accurate attendance records in all courses.

Online courses are no different from classroom courses in this regard; however, participation must be defined in a different manner. Weekly attendance in online courses can be documented by any or all of the following methods: reading logs in Populi; submission of assignments; completion of tests/quizzes; participating in discussion groups; and communication with the instructor regarding course-related issues. Communication can include visit, phone, email, or contact through Populi. Logging into Populi is not sufficient, by itself, to demonstrate academic attendance. Students who fail to maintain active participation in an online course as defined will be dropped from the course and processed in accordance with the College's current attendance policy.

Grading Profile for Essays

Grades assigned to essays indicate certain strengths and weaknesses in student writing.

The profiles below give the weaknesses of the typical “C” paper, and the strengths of the typical “B” and A” papers.

The “C” paper

A partially successful piece of writing, but contains one or more of these weaknesses:

- too general a subject or inappropriate for the assignment
- ineffective beginning and/or ending (too long, too short, vague, irrelevant, nonexistent)
- weak in creation of a dominant idea; no clear thesis or statement of controlling idea
- faulty organization

- lack of imagination in development of ideas
- short, choppy, undeveloped paragraphs
- muddy, unclear sentences; problems in logic
- wordiness, deadwood, redundancy
- careless diction (wrong word, utility words like “great,” vague words)
- several (5) major mechanical or grammatical errors (unintentional fragment, run-on sentence, comma splice, misspellings, faulty agreement, faulty pronoun reference, dangling or misplaced modifier, faulty parallelism)

The “B” paper

An essay free of the weaknesses of the “C” paper, with the addition of:

- Complexity of idea
- The writer uses negative as well as positive evidence in drawing a conclusion, sees relationships among related facts, and avoids common fallacies.
- Clarity of explanation
- The writer employs such techniques as definition, comparison, contrast, analysis, and exemplification.
- Precision in the use of language
- The writer is accurate in his choice of words; his tone is appropriate to the subject; he makes very few, if any, errors, in mechanics.
- Careful work throughout; evidence of commitment.

The “A” paper

A superior piece of writing, with these additional criteria:

A superior “B” paper (subjective analysis of excellence enters here)

Maturity of insight.

- The essay reflects the superior intellectual capacity of the writer to perceive the significance of his materials. His discussion illuminates the more subtle relationships among facts and the less obvious truths implicit in his subject.

Consistency of tone.

- The writer allows no discords or false notes; his arrangement of details is controlled by his purpose.

Suggestiveness of language.

- The writer is sensitive to the connotative value of words; he employs language with imaginative force.

Incompletes

The request for an incomplete must be initiated by the student and is given only with the instructor's permission. The Incomplete Request Form is available in the Registrar's office and must be used. Request must be turned in no later than the last day of class, completely filled out by both student and professor. On the form, the student indicates the nature of the incomplete and reasons for the request. If approved, the student has four weeks from the last day of class in which to complete and turn in the missing assignments. In extraordinary circumstances, such as extreme family or medical emergency, the VP of Academics, in consultation with the faculty member, may extend the deadline. Failure to complete whatever is necessary within the time limit will result in the student receiving 0's on remaining assignments.

Grade Appeal

Students who question the appropriateness of the grade received for a course should contact the professor first. If, after contacting the professor, a student still is not satisfied with the result, they should contact the Vice President of Academics. After the meeting with the student and the professor, the Vice President of Academics will make a recommendation to the Academic/Administrative Committee whose decision will be final.

Repeating Courses to Raise Grades

A course may be repeated to raise a low grade but credit for the course does not accumulate. The last letter grade earned by repeating a course is used to compute the Grade-Point Average. Students must repeat any required course they fail.

Learning Assistance

Any student having difficulty with a course is encouraged to see the instructor of that course for outside help. Students needing help with basic learning skills or study strategies are encouraged to seek help by contacting the Student Life Committee.

Computer Literacy

Computer literacy is expected of students for term papers and other assignments. Computer Literacy materials are available in the library for students who need the basic skills to do acceptable work. Please contact the librarian for more information and assistance.

Deferred Payment Plan

If you have made arrangements with the Office of Financial Aid to be on the deferred payment plan, you are expected to follow that plan throughout the semester. No grades or transcripts will be issued unless your account is paid in full. Failure to meet tuition obligations to the College will result in suspension or dismissal from classes.

Lateness of an Instructor

1. If an instructor is late for a class, an appointed student should take charge after 5 minutes have passed. It is suggested that he start a song and/or lead in prayer.
2. Five minutes after the beginning of the class hour, the student in charge should send someone to the office to inquire concerning the instructor.
3. If instructions have not been received by the class ten minutes after the beginning of the hour, class may be considered dismissed.

Assignment Standards

Students must have a basic grasp of English grammar. Any examination, report or term paper evidencing poor paragraph structure, incomplete sentences or spelling errors may result in a reduction of the student's grade, regardless of content.

All papers must be researched and written by the individual student and should conform to the standards set forth as determined by the professor. Standards are available from the English professor or the Book Store.

Plagiarism and Cheating

Plagiarism and cheating are serious offenses of academic life and violate the Biblical principles of speaking the truth which is the opposite of lying or being deceitful. Plagiarism is using someone else's words or even their ideas in writing, without giving that person credit, as if the ideas or words were one's own. You plagiarize if you:

1. Do not acknowledge a quotation
2. Fail to put another's words inside of quotation marks
3. Paraphrase or summarize facts or opinions from sources without stating exactly where they come from.
4. Use in your paper long sections that have been written by a friend or tutor
5. Buy, find, or receive a paper that you turn in as your own work. (Raimes, Ann. *Keys for Writers: a Brief Handbook*. Boston: Houghton Mifflin Company, 1996, 62-63).

Blatant or intentional plagiarism occurs when a person copies a passage almost word for word without identifying the source of the words or ideas. Unintentional plagiarism occurs when a person attempts to paraphrase the words of another, but the sentence structure, sequence of ideas, and key phrases noticeably resemble the original without giving due credit to the author. (Rose, Leonard J. And Laurence Behrens. *The Allyn and Bacon Handbook*, 2nd edition. Boston: Allyn and Bacon, 1994, 588-599)

Cheating is looking at or copying unauthorized sources during an in-class quiz, test, or exam or during a take-home exam or assignment. It may also include unauthorized submission of a paper or assignment used for another class.

Consequences of Plagiarism:

1. On the first offense, the teacher should privately instruct the student as to the nature and seriousness of the problem and require that the paper be rewritten.
2. The second offense will result in failing the assignment, discipline by the teacher, and a letter by the student detailing the offense to be kept on file with the Student Life Committee.
3. The third offense will result in failing the course, discipline as determined by the Student Life Committee and a letter relative to the discipline kept on file with the Academic Dean.
4. The fourth offense will result in dismissal from the college.

Makeup Word

1. Makeup work may be allowed at the instructor's discretion for absences and is the student's responsibility.
2. A student may not enter a class, take an unannounced or announced quiz at the beginning of the hour and then miss the remainder of the class. No credit will be given for quizzes taken under such circumstances. Permission to take a scheduled quiz, test or exam early must be secured from the instructor.
3. The student is responsible for all class material even when absent. All assignments must be turned in on the due date. Assigned papers turned in late, for whatever reason, will be penalized at the discretion of the instructor.
4. Students may make up assignments and exams for illness, medical appointments and emergencies recognized by the instructor.

Change of Major

Although students are encouraged to select a major as early as possible and to continue with it to graduation, a student may change from one major to another by scheduling a meeting with

the registrar at which they will discuss all options before coming to a confirmed decision.

Academic Load

Although minimum full-time student status is 12 units in a semester, normal progress is considered to be 15-18 units a semester. Students who want to register for more than 18 units in a semester must obtain special permission from the Vice President for Academics. Students that are on academic probation may be limited in the number of units for which they may register.

SPIRITUAL LIFE

Chapel

Hebrews 10:24 says, "Let us consider how to provoke one another unto love and good works." Colossians 3:16 says, "Let the Word of Christ richly dwell within you, with all wisdom teaching and admonishing one another with psalms and hymns and spiritual songs, singing with thankfulness in your hearts to God." 1 Timothy 4:13 says to "give attention to the public reading of Scripture, to exhortation, and teaching."

Chapel is an important event that our college family enjoys together. We gather to worship the Lord through praises of music, testifying of His work in our lives, prayer and to be challenged from His Word. Our goal in chapel is to bring students the best biblical teaching possible on subjects that are relevant to all who attend and to teach applicable life skills necessary to maintain a positive Christian testimony in all aspects of their lives.

Chapel offers opportunities to be challenged by local pastors, Christian community leaders, missionaries from around the world, and representatives of various Christian organizations; and to learn vital Christian Life Skills such as financial responsibility, health and wellness, professional attire and behavior, and other relevant life skills. Chapel provides inspiration and worship for the entire college family. Therefore, chapel is considered a vital part of the SBC&GS curriculum, complementing a student's academic and spiritual experience.

Attendance at all chapels is required of all commuter and residential students. Six absences are permitted each semester and are to be used for illness, emergencies, or other situations. Tardiness to chapel of more than five minutes or leaving before it is over will be considered as an absence. Students missing more than the permitted six absences will be charged a fine of \$10 per chapel (billed to the student's account).

Chapel exemption applications are available from the office for special situations. Exemptions are granted on a semester-by-semester basis, are not retroactive, and are considered on a case-by-case basis.

School-sponsored events that require a member of a ministry team or a music group to miss chapel will be excused. Any requests for consideration of excuse for additional emergency absences must be submitted in writing by the student to any member of the Student Life Committee within one week after the emergency.

Students taking classes by distance education only are asked to fulfill their chapel attendance requirement by watching at least

one chapel session per week via the internet. This may be accomplished on one of the following ways:

1. Most chapel sessions are livestreamed over the SBC&GS FaceBook site (<https://www.facebook.com/shastabiblecollege/>) on Mondays, Wednesdays and Fridays at 10:30 am.
2. If a student is unable to watch the livestream, the videos are saved on the FaceBook site for viewing at a more convenient time.

Alpha Omega Conference

Each year SBC&GS hosts the Alpha Omega Conference. This conference is a unique four-day conference emphasizing creation and end time prophecy. SBC&GS invites alumni, friends and family to join our student body for this conference. Classes are suspended so that students can attend these sessions. Attendance is required of all students (during one's normal class schedule) and strongly encouraged for all students.

Church Involvement

All students at SBC&GS are expected to attend church regularly. Several area churches offer service opportunities and enthusiastically welcome SBC&GS students. You are encouraged to seek God's will in selecting a church where you can effectively worship and minister. This will be an important element in your training. In addition, your field ministry involvement will insure that you receive valuable practical experience where classroom precepts and principles may be tested in actual ministry situations.

SPRING BREAK AND MISSIONS

Mission's opportunities will be made available to the student body during the spring break. SBC&GS desires to provide students an opportunity to travel and minister cross-culturally. Trips are scheduled to facilitate students to work alongside seasoned missionaries, getting a first-hand view of how their interests and skills can be used in an international setting. Students will be provided opportunity to use skills acquired in their field of study on the mission field through these specialized trips. Additionally, other trips will focus on evangelism and church planting. Each student who joins a team is required to attend training sessions prior to going in order to become more equipped for the mission they will be involved with. The Missions preparation class trains students in issues such as how to communicate cross-culturally, how to involve oneself positively with missionaries, how to work well as a team, how to prepare logistical details (e.g. passports, immunizations, tickets) for overseas travel, and many other important details. Academic credit is available for all training provided for these trips.

ISRAEL TRIP

Every other year a trip to Israel is offered to enhance student's knowledge of the holy land. Class credit is available for this trip. Students seeking class credit must attend training classes prior to the trip. They will be given additional projects by the professor leading the trip.

ADDITIONAL OPPORTUNITIES FOR MINISTRY AND OUTREACH/SERVICE BY STUDENTS

Numerous requests reach the College for students to be involved in a variety of church ministries and spiritual formation groups. In addition, the College provides opportunities for outreach, musical teams, field ministry, and ministry placement assistance, etc.

STUDENT GOVERNMENT

The Associated Students of SBC&GS is the official student body organization of SBC&GS. The Student Council is the representative voice of the student body. It is composed of the elected student officers with a representative of the Student Life Committee as the administrative representative.

Purpose Statement of Student Government

Purpose: Student government is to provide leadership to the student body primarily by providing various opportunities for the student's growth spiritually, socially, academically and physically. The student government should represent the student body in the following areas.

1. Spiritual growth which includes all student activities, including student chapels and regular college chapels, ministry opportunities and all social activities.
2. To develop a ministry theme and purpose for that year's student body.
3. To promote the development of student clubs (drama, gospel outreach and missions.)
4. To welcome and encourage new students both in the Fall and Spring semesters.

5. To be an example in spiritual leadership and growth and to encourage the same in the student body.
6. To develop a budget and allocate funds for various activities and projects for the student body.

Offices, Terms, and Duties

A President, Vice-president, Secretary/Treasurer and Social Chairman are elected in the spring of each year and serve for one year. One week (minimum) before elections, the existing council shall receive nominations from current, enrolled students. With approval of the administrative committee, these will then be voted upon. In case of a tie vote for any office a runoff election will be held.

Qualifications

To run for Student Council, and to maintain a position on the council, students must exemplify godly character (which includes but is not limited to the Student Life Commitment), capable leadership abilities, and have a minimum cumulative GPA of 2.5. Council members who fail to meet these requirements at the end of the Fall semester will not be eligible to serve in the Spring. Upon decision of the Student Life Committee, officers may be asked to step down during the semester, should they not meet these qualifications.

Duties include chairing the Student Council, representing the student body, providing guidance and direction for all student government activities, overseeing one weekly student chapel, and overseeing all Associated Student Body fundraising. The President shall work closely with the a representative from the Student Life Committee.

VICE PRESIDENT

Duties include working closely with the President to plan and execute all events, coordinate any student missionary projects and other student-sponsored missions work. The Vice President will automatically become President if the presidency is vacated during the term of office and preside over the selection of a new vice president.

SECRETARY/TREASURER

Duties include planning and executing all events, together with other council members, recording of Student Council minutes, and the management of Student Council funds in accordance with Student Council directives.

SOCIAL CHAIRPERSON

Duties include planning and executing all events, together with other council members, and the planning and organizing of social

activities in cooperation with other members of the Student Council.

STUDENT LIFE REPRESENTATIVE

A student life representative shall be appointed at the first fall semester meeting of the Student Council to represent student concerns to the Student Life Committee. This allows students to address matters of student grievance, conduct code, and related concerns.

CAMPUS LIFE

Student Decorum

Student conduct at SBC&GS is to reflect the Scripturally based moral and spiritual values which should characterize the lives of Christian believers. Although student maturity levels may vary according to age and Christian experience, basic Biblical principles dealing with interpersonal relationships should always set the standard for student decorum in all phases of campus life. Since visitors, prospective students and supporters of the College often make judgments based on the observation of students, it is important that campus standards be enforced and maintained.

General Conduct

At SBC&GS we desire to develop a warm, family atmosphere among the students, staff and faculty which exemplifies Christian love and consideration. In order to encourage the development of standards based upon Biblical principles, the *SBC&GS Lifestyle Commitment* is signed annually by all students.

The Lifestyle Commitment

As a Christian, I believe the Bible to be the verbally inspired and inerrant Word of God. I accept its teachings as the final authority in all matters of faith and conduct; and as faculty, staff or student at SBC&GS, I will maintain the moral and spiritual ideals of the College, render respect to members of its faculty, conform to its social, academic and spiritual requirements, and recognize my responsibility to live an exemplary Christian life in keeping with the admonitions of Scripture (see 1 Cor. 6:19, 20; 2 Cor. 6:14-7:1; Rom. 12:1-2; 1 Thess. 4:1-8, 5:22; Gal. 5:16-26; Eph. 5:18; Col. 3:17; Rom. 13:14).

The “Lifestyle Commitment” is an agreement between a student and the institution. This agreement is in effect as long as the student is enrolled, including breaks and summers.

To ensure the maintenance of such standards and to produce an atmosphere conducive to spiritual and academic excellence and based on the College’s religious convictions, we ask that all students abstain from possession or consumption of tobacco, vaping products, alcoholic beverages and illegal drugs. SBC&GS prohibits sexual immorality, including such things as homosexuality, transgenderism and lesbianism. SBC&GS prohibits students from possessing or viewing any pornographic material (video, internet, video games, or printed). SBC&GS prohibits students from bringing on campus any kind of weapons, explosives, firearms (including “bb” and pellet guns, airsoft guns, paintball guns), and other objects or materials that may be determined by the Student Life Committee as harmful to students’ safety. We ask all students to abstain from gambling. Other worldly activities or forms of entertainment, including

music, which are inconsistent with Biblical principles are to be avoided.

Students who evidence through conduct or attitude that they are unwilling to abide by the *Lifestyle Commitment* will be subject to disciplinary action and may be summoned to meet with the Administrative Committee and may be subject to dismissal depending on their responsiveness to the counsel of the Committee. Illegal activities will be reported to the appropriate law enforcement agency.

Resident Leadership

Resident Directors

At the discretion and determination of the college, Resident Directors (RD) may live on campus in the dorms and serve as liaisons between resident students and the Student Life Committee. They supervise and provide support for the Resident Assistants, administer discipline for policy violations and are available for lay counseling and referral. Resident Directors seek to create harmonious community life for resident students (in the absence of a RD the RA will serve directly under the supervision of the Student Life Committee). Resident Directors will work under the supervision of a representative of the Student Life Committee.

Resident Assistants

Resident Assistants (RA) are mature students assisting SBC&GS and the Student Life Committee by supervising campus residents. They provide leadership for the dorms and assist in the spiritual, social and academic development of resident students. They also provide referrals in the area of discipline and counseling to the Student Life Committee. In the absence of the Resident Directors

they assume the responsibilities and authority of the RD under the supervision of the Student Life Committee.

Assistant Resident Assistants

When deemed necessary, SBC&GS may employ mature students in the roll of an assistant to the Resident Assistants. They will assist the RA's in their duties and provide supervision and leadership under the direction of the RA and Student Life Committee.

Disruption to the Resident Community

Any student who is disruptive to the resident community may, with the approval from the Student Life Committee or its acting designate, be removed from campus. Campus guests who are suspicious or deemed dangerous will be escorted from the property.

Proper Respect

Respect is an attitude and behavior that should be afforded to all members of the College community through proper acknowledgment of their personal and professional position. Students are required to observe academic courtesy with regard to all titles (Dr., Dean, Mr., Mrs. or Miss). Students should not use first names when speaking to or about faculty or staff members. Students are expected to exercise proper decorum in the classroom. Gentlemen must remove headwear in classrooms and chapel.

Students are required to respect SBC&GS's Statement of Doctrine and Purpose. They are not to engage in any activity on or off campus that would compromise the testimony or reputation of

the college or cause disruption to SBC&GS's Christian learning environment. Proper respect should be shown from one student to another at all times. No hazing or student initiations will be permitted. Derogatory comments of a sexual, religious, threatening, or racial nature will not be tolerated. Students are expected to treat SBC&GS faculty and students in a spirit of Christian love, mutual respect for individual viewpoints and cultural perspectives and individual dignity at all times.

Dress Code

In the interest of promoting a sharp campus image modesty and cleanliness in dress and appearance is expected at all times (I Cor. 8:9-13; 1 Thess. 5:21-22). SBC&GS trains men and women from all walks of life and from various cultures. The guidelines for dress are intended to reflect a Christ honoring outward appearance. The standard for dress helps to create a professional atmosphere conducive to the goals of the college. While taste and opinion may vary in this area, during one's season at SBC&GS, all students are asked to willingly place themselves within these guidelines.

NOTE: RA's, RD's, and the Student Life Committee will enforce the dress code and educate all students regarding what is acceptable and what is not. Questions concerning the standard of dress should be addressed to any member of the Student Life Committee who will be the final authority on dress code.

Motor Vehicles

Operating a vehicle on the campus of SBC&GS is a privilege. Students should familiarize themselves with and adhere to all traffic and parking regulations. Any serious or repeated traffic safety violations will result in the loss of driving privileges as determined by the Student Life Committee. Automobiles parked on campus must display a campus permit. Permits are available from the office.

1. **The speed limit in the parking lot is 10 mph.** Please watch out for children and bicycles! Violators will be dealt with in the following manner:
 - a. 1st offense: Verbal warning from an RD, RA or representative of the Student Life Committee.
 - b. 2nd offense: Written warning and \$20.00 fine.

2. **"No Parking Areas"** are for loading and unloading only. Unload within 15 minutes.
3. Wash car at the south end of the parking lot. Conserve water; clean up.
4. Minor repairs and maintenance should be done near the dumpster.

6. Major repairs are not to be done on campus due to safety factors.
7. Inoperable or non-functioning vehicles may not be left on campus for more than two weeks without permission from the Student Life Committee. Violators will be notified and charged a \$10.00 a day storage fee accumulating from date of notification.
8. Abandoned vehicles will be removed from the campus at the owner's expense.
9. Insurance proof must be provided at the beginning of residency to the office for on-campus motor vehicles. The insurance must meet the requirements of the no-fault-law. A copy of the registration should accompany the proof of insurance.

Dating, Engagement, and Marriage

In a residential, co-educational college, students should recall that the primary purpose for attendance is educational rather than social. Students should strive to be good stewards of their time. An overemphasis upon the physical in a dating relationship will have detrimental effects, especially for those training for vocational Christian Ministry. Physical displays of personal affection are limited to the holding of hands in all college areas and at all college activities, and discretion and wisdom should be used regardless of location. Violations will be dealt with by the

Student Life Committee. Students are expected to observe the following guidelines in regard to dating.

1. Couples should avoid spending time together in unsupervised areas of the campus.
2. Couples should avoid unlighted areas of the campus after dark.
3. Women are not to entertain boyfriends while baby-sitting in the community, nor are unsupervised couples to use the homes of married students or faculty in their absence.
4. Resident students may not entertain dates in their residence dormitory facilities.
5. A third party is to be present when students visit friends of the opposite sex in off-campus housing.
6. Students leaving campus by automobile for dating purposes must have a planned agenda, avoid isolated locations and exercise Christian discretion in all physical contact.

While there is probably no better place to meet one's life partner than on a Bible College campus, experience has proven that student marriages during the school year can be a hindrance to academic excellence. Students wishing to marry during the school year should use wisdom in selecting a date, and are encouraged to meet with a member of the Student Life Committee to discuss their relationship and the wisdom of pre-marital counseling.

Relationships and Sexual Behavior

The development of wholesome friendships, good dating habits, and acceptable social manners are a vital part of your personal growth. It is important that you conduct yourself, both publicly and privately, in such a way that avoids excessive physical contact so that you do not offend your fellow believers, nullify your testimony, or become involved in inappropriate activity. You are

expected to refrain from moral impurity. All sexual relationships should be within the context of a faithful heterosexual marriage (1 Thessalonians 4:3-8, 1 Corinthians 6:9-11, Galatians 5:19-21).

SUICIDE PREVENTION PROCEDURE

Student / Staff Course of Action

If students find themselves or other students in crisis and/or experiencing suicidal thoughts and desire immediate counseling, they should contact the Resident Assistant (RA), Resident Director (RD), Dean (Dean of Women/Men) or other member of the Student Life Committee personally or by phone.

Based on the point of contact, the following steps will occur:

1. The RA or RD will contact the Student Life Committee.
2. The Dean will contact a licensed professional (at SBC&GS) and will also arrange for transport to the Hospital, if necessary.
3. Note: This expense will be covered by the student's insurance or by the student.

Any abuses of the Populi system are grounds for dismissal.

Classrooms and Chapel

Our classroom facilities are a great asset to school life and we desire to maintain them in the best condition. The following guidelines are given to that end.

1. Use furniture the way it was intended to be used. Chair backs, tables, etc. are not designed to function as seats.
2. No small children may remain in the student lounge unsupervised.
3. Lights, heat, and air conditioning should be turned off if you are the last to leave.
4. Students should report the presence of any individual(s) not connected with the College that enter school facilities.

Offices

The lobby and offices of SBC&GS are located in Oran Smith Hall and above the library. The offices are open Monday through Friday from 9:00 a.m. to 4:00 p.m. Hours of individual faculty and staff members vary. Library hours are posted.

SBC&GS Policy for Watching Movies on Campus

We are all here at Shasta Bible College and Graduate School for the same purpose. Our desire is to honor Christ in all that we do and be above reproach (2 Corinthians 7:1). In keeping with the Life Style Commitment students sign, their lives must emphasize the moral character of the college in that all “forms of entertainment which are inconsistent with Biblical principles” need to be avoided. G and PG rated movies are allowed; X rated are not. PG13 and R rated movies must be cleared by a member of the Student Life Committee. This is not a policy that imposes upon individual’s beliefs or standards concerning movies but concerns the use of movies while students are enrolled at SBC&GS.

Note: Students who fail to comply with the student life standards of Shasta Bible College and Graduate School will be required to attend a meeting of the Student Life Committee and submit to the committee's decisions (see Disciplinary Policies).

Textbooks

With the advent of the internet and the ease of obtaining books, SBC&GS no longer offers a full college bookstore. Students are responsible for the purchase of all textbooks. Students would be wise to shop around (online or at Christian bookstores) prior to purchasing their books. The college may assist students in ordering if needed.

Student Lounge

1. The student lounge is primarily for the use of students and their guests. It may be used whenever the college is open.

2. Reservations for special functions must be made through the office of the Administrative Assistant to the President.
3. Students using the lounge must clean up after themselves and leave the area in an orderly condition (this includes dishes, counters, tables, floors, furniture, etc.).
4. Young children must be supervised by an adult.
5. Student lounge appliances are to be treated with care and respect at all times.
6. Student lounge lights and thermostat should be turned off by the last person leaving the area after the last class of the day.
7. The student refrigerator in the lounge is for daily use of students. Food stored for an extended period of time will be discarded.
8. Microwave ovens and the stove are for the students' convenience and use, as long as they are left clean.

Mail

Mailboxes are located in the Chapel of SBC&GS. Each student will be assigned to a box and their mail, notes and returned papers will be delivered to that box. Students are expected to empty their mailbox regularly. There is a \$5.00 deposit required for your mail box key to be refunded at the end of the school year.

Outgoing mail may be mailed from the Welcome Center. Students who live on campus will receive their postal mail at their box and should give the following address as their own: 2951 Goodwater Ave., Apt. # Redding, CA 96002

Grounds and Buildings

Students are expected to treat the school grounds and buildings with a high degree of respect as if the property were their own.

Repairs and Equipment Needs

For repairs or equipment needs, please complete a Request Form which is available in the Welcome Center and return completed form to the Maintenance Director's box in the Welcome Center. A decision and follow-up will be expedited as quickly as possible.

DISCIPLINARY POLICIES

Student Life Committee

A Student Life Committee is formed each year in keeping with the desire of SBC&GS to develop leadership abilities in students, and in view of the need to encourage a good process of communication between students and faculty in regard to the enforcement of school standards. Its purpose is to encourage student understanding and compliance with the standards of the college. It will also promote the maintenance of student life and residence life standards. Members of this Committee are the following:

- Dr. David Nicholas, SBC&GS President
- Donna Nicholas, Dean of Women
- Jane Deangelo, Executive Assistant
- Faith McCarthy, Dean of Undergraduate Studies
- Dr. Dan Iles, Chair of Christian Ministry Department
- Student Life Representative (appointed by the Student Council).

Academic Discipline

Academic Probation: Students whose cumulative grade point average falls below 2.0 or whose semester grade point average falls below 1.0 will be placed on academic probation. It is

imperative that students who find themselves in this position work diligently under the direction of an assigned faculty member to improve their areas of deficiency and raise their GPA to an acceptable level.

Financial Suspension

Students who fail to meet their financial obligations may be placed on suspension until their obligations have been met or acceptable arrangements have been made through the Financial Aid Office. Failure to meet tuition obligations to the College will result in suspension or dismissal from classes. Students must have a financial balance of less than \$1,000 before they may register for the next semester. To qualify for the early registration discount, the balance must be fully met by the early registration deadline.

Academic Dismissal

Students who show insufficient ability or lack of desire to rectify their academic deficiency will be subject to dismissal from SBC&GS.

Student Life Discipline

Students who fail to comply with the student life standards of SBC&GS will be required to attend a meeting of the Student Life Committee and submit to the committee's decision. Students in violation or suspected violation may come directly to the any member of the Student Life Committee or be confronted by any member of the Student Life Committee. At any time during this process the student may request a hearing with the Student Life Committee.

Dormitory Resident Discipline

Dormitory residents are expected to maintain the On Campus Housing Standards specified elsewhere in the Student Handbook. On Campus Housing Standards will be enforced by the RAs and Deans. Students who consistently violate or fail to comply with these standards will be cited and referred to the Student Life Committee.

Disciplinary Probation

Students who consistently violate the policies of SBC&GS or display disregard for a Biblical Christian lifestyle will be placed on disciplinary probation and be required to meet regularly with an assigned faculty member.

Disciplinary Dismissal

Students who refuse to live according to the Student Life Policies and The Student Commitment of SBC&GS may be recommended for dismissal by the Student Life Committee to the Administrative Committee who will take necessary measures. In the case of open rebellion, the Student Life Committee may bring disciplinary action directly to the administrative committee.

Disciplinary System

Suspension

Students must leave campus for a period of time determined by the Student Life Committee. A student is not allowed to attend class, or participate in any co-curricular programs, including music and after school events. Homework which is due on the days a student is suspended must be submitted to the professor in

advance of the class session in order to receive credit. The student will receive a zero for any test, quiz, or work done in class that day.

Dismissal

When expelled from the college, all current educational activities are terminated immediately and may not be resumed.

When a student is dismissed or asked to withdraw from the college, the following process will be followed:

1. The student will not be allowed on campus for any activity or event without prior permission from the Student Life Committee or the President.
2. The student is responsible to move out of their room by 5:00 pm of the day they are informed of the Student Life Committee's decision.
3. The student remains financially responsible for the balance of their student account. If the student's account is paid in full, then the schedule for refunds listed in the catalog will be followed, using the date of dismissal as the determining date.
4. The student will receive the notation of "W" (Withdrawn) for all courses the student is enrolled in that semester.
5. The student will be allowed to re-apply to the college at the discretion of the Student Life Committee after one full year if the following process is pursued by the student:
 - a. The student is placed on disciplinary/discipleship probation.
 - b. The student submits himself to an accountability relationship with a staff member at their local church or other appropriate person agreed to by the Student Life Committee.

- c. The student abides faithfully by all the conditions of probation as expressed in their Discipleship Relationship Covenant.
- d. The student demonstrates a consistent pattern of Christian living evidencing a sincere repentance.
- e. The Administration finds the student has successfully met the letter and the spirit of their probation and evidences a mature, consistent walk with the Lord.
- f. The Administration reserves the right to re-admit or recommend further areas of growth for the student as they see fit.

Note: Disciplinary probation is a gracious period of examination and discipleship and is NOT a guarantee of re-admittance by “jumping through some hoops.” Failure to abide faithfully by any conditions of probation, as set forth by the Student Life Committee, is grounds for termination of Disciplinary Probation.

Disciplinary Procedure

The normal disciplinary process will follow these guidelines:

1. The Student Life Committee will determine if there is *any* validity to a charge(s) or violation(s). If so, they will proceed.
2. A representative of the Student Life Committee, together with one other member of the Administration, will meet with the student and give him/her an opportunity to express his/her view of the situation. This will not be an interrogative meeting, but a student’s opportunity for confession, clarification and sharing from their perspective.
3. Following this meeting a decision will be made about the situation (with any collaborative exploration, follow up meetings with the student or students taking place at this time), its level of severity and appropriate discipline and action.

4. In some cases, the situation may go before the Administrative committee for review and a final decision of discipline.
5. A representative of the Student Life Committee, together with one other member of the Administration, will meet with the student and deliver an appropriate letter of discipline. At this time the representative of Student Life Committee will explain the letter, and discuss any consequences, mentorship, etc. The representative of Student Life Committee will also provide a letter of immediate general guidelines for the Student, and when necessary schedule an appropriate follow-up meeting to draft personal goals towards restoration and reconciliation.
6. All interaction will be documented and kept in a locked file.
7. All disciplinary procedures and outcomes will be confidential, and **may not** be discussed with anyone besides the student, supporting witnesses, and the Administrative committee.

Appeals

Students may appeal in writing to the Administrative Committee any disciplinary action taken. The committee will review the incident and make a final ruling.

CAMPUS HOUSING

Resident Dormitory Policies

All single students under 21, except those commuting from the home of their parents or legal guardian, are required to live in the College Dormitory or in approved housing. Unapproved, off-campus, housing is allowed only by special arrangement and with parental consent. On campus housing is a privilege, not a right. Full time unmarried students have priority for placement in on campus housing. Dorms are reserved for students under the age of 26. For single students over 26 and married students, special

permission may be given by the Administrative Committee to reside on campus.

Guidelines for married students and graduate students living on campus:

1. Married students and graduate students may have the privilege of renting an on-campus dorm (details to follow).
2. Married students and graduate students who are renting an entire apartment are expected to ensure that their apartment is consistently clean and properly cared for. Dorm checks will be suspended unless the above expectation is not fulfilled. They will have a security deposit (amount and arrangement covered by the CFO), and will have a final inspection when they move out. All damages and repairs to the apartment will come out of the security deposit when students move away. The Administration reserves the right to enter a student's apartment, but notice will be provided in writing a minimum of twenty-four hours prior to entrance.
3. Married students and graduate students do not have a curfew, nor are they required to sign out when leaving campus.
4. Spouses of married students are not required to attend chapel, or other special conferences, though they are welcome.
5. Married students are welcome to have a television in their home.
6. Married students and graduate students may watch any movie that is in agreement with the Lifestyle Commitment. Please respect the student movie policy, if other students are your guests to watch a movie.
7. Married students and graduate students are encouraged to develop good relationships with campus RA's and RD's, but will be directly responsible to the Student Life Committee, or Dean of Graduate Studies.

8. Married students and graduate students should respect the campus quiet hours of 10 pm to 7 am.
9. Married students and graduate students renting their own apartment may have visitors at their discretion and design. If visitors need to stay for an extended period of time, please talk to Mrs. Jane Deangelo.

Academic Atmosphere

The atmosphere in the residence Dormitory should be conducive to individual study at all times. Residents are expected to show respect and consideration towards residence Dormitory mates by keeping noise levels to a minimum. Residents responsible for creating noise from a room (including music) which can be heard in the living space or outside the Dormitory will be considered too loud and may be subject to discipline.

Resident Dormitory Meetings

From time to time, meetings will be scheduled by the RD's or RA's. It is a privilege to live on campus and in order to insure a harmonious and safe dormitory life attendance is mandatory. Students are required to attend all meetings scheduled by the RD or RA unless an excuse is secured. Students absent from a dormitory meeting without prior excuse will be asked to report to the Student Life Committee. Second offences will result in the assessment of a fine in the amount of \$20.00. This fine will be doubled upon the third offence. Students who incur further infractions will be summoned to meet with the Student Life Committee.

Curfew

Resident single students must be in their Dormitory by 12:00 midnight Sunday through Thursday evenings and by 1:00 a.m. Friday and Saturday evenings. Exceptions may be made in the case of those with employment responsibilities or special circumstances by prior arrangement with the Resident Assistant. This includes notification of leaving campus overnight. No one is allowed to do laundry after curfew.

Signing Out

Students must obtain permission from the RD or RA to spend the night off campus. When a student stays elsewhere overnight, they must sign out on the sign-out sheet (located in each RA's dorm), leaving their destination, phone number and anticipated return time. Failure to sign out properly will result in a \$20.00 fine.

If emergencies arise, forcing a student to be out past curfew, that student must notify his/her Resident Assistant immediately. If a student is not located within 30 minutes after curfew, the Dean may be notified.

Dormitory Sharing

Students are required to spend the night in their assigned Dormitory. Exceptions can be made for special circumstances or weekends with pre approval from the RA. The RA may deny this request without explanation.

Quiet Hours

For the consideration of different schedules, general quietness should be maintained in the Dormitory from 10:00 p.m. - 7:00 a.m.

1. Do not make noise that bothers a roommate or neighbor.
2. Upstairs students should be especially considerate of Dormitory below.
3. Be courteous and discreet about using plumbing or electricity during quiet hours.
4. Be wise and inoffensive about the use and noise level of a radio/stereo, video, computer/printer. Use headphones if necessary.

Commuters Staying in the Dorms

As a matter of safety there may be times that a commuter student may stay on campus. (Road conditions or driver fatigue). Commuter students must have permission from a member of the Student Life Committee and RA. There will be no charge for SBC&GS commuters staying overnight in a dorm for safety purposes.

Overnight Visitors

The overnight visitor provision is intended for prospective students, and family members of students.

SBC&GS welcomes overnight visitors within the following guidelines:

1. All overnight visitors must have advance permission from Mrs. Jane Deangelo.

2. Prospective students are welcome to stay in the dormitories free of charge.
3. Guests staying in a student's dorm are requested to contribute a donation of \$15 per night.
4. Guests staying in an uninhabited dorm are asked to contribute a \$40 per night donation.
5. Emergency exceptions may be made by a member of the Student Life Committee and RA.
6. All visitors are expected to adhere to SBC&GS guidelines and policies. Any visitor not willing to abide by these guidelines will forfeit the privilege to stay on campus.
7. Visitors are asked to comply with the dress code of SBC&GS, therefore all clothing should be modest and in good taste.
8. Visitors are prohibited from using alcoholic beverages, drugs or tobacco.
9. Visitors are asked not to use profanity.
10. Visitors are not allowed in the residence dormitory of the opposite sex.
11. Visitors should not leave valuables unattended in the room.
12. Visitors should not lend or borrow personal belongings.

Solicitation

Soliciting by non-students is not permitted in college residence dormitory since it interferes with study and sleep, can be used for purposes of theft, and may compromise general security on campus. Any student wishing to sell merchandise in the dormitory should obtain permission from his or her Resident Assistant.

Pets and Animals

Indoor pets are limited to fresh water fish only.

Room Care and Room Checks

Rooms can be checked Monday through Friday. The Dean, RD or RA will announce room checks. The following list can help in proper room care:

1. General: Beds need to be made, floors clean, belongings in orderly fashion, and wastebaskets emptied. To avoid insects, empty food containers should be removed. Garbage should not be stacked on the balcony or in front of dormitory.
2. Walls: Walls must not be marred.
3. Items Displayed: Items displayed (i.e., posters, pictures) should be in keeping with the policies and spirit of the college. Students will be asked to remove any item considered sensual, coarse, or ethnically disparaging.
4. Kitchen: Counter should be clean; dishes should not be allowed to stack up. Refrigerator and freezer should not be packed and should not contain moldy or old food items.
5. Bathroom/shower: Sweep, mop, clean windows, clean and disinfect bath/toilet/sinks.

Room checks will be done once a week by the Dean's office. All dorm residents will sign the *Dorm Cleaning Agreement*. It is the responsibility of each resident to clean their living area and share in cleaning the dormitory each week.

Living on campus is a privilege. The SBC&GS Dormitories house multiple students and serve as both living space and food preparation space. This unique apartment like setting requires students to clean and maintain a safe and healthy food preparation and living space. The dormitories are an asset to the school that should be well cared for as stewards of God's provision. Therefore, it is required of all students who live in the on campus housing to clean their dorms weekly. When one or

more residents fail to do their part in the weekly cleaning it places their fellow dorm mates in an unhealthy or unsanitary living environment. Poor maintenance is also poor stewardship as failure to clean weekly leads to larger and costlier maintenance for the school.

To ensure a clean and healthy living experience for all students we are requiring all dormitory residents to enter into a cleaning agreement. Failure of any student to fulfill his or her cleaning duty as assigned will have their school account billed at the rate of \$15.00 that week for cleaning services arranged by the school office.

Students will have a posted cleaning schedule (see attached) in their dormitory. Cleaning instruction and clarification is available from the office and those assigned to conduct dorm checks. Each student will be held accountable for their area of responsibility (as assigned to clean). The dorm check will be announced and conducted with warning on regular intervals. Opportunity to correct any missed cleaning will be given to any student as long as there has been a good faith effort to perform the work and they are present to correct the shortfall. Students who fail consistently to meet the cleaning requirements may lose their on campus privileges.

I (student's name) _____ agree to fulfill my cleaning duties as assigned with my best effort. In the case that I fail to clean my weekly area to the satisfaction of the dorm check I agree to have my school bill assessed the cleaning fee of \$15.00.

Furniture

Students should not tamper with furniture or facilities in any way. If furniture is broken or needed, contact Jane Deangelo to arrange to remove or replace the item.

Fire Code Regulations

California Fire Code mandates the following regulations:

1. No decorations on the ceilings.
2. There must be twelve (12) inches of space between the ceiling and any combustible material placed on the walls.
3. For every five (5) feet of continuous combustible decorations, a twelve (12) inch separation needs to be made to help prevent the spread of fire.
4. No combustible decorations are to be placed on exit doors.
5. Christmas trees are not allowed unless they are flame retardant.
6. Curtains, blinds, or drapes must be flame retardant material.
7. Residence hall room doors are not to be propped open.
8. Halls and stair wells must be clear of obstructions.
9. Extension cords are to be used sparingly. Surge protectors may be used but not plugged one into another.
10. Floor heaters must be UL rated and kept away from flammable items.
11. Absolutely no burning candles/incense, or open flame are to be used in the residence halls.

Maintenance

Special permission is required to do repairs, remodeling and painting. Use small nails to hang pictures. For needed repairs

obtain and fill out a repair form from the office and turn it. Contact your RA or the office for emergency repairs.

Room Keys

Room keys are issued by the office after dormitory assignments are made. A deposit of \$20 is required to be paid to the office of Student Services. Every resident is required to have a key for his/her dormitory. If a student should lose their key, they should report the loss to their Resident Assistant. The cost for replacing a key is \$20 and will be billed to their student account.

Room and Car Security

Students should keep rooms and cars locked. The college is not responsible for lost, stolen, or damaged articles.

White Glove and Check Out

White glove dormitory inspections will be done by the Student Life Committee at the conclusion of each year. Security deposits may be held until the student passes these final dormitory inspections at each year's conclusion.

Room Assignments

Room assignments are made by members of the Student Life Committee's staff. Roommate requests for returning students are carefully noted and complied with whenever possible. Freshman placement is determined by the Student Life Committee, and will be available the student's first day on campus. SBC&GS reserves the right to assign housing.

Entering Students' Rooms

When there is reason to believe that the standards of the College are being violated, members of the College administration may enter and search a room, preferably in the presence of its occupant(s). Individual students and their cars may be searched under similar circumstances. Students may not enter another student's room without an invitation, nor remain in the room when asked to leave. The personal property rights of others must be respected.

Patio

The patio is a common area for students to fellowship. It is the responsibility of the Dormitory community to keep the patio clean and free of clutter. It will be cleaned in conjunction with the Laundry Room cleaning schedule.

Members of the Opposite Sex

Men are not allowed in women's dormitories and women are not allowed in men's dormitories. Neither are they to hang out or congregate in front of each other's dormitory. Members of the opposite sex are asked not to put themselves in a position where they might violate another's privacy. Specific areas of concern include the, dormitory room windows, and balconies immediately in front of rooms. Privacy is to be respected and it is the policy of SBC&GS to be above reproach in this area. The RD or RA may host a coed meeting in a dormitory of their choosing as an exception to the rule. Parents of students are allowed to visit the dormitory room of their son/daughter but care should be taken by the

student to make sure the visit is not an inconvenience to their roommates.

Televisions

No televisions are allowed in the dormitory.

Technology Policy for Dormitory Residents

Students should set their own standards and practice for use in the dormitories corresponding to the Lifestyle Commitment.

STUDENT HEALTH AND SAFETY

Health Insurance

Health insurance is not required by SBC&GS. SBC&GS does not provide any health services. Students not covered by their parent's health insurance should inquire about affordable individual coverage.

Accident Insurance

Accident Insurance is required for all full-time undergraduate students. Proof of accident insurance is required at registration. If students are not insured under their parents' policy, then a policy must be secured before final registration can be completed.

SBC&GS, due to our size, does not provide any student health services. If needed, the SBC&GS office will refer students to local medical facilities. Student safety is addressed in a number of ways: School building security and fire alarm system, the availability of the Dormitory Supervisor or Resident Assistant, adequate lighting, secure locks on all buildings, and smoke alarms in the dormitory.

Pamphlets, videos, and other information including SBC&GS's policies concerning transmittable diseases, AIDS, sexual harassment, and campus safety are available from the office.

Several local Christian doctors and other health care professionals offer low cost health care upon recommendation from the administration. If the office is closed during an emergency or illness, you may call 911 or Dr. Nicholas: (h.) 244-3321 or (c.) 227-4275).

Campus and Medical Emergencies

In case of any medical emergency, call 911 immediately. Please contact the Office immediately for assistance in contacting medical professionals. Victims with possible back injuries are not to be moved. In event of a major earthquake, the student should remember several things:

1. Electricity and telephones will probably not be working.
2. The College may not receive immediate professional medical or fire assistance.
3. You should protect yourself under desks, doorways, etc.
4. Evacuation should occur after the earthquake stops.

This school is prepared to take action to prevent and correct any violations of this policy. Copies of the complete statement of the harassment policy are available in the office.

Sexual Assault and Rape

SBC&GS provides education about circumstances that can lead to sexual assault and rape including prevention awareness and

victim support services. In the event of sexual assault or rape on campus, SBC&GS encourages the full prosecution of all local, state and federal laws. Victims are advised to report the incident to any member of the Student Life Committee to initiate any criminal and or disciplinary action as well as support counseling. The Redding Police Department should be contacted at 225-4200 or through 911.

Missing Student Notification

Resident students who do not report in at curfew will be considered "missing" after a 24-hour period of time. Students, faculty or staff, that suspect a resident student has gone missing should report this to the Resident Assistant, Resident Director or any member of the Student Life Committee immediately.

Resident students may register with any member of the Student Life Committee a confidential contact person to be notified in the case that the student is determined to be missing. Only authorized campus officials and law enforcement officers in furtherance of a missing person's investigation will have access to the confidential contact person's information.

When any Resident Student is considered missing local law enforcement will be contacted. Local law enforcement will be contacted even if the Resident student has not registered a confidential contact person. Resident Students less than 18 years of age and not emancipated will have their parent or guardian notified when they become considered or suspected missing. RA, RD and Student Life Committee are required to refer the missing student report to law enforcement immediately.

Emergency and Safety Policies: On-Campus

SBC&GS is committed to insuring that all facilities of this institution are safe for use by all authorized faculty, staff, students, and visitors. In striving to reach School objectives, the safety of the individual must be paramount.

Goal: It is the goal of SBC&GS to minimize accidents and injuries. With personal awareness and a conscientious effort by all faculty, department heads and employees, this goal can be reached; at least, accidents will be held to a minimum.

Safety Responsibilities: Supervisors (anyone who has direct responsibility over one or more employees or student workers) are directly responsible to see that each employee in their areas use only safe procedures and equipment. Supervisors are responsible for developing proper attitudes and a healthy awareness toward safety both in themselves and those in their area of responsibility.

In order to comply with personal as well as physical property insurance coverage regulations, supervisors are also responsible for proper and thorough documentation of all accidents, injuries or incidents related to safety. Such documentation must be made to the College Business Office. Accidents involving non-school personnel must be reported to the Business Office.

In case of a campus emergency, the campus management system (Populi) will send an SMS message to all active users with one or more of the following roles: Student, Faculty, Staff, Advisor.

Responsibilities: All Employees

President/or Designee

The President or designee is responsible for establishing and maintaining a Scene Commander (Dr. George Gunn) for the purpose of coordinating communications and support efforts. Depending on the type of emergency, the Scene Center may be established in the President's Office or Student Service Office where communication is available.

The responsibility for the decision to evacuate and to reoccupy buildings and the campus rests with the President or designee. The President or designee is responsible to act as the College's spokesperson when addressing the various media regarding campus emergencies.

Building Evacuation Procedure

In the event of an emergency, it may be necessary to immediately evacuate a campus building or all buildings. It is important that you become familiar with the various responsibilities outlined in this procedure and the location for the evacuation zone nearest

your building. Should such an emergency situation occur, the alarm bell will be sounded and you will need to do the following:

Faculty Responsibilities

Faculty are responsible for ensuring that all students leave the classrooms immediately with their personal property. (e.g. briefcases, backpacks, etc.) and proceed to the nearest evacuation zone. Faculty should lock classroom doors and proceed to the nearest evacuation zone and wait for further direction from the designated Evacuation Coordinator. Note any suspicious objects and report this information to the Evacuation Coordinator.

Staff Responsibilities

Staff are responsible to lock office, proceed to the nearest evacuation zone and wait for further direction from their designated Evacuation Coordinator. Note any suspicious objects and report this information to the orange vested Evacuation Coordinator.

The President or designee will provide further direction via the Incident Command Center or initiate the following procedures: If it is safe to return to the buildings, students will be notified via sms message. If it is not safe to return to the buildings, the Evacuation Coordinators will be contacted to coordinate the procedures outlines in the section CAMPUS EVACUATION PROCEDURES.

Evening Classes

In the event of an emergency at night when classes are still in session, it may be necessary to evacuate the building. If this should occur, the faculty should immediately contact the President or designee for direction. Should the decision be made

College personnel will sound an internal fire alarm. Notify all employees of situation and instruct to proceed with evacuation from the building. Close all doors and windows in the fire area,

ONLY if this can be done safely. Notify the fire department (place a verifying call to 911). The person reporting the fire will provide the fire department the following information:

Should evacuation of all personnel and students within the building be necessary, evacuation maps are posted throughout the building showing exits. Employees and students should exit to the nearest and most accessible exit from where they are working at the time of evacuation. As each department is searched, the department head will leave the building and join the group in the assigned parking lot.

Designated Meeting Areas

The East school parking lot from the main building or the Crosspointe Community Church ball field across the street to the west.

Faculty shall contain their students away from the building and insure that no one re-enters the building until someone with executive authority or by the local fire/law enforcement officials.

All personnel will remain in the designated 'safe' areas until the ALL CLEAR is given to return to work (follow wall map).

The nearest hospitals for treatment are:

Evacuate as necessary. Supervisors shall be responsible for seeing that employees are evacuated to a safe area outside the building and clear of overhead electrical lines, utility posts, blocks walls, etc. which might fall during after-shocks. Supervisors are cautioned to be alert for fallen high tension lines which may be touching metal objects on the ground.

Have all areas of the building inspected for damage before allowing personnel to return to the building(s).

Have gas, electrical, water and fuel systems checked to determine that they are not contaminated. Water contained in toilet tanks can be boiled and used if absolutely necessary for drinking or treating injuries.

Bomb Threat Procedure

In case of bomb threat, evacuate the building immediately. Proceed at once to the school parking lot or the Crosspointe Community Church ball field across the street to the west.

Faculty shall contain their students away from the building and insure that no one re-enters the building until someone with executive authority or by the local fire/law enforcement officials.

All personnel will remain in the designated 'safe' areas until the ALL CLEAR is given to return to work (follow wall map).

If necessary, the parties of the grievance may request a formal hearing and have the right to peer counsel, to call or cross-examine witnesses. The results of the hearing will be kept on file in the Student Life Committee's Office.

All grievances not resolved by the Administrative Committee may be appealed in writing to TRACS, P.O. Box 328, Forest, VA 24551, (434) 525-9539, with a copy being filed with the Student Life Committee.
